*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Legislative findings — definition.** (1) The legislature finds that:

(2) As used in [sections 1 through 3], "restorative justice program" has the meaning provided in 2-15-2013(3)(c).

**Section 2. Reentry task force.** (1) There is a multiagency reentry task force that shall advise the department and help develop and implement reentry programs for offenders within 12 months of release from prison and at highest risk of recidivism.

(4) The task force shall meet regularly at the call of the department director, who serves as the presiding officer. Task force members serving in their capacity as government employees are not entitled to additional compensation but are entitled to reimbursement for travel expenses incurred while engaged in task force activities as provided for in 2-18-501. Task force members who are not employed by the state are not entitled to compensation or travel expenses.

(5) Before July 1 of each even-numbered year, the task force shall report to the law and justice interim committee regarding the development, implementation, and effectiveness of reentry programs.

**Section 3. Department duties.** The department, in consultation with the reentry task force, shall:

(1) examine and implement programs that will help bring community resources into prisons to support inmate reentry planning and preparation;

(2) develop partnerships with and contract with community-based organizations that provide needed services to released inmates in areas such as mental health, chemical dependency, employment, housing, health care, faith-based services, parenting, relationship services, and victim impact panels;

(3) coordinate with community restorative justice programs to ensure victim concerns and opportunities for restorative justice practices, including restitution, are considered during an offender's reentry; and

(7) The duration of monthly payments paid from a defined benefit or defined contribution plan participant to an alternate payee may not exceed the lifetime of the appropriate participant. The duration of the monthly payments may be further limited only to a specified maximum time, the life of the alternate payee, or the life of another specified participant. The alternate payee's rights and interests survive the alternate payee's death and may be transferred by inheritance.

(8) The board may assess a participant or an alternate payee for all costs of reviewing and administering a family law order, including reasonable attorney fees. The board may adopt rules to implement this section.

(9) Each family law order establishing a final obligation concerning payments by the retirement system must contain a statement that the order is subject to review and approval by the board.

(10) The board shall adopt rules to provide for the administration of family law orders."

(b) public service employment that occurred before the public employer adopted a public retirement system.

(2) A member may not purchase more than 5 years of service credit under this section. To purchase this service credit, a member shall:

(a) at any time before retirement, file a written application with the board; and

(b) pay the actuarial cost of the service credit in the public employees' retirement system, as determined by the board, based on the system's most recent actuarial valuation.

~~(3) Service credit purchased under this section may not be used to qualify a member to purchase military service under 19-3-503.~~

~~(4)~~*(3)* Service credit purchased under this section may not be used in calculating a member's retirement benefit unless the member's last 5 years of service credit were earned under the public employees' retirement system. If, upon the member's retirement, the member's purchased service credit cannot be used in calculating the member's retirement benefit, the member must receive a refund of the amount paid to purchase the service credit, plus regular interest on that amount."

**Section 10.** Section 19-3-908, MCA, is amended to read:

**"19-3-908. Retirement incentive program — window of eligibility.** (1) Except as provided in subsection (4), a person who is an active member on February 1, 1993, and who voluntarily terminates service or who is involuntarily terminated from service because of a reduction in force on or after June 25, 1993, but before January 1, 1994, and who is eligible for a normal service retirement under 19-3-901 or early retirement under 19-3-902 is entitled to the retirement incentive provided in subsection (2).

(2) (a) The employer of an eligible member under subsection (1) shall pay the total cost of purchasing up to 3 years of additional service credit that the member is qualified to purchase under 19-3-513.

(c) A member is entitled to a refund for that portion of previously purchased additional service that would otherwise cause the member to be unqualified to receive all or part of the additional service credit provided in this section.

(3) An active member who is involuntarily terminated from service because of a reduction in force on or after March 1, 1993, but before June 25, 1993, and who, if the member had not been terminated from service, would have been eligible under subsection (1) for the retirement incentive is entitled to the retirement incentive under subsection (2) if the member was, at the time of termination from service, eligible for service retirement under 19-3-901 or early retirement under 19-3-902 and retires on or after June 25, 1993.

(4) Subject to subsection (2)(b), a contracting employer's participation in the incentive program described in this section is optional. A contracting employer

may elect to provide the incentive by filing with the board a written notice of election on or before June 1, 1993, and complying with rules adopted pursuant to subsection (6).

(5) County assessors and deputy assessors are eligible for the incentive program even if the employing county has not elected to participate in the incentive program.

(6) The board may allow an employer to pay the contributions required under subsection (2)(a) in installments for up to 10 years and may charge interest at a rate set by the board pursuant to 19-2-403. The board shall adopt rules to implement the provisions of this section.

(7) A member who has received additional service under this section and who returns to employment for the same jurisdiction for 960 or more hours in a calendar year in a position covered by the public employees' retirement system or for 600 or more hours in a calendar year in a position covered under any other retirement system shall forfeit the additional service. The employer's contributions to purchase that member's additional service credit, minus ~~any~~ *the proportional amount of* retirement benefits *related to the additional service purchased under this section and* already paid, must be refunded to the employer. For purposes of this subsection, all agencies of the state, including the university system, are considered the same jurisdiction and other public employers contracting with the retirement system are each considered separate jurisdictions."

**Section 11.** Section 19-3-1103, MCA, is amended to read:

**"19-3-1103. Disability benefit reduced by earnings.** (1) (a) If the recipient of a disability retirement benefit ~~engages in a gainful occupation during any month other than~~ *is self-employed or employed* in a position *not* covered by the retirement system, *the recipient shall submit to the board an annual earnings statement, and any other documentation requested by the board, covering each month during which the recipient was self-employed or employed in the position.*

*(b)* ~~the~~ *The* amount of the recipient's retirement benefit for ~~that~~ *each* month *of employment* must be reduced to an amount that, when added to the compensation earned by the recipient in that occupation, does not exceed the amount of the recipient's monthly compensation at the time of the recipient's retirement.

~~(b)~~*(c)* The board shall annually adjust the recipient's monthly compensation as it was at the time of retirement by an inflationary factor if the recipient has been receiving a disability retirement benefit for more than 36 consecutive months.

*(d) If the disability benefit recipient fails to submit the documentation as required under subsection (1)(a), the board may suspend the benefit payments until it receives the documentation.*

(2) Benefit adjustments granted by the legislature may not be included in calculations required under this section."

**Section 12.** Section 19-3-1106, MCA, is amended to read:

**"19-3-1106. Limited reemployment — reduction of service retirement benefit upon exceeding limits — reporting obligations — liability — exceptions.** (1) A retired member under 65 years of age who was hired prior to July 1, 2011, who has been terminated from employment for at least 90 days, and who is receiving a service retirement benefit or early retirement benefit may return to employment covered by the retirement system

for a period not to exceed 960 hours in any calendar year without returning to active service and without any effect to the retiree's retirement benefit. The retirement benefit for any retiree exceeding this 960-hour limitation in any calendar year after retirement must be temporarily reduced $1 for each $1 earned after working 960 hours in that calendar year.

(2) A retired member who is 65 years of age or older but less than 70 1/2 years of age, who has been terminated from employment for at least 90 days, and who returns to employment covered by the retirement system is either subject to the 960-hour limitation of subsection (1) or may earn in any calendar year an amount that, when added to the retiree's current annual retirement benefit, will not exceed the member's annualized highest average compensation, adjusted for inflation as of January 1 of the current calendar year, whichever limitation provides the higher limit on earned compensation to the retiree. Upon reaching the applicable limitation, the retiree's benefits must be temporarily reduced $1 for each $1 of compensation earned in service beyond the applicable limitation during that calendar year.

(3) (a) The employer of a retiree returning to employment covered by the retirement system shall certify to the board the number of hours worked by the retiree and the gross compensation paid to the retiree in that employment during any pay period after retirement. The certification of hours and compensation may be submitted electronically pursuant to rules adopted by the board.

(b) An employer that fails to timely or accurately report the employment of, time worked by, or compensation paid to a retired member as required under subsection (3)(a) is jointly and severally liable with the retired member for repayment to the retirement system of retirement benefits paid to which the member was not entitled, plus interest.

(4) A retiree returning to employment covered by the retirement system may elect to return to active membership at any time during this period of covered employment.

(5) The following members who return to employment covered by the retirement system are not subject to the hour or earnings limitations in subsections (1) and (2) or the reporting requirements in subsection (3):

(a) a retired member who is 70 1/2 years of age or older; or

(b) an elected official in a covered position who, as a retired member, declines optional membership as provided in 19-3-412.

(6) Except as provided in subsection (5), if a retired member is employed by an employer in a position that is reportable to the retirement system and the retired member is concurrently working for the employer in another position that is not reportable to the system, the position that is not reportable is considered to be part of the position that is reportable to the retirement system. All earnings of the retired member that are generated by these positions are reportable to the retirement system.

(7) For the purposes of this section, "employment covered by the retirement system" includes*:*

*(a)* work performed by a retiree through a professional employer arrangement, an employee leasing arrangement, or a temporary service contractor as those terms are defined in 39-8-102*; and*

*(b) services performed by a retiree as an independent contractor for an employer participating in the system*."

**Section 13.** Section 19-3-1210, MCA, is amended to read:

**"19-3-1210. Death payments to designated beneficiaries of retired members.** *(1) When a retired member receiving an option 1 retirement benefit under 19-3-1501 dies, the member's designated beneficiary or, if there is no surviving designated beneficiary, the member's estate must be paid the amount, if any, of the member's accumulated contributions calculated as of the day of the member's retirement minus the total of any retirement benefits already paid from the member's account.*

*(2)* If a retired member *receiving an option 2 or 3 retirement benefit under 19-3-1501* dies ~~without designating a contingent annuitant under 19-3-1501~~ *with no surviving contingent annuitant*, the member's designated beneficiary or, if there is no surviving designated beneficiary, the member's estate must be paid the amount, if any, of the member's accumulated contributions calculated as of the day of the member's retirement minus the total of any retirement benefits already paid from the member's account.

*(3) This section does not apply if the member was receiving a disability benefit.*"

**Section 14.** Section 19-3-1501, MCA, is amended to read:

**"19-3-1501. Optional forms of benefits — designation of contingent annuitant.** (1) The retirement benefit of a member or the survivorship benefit of a designated beneficiary who so elects must be converted, in lieu of all other benefits under this chapter, into an optional retirement benefit that is the actuarial equivalent of the original benefit. *If the member does not elect an optional retirement benefit pursuant to subsection (2), the member's retirement benefit is known as an option 1 benefit.*

*(2)* An optional retirement benefit *under this subsection (2)* is initially payable during the member's or designated beneficiary's lifetime, with a subsequent benefit, depending on the option selected, to a contingent annuitant as follows:

(a) option 2—a continuation of the optional retirement benefit after the death of the initial payee and payable during the lifetime of the named contingent annuitant. This option may be the chosen benefit only if the adjusted age difference between the member or designated beneficiary and the contingent annuitant, other than the member's or designated beneficiary's spouse, is 10 years or less. The adjusted age difference is either:

(i) the excess of the age of the member or designated beneficiary over the age of the nonspouse contingent annuitant based on their ages on their birthdays in a calendar year; or

(ii) if the member or designated beneficiary is under 70 years of age, the age difference determined in subsection ~~(1)(a)(i)~~ *(2)(a)(i)* reduced by the number of years that the member or designated beneficiary is under 70 years of age on the member's or beneficiary's birthday in the calendar year that contains the benefit starting date.

(b) option 3—a continuation of one-half of the optional retirement benefit after the death of the initial payee and payable during the lifetime of the named contingent annuitant;

(c) option 4—a continuation of the optional retirement benefit to one or more contingent annuitants in the event of the initial payee's death before the end of a period certain, determined as follows:

(i) the period certain commences at the time that the initial payee first begins receiving the retirement benefit and is available as either:

(A) a 10-year period certain if the member retired at 75 years of age or younger; or

(B) a 20-year period certain if the member retired at 65 years of age or younger;

(ii) if there is more than one surviving contingent annuitant, each contingent annuitant must receive a proportion of the initial payee's benefit on a share-and-share-alike basis;

(iii) if all surviving contingent annuitants die prior to the end of the period certain and the last remaining contingent annuitant has failed to name a designated beneficiary, the remaining payments must be converted to an equivalent lump-sum amount and paid to the estate of the last surviving contingent annuitant.

~~(2)~~*(3)* The member or the designated beneficiary who elects an optional retirement benefit *under subsection (2)* shall file a written application with the board prior to the first payment of the benefit. A contingent annuitant must be identified on the application.

~~(3)~~*(4)* If the member or designated beneficiary or the named contingent annuitant dies before the first payment has been made under option 2 or 3, the election of the option is automatically canceled.

~~(4)~~*(5)* If the member dies after retirement and within 30 days from the date that the member's written application electing or changing an election of an optional retirement benefit *under subsection (2)* is received by the board, then the election is void.

*(6) After the member or designated beneficiary has received and accepted an initial retirement benefit payment, the member may not change the selected option except as provided in subsection (7).*

~~(5)~~*(7)* A retired member receiving an optional retirement benefit pursuant to subsection ~~(1)(a)~~ *(2)(a)* or ~~(1)(b)~~ *(2)(b)* may file a written application with the board to have the member's optional retirement benefit revert to the regular retirement benefit available at the time of the member's retirement if:

(a) the original contingent annuitant has died, in which case the optional benefit must revert effective on the first day of the month following the contingent annuitant's death; or

(b) the member's marriage to the original contingent annuitant has been dissolved and the original contingent annuitant has not been granted the right to receive the optional retirement benefit as part of a family law order, as defined in 19-2-907. The benefit must then revert effective on the first day of the month following receipt of the written application and verification that the family law order does not grant the optional benefit to the original contingent annuitant.

~~(6)~~*(8)* A member who applies to revert under subsection ~~(5)~~ *(7)* shall, at the time of the application, choose one of the following alternatives:

(a) revert to the member's original *option 1* retirement benefit, increased by the amount of any adjustments received by the member since the effective date of the member's retirement;

(b) retain the same option 2 or option 3 originally selected but name a new contingent annuitant; or

(c) select a different option *under subsection (2)* and name a new contingent annuitant.

~~(7)~~*(9)* If the member selects an alternative under subsection ~~(6)(b)~~ *(8)(b)* or ~~(6)(c)~~ *(8)(c)*, the member's retirement benefit must be calculated based on the member's and the new contingent annuitant's ages at the time of this election.

~~(8)~~*(10)* A written application pursuant to subsection ~~(5)~~ *(7)* must be filed with the board within 18 months of the death of or dissolution of marriage to the contingent annuitant."

**Section 15.** Section 19-3-2133, MCA, is amended to read:

AN ACT PROVIDING AUTHORITY TO DISTRICT COURTS TO DESIGNATE SEX OFFENDERS AS LEVEL 1, 2, OR 3 WHEN THOSE SEX OFFENDERS

DO NOT HAVE A DESIGNATION; AMENDING SECTION 46-23-509, MCA; AND PROVIDING AN APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 46-23-509, MCA, is amended to read:

**"46-23-509. Sexual offender evaluations and designations — rulemaking authority.** (1) The department shall adopt rules for the qualification of sexual offender evaluators who conduct sexual offender and sexually violent predator evaluations and for determinations by sexual offender evaluators of the risk of a repeat offense and the threat that an offender poses to the public safety.

(2) Prior to sentencing of a person convicted of a sexual offense, the department or a sexual offender evaluator shall provide the court with a sexual offender evaluation report recommending one of the following levels of designation for the offender:

(a) level 1, the risk of a repeat sexual offense is low;

(b) level 2, the risk of a repeat sexual offense is moderate;

(c) level 3, the risk of a repeat sexual offense is high, there is a threat to public safety, and the sexual offender evaluator believes that the offender is a sexually violent predator.

(3) Upon sentencing the offender, the court shall:

(a) review the sexual offender evaluation report, any statement by a victim, and any statement by the offender;

(b) designate the offender as level 1, 2, or 3; and

(c) designate a level 3 offender as a sexually violent predator.

(4) An offender designated as a level 2 offender or given a level designation by another state, the federal government, or the department under subsection (6) that is determined by the court to be similar to level 2 may petition the sentencing court or the district court for the judicial district in which the offender resides to change the offender's designation if the offender has enrolled in and successfully completed the treatment phase of either the prison's sexual offender treatment program or of an equivalent program approved by the department. After considering the petition, the court may change the offender's risk level designation if the court finds by clear and convincing evidence that the offender's risk of committing a repeat sexual offense has changed since the time sentence was imposed. The court shall impose one of the three risk levels specified in this section.

(5) ~~If, at the time of sentencing, the sentencing judge did not apply a level designation to a sexual offender who is required to register under this part and who was sentenced prior to October 1, 1997, the department shall designate the offender as level 1, 2, or 3 when the offender is released from confinement.~~ *If, at the time of sentencing, the sentencing judge did not apply a level designation to a sexual offender who is required to register under this part and who was sentenced prior to October 1, 1997, the department shall designate the offender as level 1, 2, or 3 when the offender is released from confinement.*

(6) If an offense is covered by 46-23-502(9)(b), the offender registers under 46-23-504(1)(c), and the offender was given a risk level designation after conviction by another state or the federal government, the department of justice may give the offender the risk level designation assigned by the other state or the federal government.

(7) The lack of a fixed residence is a factor that may be considered by the sentencing court or by the department in determining the risk level to be assigned to an offender pursuant to this section.

*(8) Upon obtaining information that indicates that a sexual offender who is required to register under this part does not have a level 1, 2, or 3 designation, the attorney general, the county attorney that prosecuted the offender and obtained a conviction for a sexual offense, or the county attorney for the county in which the offender resides may, at any time, petition the district court that sentenced the offender for a sexual offense or the district court for the judicial district in which the offender resides to designate the offender as level 1, 2, or 3. Upon the filing of the petition, the court may order a sexual offender evaluation report at the petitioner's expense. The court shall provide the offender with an opportunity for a hearing prior to designating the offender. The petitioner shall provide the offender with notice of the petition and notice of the hearing.*"

**Section 2. Applicability.** [This act] applies to proceedings begun on or after [the effective date of this act].

*(b) Unless otherwise provided in the articles of organization or operating agreement, any event described in this chapter or in the articles of organization or operating agreement that causes a manager to cease to be associated with a series of members does not, in itself, cause any member to cease to be associated with any other series of members, terminate the continued membership of any member in the limited liability company, or cause the termination of the series of members, regardless of whether the member was the last remaining member associated with the series.*"

**Section 11.** Section 35-8-804, MCA, is amended to read:

**"35-8-804. Member's power to dissociate — wrongful dissociation.** (1) Unless otherwise provided in the operating agreement, a member has the power to dissociate from a limited liability company at any time, rightfully or wrongfully, pursuant to ~~35-8-803(1)~~ *35-8-803(1)(a)*.

(2) If the operating agreement has not eliminated a member's power to dissociate, the member's dissociation from a limited liability company is wrongful only if:

(a) it is in breach of an express provision of the agreement; or

(b) before the expiration of the specified term of a term company:

(i) the member withdraws by express will;

(ii) the member is expelled by judicial determination under ~~35-8-803(6)~~ *35-8-803(1)(f)*;

(iii) the member is dissociated by becoming a debtor in bankruptcy; or

(iv) in the case of a member that is not an individual, trust, other than a business trust, or estate, the member is expelled or otherwise dissociated because it willfully dissolved or terminated its existence.

(3) A member that wrongfully dissociates from a limited liability company is liable to the company and to the other members for damages caused by the dissociation. The liability is in addition to any other obligation of the member to the company or to the other members.

(4) If a limited liability company does not dissolve and wind up its business as a result of a member's wrongful dissociation under subsection (2), damages

sustained by the company for the wrongful dissociation must be offset against distributions otherwise due the member after the dissociation."

**Section 12.** Section 35-8-901, MCA, is amended to read:

**"35-8-901. Dissolution.** (1) A limited liability company is dissolved and its affairs must be wound up when one of the following occurs:

(a) at the time or upon the occurrence of events specified in writing in the articles of organization or operating agreement;

(b) consent of the number or percentage of members specified in the operating agreement;

(c) an event that makes it unlawful for all or substantially all of the business of the company to be continued, but any cure of illegality within 90 days after notice to the company of the event is effective retroactively to the date of the event for purposes of this section;

(d) the expiration of the term specified in the articles of organization; or

(e) entry of a decree of judicial dissolution under 35-8-902.

(2) Subject to subsection (3), a limited liability company continues after dissolution only for the purpose of winding up its business.

(3) At any time after the dissolution of a limited liability company and before the winding up of its business is completed, the members, including a dissociated member whose dissociation caused the dissolution, may unanimously waive the right to have the company's business wound up and the company terminated. In that case:

(a) the limited liability company resumes carrying on its business as if dissolution had never occurred, and any liability incurred by the company or a member after the dissolution and before the waiver is determined as if the dissolution had never occurred; and

(b) the rights of a third party accruing under the provisions of 35-8-904(1) or arising out of conduct by the third party in reliance on the dissolution before the third party knew or received a notification of the waiver are not adversely affected.

*(4) The affairs of a series of members of a limited liability company must be wound up:*

*(a) at the time, if any, specified in the articles of organization;*

*(b) upon the occurrence of an event specified in the operating agreement;*

*(c) unless otherwise provided in the articles of organization or operating agreement, upon the affirmative vote or written agreement of all the members associated with the series of members; or*

*(d) upon entry of a decree of judicial termination of the series of members pursuant to 35-8-902.*

*(5) (a) Unless otherwise provided in the articles of organization or operating agreement, upon the occurrence of an event requiring the affairs of a series of members to be wound up, a manager of the series who has not wrongfully terminated the series or, if there is not a manager, the members associated with the series, or a person approved by all of the members of the series may wind up the affairs of the series.*

*(b) Unless otherwise provided in the articles of organization or operating agreement, the person or persons winding up the affairs of a series of members:*

*(i) may take all actions necessary or proper to wind up the affairs of the series; and*

*(ii) shall distribute the assets of the series of members to the creditors of the series and the members associated with the series.*"

**Section 13.** Section 35-8-902, MCA, is amended to read:

**"35-8-902. Judicial dissolution.** (1) On application by or for a member or a dissociated member, a district court may order dissolution of a limited liability company, or other appropriate relief, when:

(a) the economic purpose of the company is likely to be unreasonably frustrated;

(b) another member has engaged in conduct relating to the company's business that makes it not reasonably practicable to carry on the company's business with that member remaining as a member;

(c) it is not otherwise reasonably practicable to carry on the company's business in conformity with the articles of organization and the operating agreement;

(d) the company failed to purchase the petitioner's distributional interest as required by 35-8-805; or

(e) the members or managers in control of the company have acted, are acting, or will act in a manner that is illegal, oppressive, fraudulent, or unfairly prejudicial to the petitioner.

(2) On application by a transferee of a member's interest, a district court may determine that it is equitable to wind up the company's business:

(a) after the expiration of the specified term, if the company was for a specified term at the time that the applicant became a transferee by member dissociation, transfer, or entry of a charging order that gave rise to the transfer; or

(b) at any time, if the company was at will at the time that the applicant became a transferee by member dissociation, transfer, or entry of a charging order that gave rise to the transfer.

*(3) Whenever it is not reasonably practicable to carry on the business of a series of members in conformity with the articles of organization or operating agreement and upon application by or for a member of the series of members, a district court may decree only the termination of the series of members and may not decree the dissolution of the limited liability company.*"

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Direct shipment endorsement for wineries — definition.** (1) A winery licensed or registered in Montana under 16-4-107 may sell and ship under a direct shipment endorsement up to 18 9-liter cases of table wine annually to an individual in Montana who is at least 21 years of age for the individual's personal use and not for resale.

(2) The shipment of table wine directly to an individual in Montana from a winery that does not possess a current direct shipment endorsement is prohibited and penalties may be assessed as provided in [section 3].

(3) The shipment of table wine directly to an individual in Montana under a direct shipment endorsement that is not conspicuously labeled as required under [section 2(2)] is prohibited and subject to penalties as provided in [section 3].

(4) For the purposes of [sections 2 and 3] and this section, a "direct shipment endorsement" is permission issued by the department to a winery licensed or registered pursuant to 16-4-107 under which the winery is allowed to sell and ship table wine directly to an individual in Montana.

**Section 2. Requirements for direct shipment endorsements — fee — labeling — taxes — recordkeeping.** (1) A winery licensed or registered under 16-4-107 shall before shipping table wine directly to an individual in Montana:

(a) remit an annual direct shipment endorsement fee of $50;

(b) submit to the department a written statement acknowledging that the winery will contract only with common carriers that agree that any delivery of table wine will be made only to an individual in Montana who is at least 21 years of age and who signs a form acknowledging receipt of the table wine; and

(c) receive from the department a direct shipment endorsement.

(2) A shipment of table wine under [sections 1 through 3] must be conspicuously labeled with the words "Contains Alcohol: Signature of Person Age 21 or Older Required for Delivery".

(3) (a) In addition to maintaining records required under 16-3-411 or 16-4-107, a winery with a direct shipment endorsement shall maintain records of any sales or shipments to an individual in Montana.

The information reported to the department must include the names and addresses of the individual to whom the table wine was shipped and any other information that the department determines is necessary to verify that direct shipment of table wine conforms to the requirements of Title 16. Failure to pay taxes or file the information required in this subsection subjects the winery holding the direct shipment endorsement to the penalties and interest provided for in 15-1-216.

(4) A winery with a direct shipment endorsement shall allow the department to perform an audit of the record of shipments made under [section 1]. The shipment records must be retained for 3 years.

(2) A winery that has a direct shipment endorsement is considered to have consented to the jurisdiction of the department or any other state agency and the Montana courts concerning enforcement of [sections 1 through 3] and related rules or regulations.

(3) The owner of a winery is guilty of a misdemeanor if the winery makes a direct shipment without having a direct shipment endorsement.

(4) The department may adopt rules to implement [sections 1 through 3].

**Section 4.** Section 16-1-411, MCA, is amended to read:

**"16-1-411. Tax on wine and hard cider — penalty and interest.** (1) (a) A tax of 27 cents per liter is imposed on table wine, except hard cider, imported by a table wine distributor or the department *and on table wine shipped directly by a winery with a direct shipment endorsement*.

(5) For purposes of this section, "table wine" has the meaning assigned in 16-1-106, but does not include hard cider."

**Section 5.** Section 16-3-402, MCA, is amended to read:

**"16-3-402. Importation of wine — records.** (1) Except as provided in 16-3-411 and ~~16-4-901~~ *[sections 1 through 3]*, all table wine manufactured outside of Montana and shipped into Montana must be consigned to and shipped to a licensed table wine distributor and be unloaded by the distributor into the distributor's warehouse in Montana or subwarehouse in Montana. WHEREAS, Article II, section 17, of the Montana Constitution provides "No person shall be deprived of life, liberty, or property without due process of law" and Section 1 of the Fourteenth Amendment to the United States Constitution provides "nor shall any State deprive any person of life, liberty, or property, without due process of law"; and

WHEREAS, in light of these constitutional due process provisions, the United States District Court for the District of Montana in Cox v. Yellowstone County, 795 F. Supp. 2d 1128 (2011), held that the Court "can conceive of no set of circumstances under which Montana's agisters' lien statute could pass constitutional muster in view of procedural due process requirements. Particularly, the need to provide a meaningful opportunity to be heard prior to a government deprivation of property"; and

WHEREAS, the Court in Cox v. Yellowstone County further held that "the enforcement provision of Montana's agisters' lien statute, Mont. Code Ann. § 71-3-1203, is unconstitutional as written"; and

WHEREAS, this Act revises Montana's agisters' lien enforcement laws to conform with the due process provisions of the Montana and United States Constitutions.

(3) A person or entity may not use any facility without paying the rate established for the facility. In the event of nonpayment, the board may order the discontinuance of water or sewer service, or both, to the property and may require that all delinquent charges, interest, penalties, and deposits be paid before restoration of the service.

(6) Notwithstanding any other section of part 22 or this part or any limitation imposed in part 22 or this part, when the board has applied for and received from the federal government any money for the construction, operation, and maintenance of facilities, the board may adopt a system of charges and rates to require that each recipient of facility services pays its proportionate share of the costs of operation, maintenance, and replacement and may require industrial users of facilities to pay the portion of the cost of construction of the facilities that is allocable to the treatment of that industrial user's wastes."

(5) Only those matters that are within the purpose or purposes described in the meeting notice required by 35-2-530 may be conducted at a special meeting of members."

**Section 8.** Section 35-2-533, MCA, is amended to read:

**"35-2-533. Action by written ballot.** (1) Unless prohibited or limited by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the corporation delivers a written ballot to every member entitled to vote on the matter.

(a) indicate the number of responses needed to meet the quorum requirements;

(b) state the percentage of approvals necessary to approve each matter other than election of directors; and

**"35-2-535. The corporation shall prepare, on a current basis through the time of the membership meeting, a list of members, if any, who are entitled to vote at the meeting but not entitled to notice of the meeting. This list must be prepared on the same basis and be part of the list of members.

(2) The list of members must be available:

(a) for inspection by any member for the purpose of communication with other members concerning the meeting, beginning 2 business days after notice is given of the meeting for which the list was prepared and continuing through the meeting; and

(b) at the corporation's principal office or at a reasonable place identified in the meeting notice in the city where the meeting will be held. A member, a member's agent, or a member's attorney is entitled, on written demand, to inspect and, subject to the limitations of 35-2-907(3) and 35-2-910, to copy the list, at a reasonable time and at the member's expense, during the period it is available for inspection.

(3) The corporation shall make the list of members available at the meeting, and any member, a member's agent, or a member's attorney is entitled to inspect the list at any time during the meeting or any adjournment.

(4) If the corporation refuses to allow a member, a member's agent, or a member's attorney to inspect the list of members before or at the meeting or to copy the list as permitted by subsection (2), the district court for the judicial district of the county where a corporation's principal office is located or, if the principal office is not located in this state, in Lewis and Clark County, on application of the member, may summarily order the inspection or copying at the corporation's expense, may postpone the meeting for which the list was prepared until the inspection or copying is complete, and may order the corporation to pay the member's costs, including reasonable attorney fees, incurred to obtain the order.

(5) Unless a written demand to inspect and copy a membership list has been made under subsection (2) prior to the membership meeting and a corporation improperly refuses to comply with the demand, refusal or failure to comply with this section does not affect the validity of action taken at the meeting.

(6) The articles or bylaws of a religious corporation may limit or abolish the rights of a member under this section to inspect and copy any corporate record."

**Section 10.** Section 35-2-539, MCA, is amended to read:

**"35-2-539. Proxies.** (1) Unless the articles or bylaws prohibit or limit proxy voting, a member may appoint a proxy to vote or otherwise act for the member by signing an appointment form, either personally or by an attorney-in-fact.

(2) An appointment of a proxy is effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for 11 months unless a different period is expressly provided in the appointment form. However, a proxy is not valid for more than 3 years from its date of execution.

(3) An appointment of a proxy is revocable by the member.

(4) The death or incapacity of the member appointing a proxy does not affect the right of the corporation to accept the proxy's authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises authority under the appointment.

(5) Appointment of a proxy is revoked by the person appointing the proxy:

(a) ~~attending~~ *being present at* any meeting and voting ~~in person~~; or

(b) signing and delivering to the secretary or other officer or agent authorized to tabulate proxy votes either a writing stating that the appointment of the proxy is revoked or a subsequent appointment form.

(6) Subject to 35-2-542 and any express limitation on the proxy's authority appearing on the face of the appointment form, a corporation is entitled to accept the proxy's vote or other action as that of the member who made the appointment."

**Section 11.** Section 35-2-542, MCA, is amended to read:

**"35-2-542. Corporation's acceptance of votes.** (1) If the name signed on a vote, consent, waiver, or proxy appointment corresponds to the name of a member *or is the authenticated electronic identification of a member*, the corporation, if acting in good faith, is entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a vote, consent, waiver, or proxy appointment does not correspond to the record name of a member *or is not the authenticated electronic identification of a member*, the corporation, if acting in good faith, is nevertheless entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) the member is an entity and the name signed *or electronic identification used* purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the vote, consent, waiver, or proxy appointment;

(b) the name signed *or electronic identification used* purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member

has been presented with respect to the vote, consent, waiver, or proxy appointment;

(c) two or more persons hold the membership as cotenants or fiduciaries and:

(i) the name signed *or electronic identification used* purports to be the name of at least one of the coholders; and

(ii) the person signing *or using the electronic identification* appears to be acting on behalf of all the coholders; or

(d) in the case of a mutual benefit corporation:

(i) the name signed *or electronic identification used* purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment; or

(ii) the name signed *or electronic identification used* purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment.

(3) The corporation is entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature *or electronic identification* ~~on it~~ or about the signatory's authority to sign for the member.

(4) The corporation and its officer or agent who accepts or rejects a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section are not liable in damages to the member for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise."

**Section 12.** Section 35-2-911, MCA, is amended to read:

**"35-2-911. Financial statements for members.** Upon the written request of any member of the corporation, the corporation shall ~~mail~~ *deliver* to the member its most recent financial statements showing in reasonable detail its assets and liabilities and the results of the operations."

## CHAPTER NO. 191

[SB 185]

AN ACT REVISING VETERANS' PREFERENCE HIRING LAWS; ALLOWING PUBLIC EMPLOYERS TO EXTEND A JOB INTERVIEW TO A VETERAN FOR EXISTING JOB VACANCIES FOR WHICH THE VETERAN QUALIFIES; INCLUDING A DISABLED VETERAN AS A PERSON WITH A DISABILITY; CLARIFYING THE ORDER OF PREFERENCES BETWEEN DISABLED VETERANS, PEOPLE WITH DISABILITIES, AND OTHERS ELIGIBLE FOR A HIRING PREFERENCE; EXTENDING RULEMAKING; AND AMENDING SECTIONS 39-29-102, 39-29-103, 39-29-112, 39-30-103, 39-30-107, AND 39-30-201, MCA.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 39-29-102, MCA, is amended to read:

**"39-29-102. Point preference or alternative preference in initial hiring for certain applicants — substantially equivalent selection procedure.** (1) Subject to the restrictions in subsections (2) and (3), whenever a public employer uses a scored procedure, an applicant for an initial hiring, as defined in 39-30-103, must have added to the applicant's score the following percentage points of the total possible points that may be granted in the scored procedure:

(a) 5 percentage points if the applicant is a veteran; and

(b) 10 percentage points if the applicant is a disabled veteran or an eligible relative.

(2) A veteran, disabled veteran, or eligible relative may not receive the percentage points provided for in subsection (1) unless the person:

(a) is a United States citizen; and

(b) meets the minimum qualifications required for the position. If no applicant meets the minimum qualifications and the public employer fills a training position, veterans' preference must be applied.

(3) A disabled veteran who receives 10 percentage points under subsection (1)(b) may not receive an additional 5 percentage points under subsection (1)(a).

(4) Whenever a public employer uses a selection procedure other than a scored procedure, the public employer shall give preference to a disabled veteran, *a person with a disability, a veteran, an* eligible relative *as defined in 39-29-101, and an eligible spouse as defined in 39-30-103*, ~~or veteran,~~ in that order, over any nonpreferred applicant holding substantially equal qualifications, as defined in 39-30-103.

*(5) The preference under this section may include a guaranteed job interview for a veteran who meets the required qualifications for the position and has requested a preference, as provided in 39-29-103, if the public employer provides for a job interview preference by rule or ordinance. The guarantee of a job interview is not part of the preference claim that may be enforced as provided in 39-29-104.*"

**Section 2.** Section 39-29-103, MCA, is amended to read:

**"39-29-103. Notice and claim of preference.** (1) A public employer shall, by posting or on the application form, give notice of the preference provided in 39-29-102.

(2) A job applicant who believes that the applicant is eligible to receive a preference shall claim the preference in writing before the time for filing applications for the position involved has passed. Failure to make a timely preference claim for a position is a complete defense to an action instituted by an applicant under 39-29-104 with regard to that position.

(3) If an applicant for a position makes a timely written preference claim, the public employer*:*

*(a) may, under an existing rule or ordinance implementing this subsection (3)(a), guarantee to a veteran a job interview for a position for which the veteran meets the required qualifications and has submitted a preference claim; and*

*(b)* shall give written notice of its hiring decision to the applicant claiming preference."

**Section 3.** Section 39-29-112, MCA, is amended to read:

**"39-29-112. Adoption of rules.** The department of administration shall adopt rules implementing this chapter*, except that the decision of whether to*

*guarantee a job interview to a veteran is a decision that may be made by a local government by ordinance*. The department's rules apply to all local and state public employers."

**Section 4.** Section 39-30-103, MCA, is amended to read:

**"39-30-103. Definitions.** For the purposes of this chapter, the following definitions apply:

(1) "Eligible spouse" means the spouse of a person with a disability determined by the department of public health and human services to have a 100% disability and who is unable to use the employment preference because of the person's disability.

(ii) an organic or mental impairment that has substantial adverse effects on an individual's cognitive or volitional functions.

(b) The term mental impairment does not include alcoholism or drug addiction and does not include any mental impairment, disease, or defect that has been asserted by the individual claiming the preference as a defense to any criminal charge.

(4) "Person with a disability" means*:*

*(a)* an individual certified by the department of public health and human services to have a physical or mental impairment that substantially limits one or more major life activities, such as writing, seeing, hearing, speaking, or mobility, and that limits the individual's ability to obtain, retain, or advance in employment*; or*

*(b) any disabled veteran as defined in 39-29-101, except that the disabled veteran must be discharged under honorable conditions as defined in 39-29-101.*

(5) "Position" means a position occupied by a permanent or seasonal employee as defined in 2-18-101 for the state or a position occupied by a similar permanent or seasonal employee with a public employer other than the state. However, the term does not include:

(a) a position occupied by a temporary employee as defined in 2-18-101 for the state or a similar temporary employee with a public employer other than the state;

(b) a state or local elected official;

(c) employment as an elected official's immediate secretary, legal adviser, court reporter, or administrative, legislative, or other immediate or first-line aide;

(e) appointment by an elected official to a public office if the appointment is provided for by law;

(f) a department head appointment by the governor or an executive department head appointment by a mayor, city manager, county commissioner, or other chief administrative or executive officer of a local government;

(g) engagement as an independent contractor or employment by an independent contractor; or

(h) a position occupied by a student intern, as defined in 2-18-101.

(6) (a) "Public employer" means:

(i) any department, office, board, bureau, commission, agency, or other instrumentality of the executive, judicial, or legislative branch of the government of the state of Montana; and

(ii) any county, city, or town.

(b) The term does not include a school district, a vocational-technical program, a community college, the board of regents of higher education, the Montana university system, a special purpose district, an authority, or any political subdivision of the state other than a county, city, or town.

(7) "Substantially equal qualifications" means the qualifications of two or more persons among whom the public employer cannot make a reasonable determination that the qualifications held by one person are significantly better suited for the position than the qualifications held by the other persons."

**Section 5.** Section 39-30-107, MCA, is amended to read:

**"39-30-107. Certification of persons with disabilities.** ~~The~~ *Except for a disabled veteran, who must be certified as disabled by the U.S. department of veterans affairs, the* department of public health and human services shall certify persons with disabilities for the purpose of employment preference as provided in this chapter."

**Section 6.** Section 39-30-201, MCA, is amended to read:

**"39-30-201. Employment preference in initial hiring.** (1) ~~(a)~~ Except as provided in 10-2-402 *and subsection (3) of this section*, in an initial hiring for a position, if a job applicant who is a person with a disability or eligible spouse meets the eligibility requirements contained in 39-30-202 and claims a preference as required by 39-30-206, a public employer shall hire the applicant over any other applicant with substantially equal qualifications who is not a preference-eligible applicant.

~~(b) In an initial hiring, a public employer shall hire a person with a disability over any other preference-eligible applicant with substantially equal qualifications.~~

(2) The employment preference provided for in subsection (1) does not apply to a personnel action described in 39-30-103(2)(b) or to any other personnel action that is not an initial hiring.

*(3) To minimize confusion between 39-29-102 and this section, if a public employer in an initial hiring for a position uses a scoring procedure, the employer shall follow the guidelines in 39-29-102 if an applicant requests a veterans' or disabled veterans' preference. If a scoring procedure is not used, the employer shall provide preference first to a disabled veteran, then to a person with a disability, a veteran, an eligible relative as defined in 39-29-101, and an eligible spouse as defined in 39-30-103, in that order, over any applicant that does not have preference eligibility and that has substantially equal qualifications.*"

**Section 1. Reasonable suspicion required before strip search.** A person arrested or detained for a traffic offense or an offense that is not a felony may not be subjected to a strip search or a body cavity search by a peace officer or law enforcement employee unless there is reasonable suspicion to believe the person is concealing a weapon, contraband, or evidence of the commission of a crime.

## CHAPTER NO. 193

[SB 259]

AN ACT ALLOWING A COURT TO VACATE CERTAIN CONVICTIONS WHEN THE OFFENDER WAS A VICTIM OF TRAFFICKING FOR COMMERCIAL SEXUAL ACTIVITY.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Motion to vacate prostitution conviction — trafficking victims.** (1) On the motion of a person, a court may vacate the person's conviction of the offense of prostitution under 45-5-601 if the court finds that the person's participation in the offense was a result of having been a victim of trafficking for commercial sexual activity under 45-5-306 or of sex trafficking under the federal Trafficking Victims Protection Act, 22 U.S.C. 7103 through 7112.

(2) The motion must:

(a) be made within a reasonable time after the person ceased to be involved in trafficking for commercial sexual activity or sought services for trafficking victims, subject to reasonable concerns for the safety of the person, family members of the person, or other victims of trafficking who could be jeopardized by filing a motion under this section; and

(b) state why the facts giving rise to the motion were not presented to the court during the prosecution of the person.

(3) Official documentation from a local government or a state or federal agency of the person's status as a victim of trafficking for commercial sexual activity creates a rebuttable presumption that the person's participation in the offense of prostitution was a result of having been a victim of trafficking for commercial sexual activity.

**Section 2.** Section 76-3-608, MCA, is amended to read:

**"76-3-608. Criteria for local government review.** (1) The basis for the governing body's decision to approve, conditionally approve, or deny a proposed subdivision is whether the subdivision application, preliminary plat, applicable environmental assessment, public hearing, planning board recommendations, or additional information demonstrates that development of the proposed subdivision meets the requirements of this chapter. A governing body may not deny approval of a proposed subdivision based solely on the subdivision's impacts on educational services or based solely on parcels within the subdivision having been designated as wildland-urban interface parcels under 76-13-145.

(2) The governing body shall issue written findings of fact that weigh the criteria in subsection (3), as applicable.

(3) A subdivision proposal must undergo review for the following primary criteria:

(a) except when the governing body has established an exemption pursuant to subsection (6) of this section or except as provided in 76-3-509, 76-3-609(2) or (4), or 76-3-616, the impact on agriculture, agricultural water user facilities, local services, the natural environment, wildlife, wildlife habitat, and public health and safety;

(b) compliance with:

(i) the survey requirements provided for in part 4 of this chapter;

(ii) the local subdivision regulations provided for in part 5 of this chapter; and

(iii) the local subdivision review procedure provided for in this part;

(c) the provision of easements within and to the proposed subdivision for the location and installation of any planned utilities; and

(d) the provision of legal and physical access to each parcel within the proposed subdivision and the required notation of that access on the applicable plat and any instrument of transfer concerning the parcel.

(4) The governing body may require the subdivider to design the proposed subdivision to reasonably minimize potentially significant adverse impacts identified through the review required under subsection (3). The governing body shall issue written findings to justify the reasonable mitigation required under this subsection (4).

(5) (a) In reviewing a proposed subdivision under subsection (3) and when requiring mitigation under subsection (4), a governing body may not unreasonably restrict a landowner's ability to develop land, but it is recognized that in some instances the unmitigated impacts of a proposed development may be unacceptable and will preclude approval of the subdivision.

(b) When requiring mitigation under subsection (4), a governing body shall consult with the subdivider and shall give due weight and consideration to the expressed preference of the subdivider.

(6) A governing body may conditionally approve or deny a proposed subdivision as a result of the water and sanitation information provided pursuant to 76-3-622 or public comment received pursuant to 76-3-604 on the information provided pursuant to 76-3-622 only if the conditional approval or

denial is based on existing subdivision, zoning, or other regulations that the governing body has the authority to enforce.

(7) A governing body may not require as a condition of subdivision approval that a property owner waive a right to protest the creation of a special improvement district or a rural improvement district for capital improvement projects that does not identify the specific capital improvements for which protest is being waived. A waiver of a right to protest may not be valid for a time period longer than 20 years after the date that the final subdivision plat is filed with the county clerk and recorder.

*(8) A governing body may not approve a proposed subdivision if any of the features and improvements of the subdivision encroach onto adjoining private property in a manner that is not otherwise provided for under chapter 4 or this chapter or if the well isolation zone of any proposed well to be drilled for the proposed subdivision encroaches onto adjoining private property unless the owner of the private property authorizes the encroachment. For the purposes of this section, "well isolation zone" has the meaning provided in 76-4-102.*"

**Section 3.** Section 76-4-102, MCA, is amended to read:

(c) Public utilities shall proportionately allocate the purchase required under subsection (3)(b) based on each public utility's retail sales of electrical energy in Montana in the calendar year 2011.

(4) (a) In the compliance year beginning January 1, 2015, and in each succeeding compliance year, each public utility and competitive electricity supplier*, except as provided in subsection (13),* shall procure a minimum of 15% of its retail sales of electrical energy in Montana from eligible renewable resources.

(b) (i) As part of their compliance with subsection (4)(a), public utilities shall purchase both the renewable energy credits and the electricity output from community renewable energy projects that total at least 75 megawatts in nameplate capacity.

(ii) In meeting the standard in subsection (4)(b)(i), a public utility may include purchases made under subsection (3)(b).

(c) Public utilities shall proportionately allocate the purchase required under subsection (4)(b) based on each public utility's retail sales of electrical energy in Montana in the calendar year 2014.

(5) (a) In complying with the standards required under subsections (2) through (4), a public utility or competitive electricity supplier shall, for any given compliance year, calculate its procurement requirement based on the public utility's or competitive electricity supplier's previous year's sales of electrical energy to retail customers in Montana.

(b) The standards in subsections (2) through (4) must be calculated on a delivered-energy basis after accounting for any line losses.

(6) A public utility or competitive electricity supplier has until 3 months following the end of each compliance year to purchase renewable energy credits for that compliance year.

(7) (a) In order to meet the standards established in subsections (2) through (4), a public utility or competitive electricity supplier may only use:

(i) electricity from an eligible renewable resource in which the associated renewable energy credits have not been sold separately;

(ii) renewable energy credits created by an eligible renewable resource purchased separately from the associated electricity; or

(iii) any combination of subsections (7)(a)(i) and (7)(a)(ii).

(b) A public utility or competitive electricity supplier may not resell renewable energy credits and count those sold credits against the public utility's or the competitive electricity supplier's obligation to meet the standards established in subsections (2) through (4).

(c) Renewable energy credits sold through a voluntary service such as the one provided for in 69-8-210(2) may not be applied against a public utility's or competitive electricity supplier's obligation to meet the standards established in subsections (2) through (4).

(8) Nothing in this part limits a public utility or competitive electricity supplier from exceeding the standards established in subsections (2) through (4).

(9) If a public utility or competitive electricity supplier exceeds a standard established in subsections (2) through (4) in any compliance year, the public utility or competitive electricity supplier may carry forward the amount by which the standard was exceeded to comply with the standard in either or both of the 2 subsequent compliance years. The carryforward may not be double-counted.

(10) Except as provided in subsections (11) and (12), if a public utility or competitive electricity supplier is unable to meet the standards established in subsections (2) through (4) in any compliance year, that public utility or competitive electricity supplier shall pay an administrative penalty, assessed by the commission, of $10 for each megawatt hour of renewable energy credits that the public utility or competitive electricity supplier failed to procure. A public utility may not recover this penalty in electricity rates. Money generated from these penalties must be deposited in the universal low-income energy assistance fund established in 69-8-412(1)(b).

(11) A public utility or competitive electricity supplier may petition the commission for a short-term waiver from full compliance with the standards in subsections (2) through (4) and the penalties levied under subsection (10). The petition must demonstrate that the:

(a) public utility or competitive electricity supplier has undertaken all reasonable steps to procure renewable energy credits under long-term contract, but full compliance cannot be achieved either because renewable energy credits cannot be procured or for other legitimate reasons that are outside the control of the public utility or competitive electricity supplier; or

(b) integration of additional eligible renewable resources into the electrical grid will clearly and demonstrably jeopardize the reliability of the electrical system and that the public utility or competitive electricity supplier has undertaken all reasonable steps to mitigate the reliability concerns.

(12) (a) Retail sales made by a competitive electricity supplier according to prices, terms, and conditions of a written contract executed prior to April 25, 2007, are exempt from the standards in subsections (2) through (4).

(b) The exemption provided for in subsection (12)(a) is terminated upon modification after April 25, 2007, of the prices, terms, or conditions in a written contract.

*(13) (a) A competitive electricity supplier with four or fewer small customers in Montana is exempt from the requirements of subsections (2) through (4).*

*(b) For the purposes of determining the number of small customers served by a competitive electricity supplier, an entity that purchases electricity for*

*commercial or industrial use and does not resell electricity to others is one small customer regardless of the number of its metered locations.*"

**Section 3. Effective date.** [This act] is effective on passage and approval.

Roads left open at the landowner's request must be sized to support the use of the road after opencut operations.

(iii) at the first seasonal opportunity, seeds or plants all affected land with vegetative species that meet the requirements of 82-4-434.

*(3) At the operator's request and with department approval, the operator may have up to 1 additional year to perform the reclamation required by subsection (2)(c), provided the operator does not apply to extend or continue the limited opencut operation pursuant to subsection (4).*

*(b) The permit application must be complete within 180 days of the department's receipt of the limited opencut operation form.*

*(c) If the complete permit application is acceptable within 1 year of the department's receipt of the limited opencut operation form, the provisions of subsections (2)(c)(ii) and (2)(c)(iii) do not apply and reclamation must be conducted as prescribed in the permit.*

*(d) If the complete permit application is not acceptable within 1 year of the department's receipt of the limited opencut operation form, the application is considered abandoned and void. Starting 3 days after the department notifies the applicant that the application is considered abandoned and void, the applicant has 180 days to complete the reclamation provided for in subsections (2)(c)(ii) and (2)(c)(iii).*

*(e) If the permit application is withdrawn by the applicant within 1 year of the department's receipt of the limited opencut operation form, the reclamation provided for in subsections (2)(c)(ii) and (2)(c)(iii) must be completed within 180 days of the date of the withdrawal.*

~~(3)~~*(5)* The department may refuse to approve an application for issuance of a permit under subsection (1) or may prohibit the operator from conducting an opencut operation under subsection (2) if, at the time of notification by the operator to the department, the operator has a pattern of violations or is in current violation of this part, rules adopted under this part, or provisions of a permit.

~~(4)~~*(6)* The department may require an additional bond as a condition for the conduct of an opencut operation under subsection (2).

~~(5)~~*(7)* Opencut operations described in subsection (2) may not occur:

(a) in ephemeral, intermittent, or perennial streams;

(b) in an area where the opencut operation will intercept surface water, ground water, or any slope that is steeper than 3:1; or

(c) in any area where mining would be restricted by other laws.

~~(6)~~*(8)* Sand and gravel opencut operations must meet applicable local zoning regulations adopted under Title 76, chapter 2."

If the department determines that the application is not complete, the department shall notify the applicant in writing and include a detailed identification of information necessary to make the application complete.

(ii) The time limit provided in subsection (4)(a)(i) applies to each submittal of the application until the department determines that the application is complete.

(b) (i) A determination that an application is complete does not ensure that the application is acceptable and does not limit the department's ability to request additional information or inspect the site during the review process.

(ii) Upon determining that an application is complete, the department shall begin reviewing the application for acceptability pursuant to this section.

(iii) The department shall accept public comment throughout the review process.

(c) The department may declare an application abandoned and void if:

If the notice does not include a map, the applicant shall promptly provide a paper copy to a requestor.*

(b) mail the notice by first-class mail to the board of county commissioners of the county in which the proposed opencut operation is located and to surface owners of land located within one-half mile of the boundary of the proposed opencut permit area using the most current known owners of record as shown in the *paper or electronic* records of the county clerk and recorder ~~in~~ *for* the county where the proposed opencut operation is located;

(7) (a) Except as provided in subsection (7)(b), the department shall accept requests for a public meeting for 45 days after the department sends notice to the applicant of a complete application. Within this period, unless a public meeting is required pursuant to subsection (9), the department shall notify the applicant as to whether or not the application is acceptable pursuant to subsection (10).

(b) If the applicant and the department mutually agree or the applicant submits documentation ~~to~~ *on a form provided by* the department showing that a public meeting will not be required pursuant to subsection (9), the department

shall inform the applicant within 30 days of the notice of a complete application as to whether or not the application is acceptable pursuant to subsection (10).

(b) To provide notice for a public meeting, the department shall notify by first-class mail *or electronically* the property owners on the list provided by the applicant pursuant to this section and the board of county commissioners in the county where the proposed opencut operation is located.

(10) (a) An application is acceptable if it complies with the requirements of subsections (1) and (2) and includes a plan of operation that satisfies the requirements of 82-4-434 and rules adopted pursuant to this part related to 82-4-434. If the department determines that the application is not acceptable, the department shall notify the applicant in writing and include a detailed identification of all deficiencies.

(c) If the application is acceptable, the department shall issue a permit to the operator that entitles the operator to engage in the opencut operation on the land described in the application.

(11) (a) An operator may amend a permit by submitting an amendment application to the department. Upon receipt of the amendment application, the department shall review it in accordance with the requirements and procedures in this section. If the amendment application is acceptable, the department shall issue an amendment to the original permit.

(b) An application for an amendment is not subject to the public notice or public meeting requirements of this section or an extended review pursuant to 82-4-439 unless it proposes an increase in permitted acreage of 50% or more of the amount of permitted acreage in the ~~original~~ *current* permit.

(c) For amendment applications not subject to the public notice and public meeting requirements of this section, the department shall, within 45 days of notifying the applicant that the application is complete, notify the applicant as to whether or not the application is acceptable pursuant to subsection (10) ~~or that the application requires an extended review pursuant to 82-4-439~~.

**Section 7.** Section 82-4-433, MCA, is amended to read:

**"82-4-433. Bond.** (1) Before a permit or permit amendment may be issued, a surety bond made payable to the state of Montana and conditioned upon the operator's full compliance with all requirements of this part, the rules adopted under this part, and the permit must be submitted to and approved by the department. The bond must be signed by the applicant as principal and by a good and sufficient corporate surety licensed to do business in the state of Montana. The bond amount must be determined by the department at the cost of reclamation of the affected land by the department. The applicant shall submit a bond that is no less than the amount determined by the department.

(2) (a) For opencut operations on federal land within the state, the department may accept a bond payable to the state of Montana and the federal agency administering the land. The bond must provide at least the same amount of financial guarantee as required by this part.

(b) The bond must provide that the department may forfeit the bond without the concurrence of the federal land management agency. The bond may provide that the federal land management agency may forfeit the bond without the concurrence of the department. Upon forfeiture by either agency, the bond must be payable to the department and may also be payable to the federal land management agency. If the bond is payable to the department and the federal land management agency, the department, before accepting the bond, shall enter into an agreement or memorandum of understanding with the federal land management agency providing for administration of the bond funds in a manner that will allow the department to provide for compliance with the requirements of this part, the rules adopted under this part, and the permit.

(3) In lieu of submitting a surety bond pursuant to subsection (1), the operator may submit cash, ~~government securities~~ *a certificate of deposit*, a letter of credit in a form acceptable to the department, or a bond with property sureties in an amount equal to that of the required bond on conditions as prescribed in this part. In the discretion of the department, surety bond requirements may be fulfilled by the operator's posting a bond with land and improvements and facilities located on the land as security, in which event a surety may not be required but the department may require that the amount of the bond be adjusted to reimburse the department for foreclosure costs.

(4) The bond or other security must be increased or reduced as provided in this part.

(5) The bond or security remains in effect until the affected land has been reclaimed as provided under the permit and the department has approved the reclamation and released the bond or security. The bond or security may cover only actual affected land and must be increased or reduced to cover only unreclaimed acreages.

(6) If the license of a surety that has issued a bond filed with the department pursuant to this part is suspended or revoked, the operator, within 30 days after receiving notice of the suspension or revocation from the department, shall substitute a good and sufficient bond from another surety licensed to do business in the state or shall submit another type of security pursuant to subsection (3). Upon failure of the operator to make the bond substitution within the 30-day time period, the department shall suspend the permit of the operator to conduct opencut operations upon the land described in the permit until the substitution has been made. If the operator demonstrates in writing that the operator has been pursuing a replacement bond in good faith but additional time is necessary to complete the transaction, the department may grant up to an

additional 60 days for the operator to submit a replacement bond before suspending the permit.

(7) Whenever an operator has completed all of the reclamation requirements under the provisions of this part as to any affected land, the operator shall notify the department of the completed requirements and may request bond release. If the department releases the operator from further obligation regarding any affected land, the bond must be reduced proportionately. The department shall notify the operator and the landowner in writing of the decision on the bond release application."

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 15-1-706, MCA, is amended to read:

**"15-1-706. Execution upon warrant.** (1) Upon receipt of a copy of the filed warrant and notice from the department *by electronic or other means* that the applicable hearing provisions have been complied with, the sheriff or agent authorized to collect the tax shall proceed to execute upon the warrant in the same manner as prescribed for execution upon a judgment.

(2) A notice of levy may be made by means of a certified letter *or, upon written consent of the recipient, by electronic means* by an agent authorized to collect the tax. An agent is not entitled to any fee or compensation in excess of actual expenses incurred in enforcing the warrant.

(3) When issued, a notice of levy has the same force and effect as a writ of execution. A levy upon earnings continues in effect for 120 days or until the judgment is satisfied, whichever occurs first. The levy applies to all pay periods beginning during the 120-day period.

(4) A sheriff or agent shall return a warrant, along with any funds collected, within 90 days of the date of the warrant.

(5) If the warrant is returned not satisfied in full, the department has the same remedies to collect the deficiency as are available for any civil judgment."

**Section 2.** Section 25-13-402, MCA, is amended to read:

**"25-13-402. How writ executed.** (1) (a) The sheriff or levying officer shall, subject to subsections (6) and (7), execute the writ against the property of the judgment debtor not later than 120 days after receipt of the writ by:

(i) levying on a sufficient amount of property if there is sufficient property;

(ii) collecting or selling the things in action; and

(iii) selling the other property and paying to the judgment creditor or the judgment creditor's attorney as much of the proceeds as will satisfy the judgment.

(b) (i) If the third party is a corporation or other legal entity, service must be accomplished by personally serving the writ upon an officer or supervising employee of the third party or upon a department or person designated by the third party or by serving the writ by mail, as provided in subsection (1)(b)(ii).

(ii) Service by mail upon a corporation or other legal entity must be consented to in writing by the corporation or other legal entity and may be made by mailing a copy of the writ to an officer or supervising employee of the third party or to a department or person designated by the third party. Service may be mailed out of state, at the direction of the third party, if the third party processes garnishments or levies from a location outside the state. If service is by mail, it must be accompanied by a notice that the officer or employee receiving the writ

is required to forward the writ to the person responsible for processing the levy for the third party if the officer or employee initially receiving the writ is not the proper party to process the levy. The writ must be considered served on the date and time that the writ is received by the officer, supervising employee, or designee of the third party, but not later than 5 business days after it is mailed.

(c) A levy under subsection (1)(b) is effective when the writ is served by personal service or by mail as provided in subsection (1)(b)(ii).

When the sheriff or levying officer determines that there is more property of the judgment debtor than is sufficient to satisfy the judgment and accruing costs, the sheriff or levying officer shall levy only on the part of the property that the judgment debtor may indicate if the property indicated is sufficient to satisfy the judgment and costs.

(3) With respect to property held by a third party, including but not limited to banks, credit unions, and other financial institutions and those parties identified in 25-13-306, the third party shall respond to the levy based on the assets held at the time of levy. Response must be made within 10 business days following the date of the levy by delivering the assets or payments to the sheriff or levying officer.

(4) Except for perishable property, the sheriff or levying officer shall hold any property or money levied upon for 10 days, excluding weekends and holidays, following notification of execution upon the judgment debtor. After that time, the sheriff or levying officer may sell the property and pay the money to the judgment creditor.

(5) If the first levy is not sufficient to satisfy the writ, the sheriff or levying officer may levy, from time to time and as often as necessary, within the 120 days until the judgment is satisfied or the writ expires.

(6) (a) A levy upon the earnings of a judgment debtor continues in effect for 120 days or until the judgment is satisfied, whichever occurs first. The levy applies to earnings due on or after the date of service through the expiration of the writ. Earnings withheld from a judgment debtor must be remitted to the sheriff or levying officer within 5 days of the day the earnings are withheld.

(b) The sheriff or levying officer shall clearly mark the expiration date upon all served copies of the writ and notice.

(c) Except as provided in subsection (8), multiple levies served under this subsection (6) have priority according to the date and time of service upon the employer.

(d) The return of service on a levy upon the earnings of a judgment debtor is returned in the same manner provided for in 25-13-404.

(7) *(a)* A levy upon a state tax refund or any other funds that are due to the judgment debtor from a Montana state agency continues in effect for 120 days or until the judgment is satisfied, whichever occurs first.

*(b) Upon written consent of the department of revenue, service of the writ upon the department may be accomplished by electronic means.*

*(c)* The levy applies to any funds due on or after the date of service through the expiration of the writ.

*(d)* Payment of funds withheld from a judgment debtor must be remitted to the sheriff or levying officer within 10 days of the date the funds would have been sent to the judgment debtor in the normal course of business. Any levy on state funds is subordinate to the department of revenue's right of offset for

delinquent taxes or other debt as provided in 15-30-2609, 15-30-2629, 15-31-404, 15-36-315, 15-39-106, 15-39-109, 15-68-516, 15-70-110, 15-72-113, Title 17, chapter 4, and 39-51-1307.

(8) This section is not intended to supersede any state or federal laws regarding priority that must be given to certain levies and executions."

**Section 3. Rulemaking.** The department shall adopt rules to define and implement service of process by electronic means where authorized by law.

**Section 4. Codification instruction.** [Section 3] is intended to be codified as an integral part of Title 15, chapter 1, part 7, and the provisions of Title 15, chapter 1, part 7, apply to [section 3].

(d) Upon approval by the board, the affected owner may cite the disclaimer of interest to support an ownership claim in a quiet title action filed in a district court.

(e) Upon obtaining a quiet title judgment on the abandoned channel, the affected owner shall notify the department of revenue and the clerk and recorder of the county in which the affected property is located of the change in ownership and submit any information necessary to update the applicable ownership records.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Short title.** [Sections 1 through 4] may be cited as the "Targeted Economic Development District Act".

**Section 2. Legislative findings — purpose.** The legislature finds and declares that:

(1) infrastructure-deficient areas exist in the local governments of the state and constitute a serious impediment to the development of infrastructure-intensive, value-adding economic development in Montana;

(2) local governments lack sufficient capital to rectify the infrastructure shortage in infrastructure-deficient areas, thus impeding their ability to achieve economic growth through the development of value-adding industries;

(3) the creation of infrastructure in support of value-adding economic development is a matter of state policy and state concern because the state and its local governments will continue to suffer economic dislocation due to the lack of value-adding industries; and

(4) the state's tax increment financing laws should be used to encourage the creation of areas in which needed infrastructure for value-adding industries could be developed.

**Section 3. Targeted economic development districts.** (1) A local government may, by ordinance and following a public hearing, authorize the creation of a targeted economic development district in support of value-adding economic development projects. The purpose of the district is the development of infrastructure to encourage the location and retention of value-adding projects in the state.

(2) A targeted economic development district:

(a) must consist of a continuous area with an accurately described boundary that is large enough to host a diversified tenant base of multiple independent tenants;

(b) must be zoned for use in accordance with the area growth policy, as defined in 76-1-103;

(c) may not comprise any property included within an existing tax increment financing district;

(d) must, prior to its creation, be found to be deficient in infrastructure improvements as stated in the resolution of necessity adopted under [section 4];

(e) must, prior to its creation, have in place a comprehensive development plan adopted by the local governments that ensures that the district can host a diversified tenant base of multiple independent tenants; and

(f) may not be designed to serve the needs of a single district tenant or group of nonindependent tenants.

(3) The local government may use tax increment financing pursuant to the provisions of 7-15-4282 through 7-15-4294 for the targeted economic development district. If the local government uses tax increment financing, the use of and purpose for tax increment financing must be specified in the comprehensive development plan required in subsection (2)(e).

(4) For the purposes of [sections 1 through 4]:

(a) "secondary value-added products or commodities" means products or commodities that are manufactured, processed, produced, or created by changing the form of raw materials or intermediate products into more valuable products or commodities that are capable of being sold or traded in interstate commerce;

(b) "secondary value-adding industry" means a business that produces secondary value-added products or commodities or a business or organization that is engaged in technology-based operations within Montana that, through the employment of knowledge or labor, adds value to a product, process, or export service resulting in the creation of new wealth.

**Section 4. Resolution of necessity required for targeted economic development district.** A local government may not exercise the powers provided in part 43 or this part unless it has adopted a resolution of necessity finding that:

(1) one or more infrastructure-deficient areas exist in the local government; and

(2) the infrastructure improvement of the area is necessary for the welfare of the residents of the local government.

**Section 5.** Section 7-15-4282, MCA, is amended to read:

**"7-15-4282. Authorization for tax increment financing.** (1) ~~Any~~ *An* urban renewal plan as defined in 7-15-4206~~, industrial district ordinance adopted pursuant to 7-15-4299, technology district ordinance adopted pursuant to 7-15-4295, or aerospace transportation and technology district ordinance adopted pursuant to 7-15-4296~~ *or a targeted economic development district comprehensive development plan created as provided in [section 3]* may contain a provision or be amended to contain a provision for the segregation and application of tax increments as provided in 7-15-4282 through ~~7-15-4299~~ *7-15-4294*.

ARTICLE III

WATER RIGHT

The Parties agree that the following water rights are in settlement of the reserved water rights claims of the United States for the Monument. All water rights described in this Article are subject to Article IV of this Compact as well as any specific additional conditions set forth below.

A. Priority Date. The United States' water rights for instream flow purposes within the Upper Missouri River Breaks National Monument that are described herein have a priority date of January 17, 2001. The United States' January 17, 2001, water rights are subordinate in priority to water rights Recognized Under

State Law existing on June 1, 2012. Accordingly, any water right Recognized Under State Law with a priority date before June 1, 2012, is not subject to call by the United States in the exercise of the Reserved Water Right.

B. Instream Flow. The United States has water rights for minimum instream flows in the Judith River and Arrow Creek as follows:

1. The Judith River. From the point furthest upstream where the Monument boundary crosses the mainstem river channel on the southern boundary of the NW 1/4 SE 1/4 of section 2, T.21N., R.16E., MPM, to the confluence with the Missouri River. The water right is in the amount of an instream flow rate of one hundred and sixty (160) cubic feet per second (cfs), to be measured at the United States Geological Survey (USGS) Gaging Station #06114700 near the confluence of the Judith River with the Missouri River. The period of use for this right is from January 1 to December 31.

2. Arrow Creek. From the point furthest upstream where the Monument Boundary crosses the mainstem creek channel on the western boundary of the SW 1/4 of section 6, T.20N., R.15E., MPM, to the confluence with the Missouri River. The water right is in the amount of an instream flow rate of five (5) cfs enforceable at the point immediately upstream of the confluence of Arrow Creek and Flat Creek in the SE 1/4 NE 1/4 of section 6, T.22N., R15E., MPM (the designated enforcement point). The period of use for this right is from March 1 to July 31.

i. Provision for Alternate Enforcement Location. The parties recognize that measurement at the confluence of Arrow Creek and Flat Creek may be difficult to administer and that measurement at an upstream point may be more feasible. The enforceable level of the flow rate shall be adjusted to an amount proportional to the 5 cfs if measurement is conducted at an upstream measurement point rather than at the designated enforcement point described above. The Proportionally Enforceable Stream Flow shall be determined jointly by the BLM and the Department, after additional stream flow monitoring is conducted by the BLM to provide the Parties sufficient data to make a determination. Prior to implementing a Proportionally Enforceable Stream Flow, the Parties shall: (1) provide notice to water users in the affected basin of the proposed revision to the enforceable amount; (2) hold at least one meeting in Stanford, Montana, preceded by such notice as may be required under State law for public meetings, at which the Parties shall explain the proposed revision; and (3) provide a reasonable period for receipt of any written public comment concerning the proposed revision. Any future revision of the designated enforcement point and implementation of a Proportionally Enforceable Stream Flow as provided in this section shall be based solely on stream flow monitoring considerations and shall be subject to the same conditions as provided above. Such future revision shall not be considered a modification of this Compact or an enlargement or diminution of the 5 cfs instream flow right in Arrow Creek.

C. Stream Reaches on which new mainstem impoundments will be prohibited after the Effective Date of the Compact.

1. The Judith River. From the confluence of the Middle and South Forks of the Judith River downstream to its confluence with the Missouri River.

2. Arrow Creek. From its confluence with Hay Creek downstream to its confluence with the Missouri River.

## ARTICLE V
## GENERAL PROVISIONS

A. No Effect on Tribal Rights or Other Federal Reserved Water Rights.

1. The relationship between the water rights of the Bureau of Land Management described herein and any rights to water of an Indian Tribe in Montana, or of any federally derived water right of an individual, or of the United States on behalf of such Tribe or individual shall be determined by the rule of priority.

2. Nothing in this Compact may be construed or interpreted in any manner to establish the nature, extent, or manner of administration of the rights to water of any Indian Tribes and Tribal members in Montana.

3. Nothing in this Compact is otherwise intended to conflict with or abrogate a right or claim of an Indian Tribe regarding boundaries or property interests in the State of Montana.

4. Nothing in this Compact may be construed or interpreted in any manner to establish the nature, extent, or manner of administration of the rights to water of any other federal agency or federal lands in Montana other than those of the Bureau of Land Management for the Upper Missouri River Breaks National Monument.

(16) "Stacked" means a series of impoundments on the same stream placed in proximity to one another such that water impounded by a down-stream dam reaches an elevation less than or equal to five feet below the elevation of the base of the embankment of the next upstream dam.

(17) "State" means the State of Montana and all officers, agents, departments, and political subdivisions thereof. Unless otherwise indicated, "state" means the Director of the Montana Department of Natural Resources and Conservation or the Director's designee.

(18) "United States" means the federal government and all officers, agencies, departments, and political subdivisions thereof. Unless otherwise indicated, for purposes of notification or consent other than service in litigation, "United States" means the Secretary of the Department of the Interior or the Secretary's designee.

## ARTICLE III
## WATER RIGHT

The Parties agree that the following water rights are in settlement of the reserved water rights claims of the United States for the Refuge. All water rights described in this Article are subject to Article IV of this compact as well as any specific additional conditions set forth below.

A. Priority date. The Reserved Right for stock, wildlife, and Wildlife Habitat uses within the Refuge described herein has a priority date of December 11, 1936. The United States agrees to subordinate its 1936 Reserved Right to water rights Recognized Under State Law existing on the Effective Date of this compact. Accordingly, any water right Recognized Under State Law with a priority date prior to the Effective Date of this compact is functionally senior in priority to any component of the Reserved Right and is not subject to a call for enforcement or administration by the United States in the exercise of the Reserved Right. The final decree for the United States' Reserved Right must include the above prohibition on call.

B. Quantified instream rights. The United States holds water rights in the following named streams from the point furthest upstream where the Refuge boundary crosses the mainstem stream channel to its confluence with Fort Peck Lake or the Missouri River. The water right is in the amount of one (1) or one-half (1/2) cubic feet per second (cfs) for instream use for the purposes of stock, wildlife, and Wildlife Habitat as set forth in Table 1 and the Abstracts attached to this compact as Appendix 1, and as depicted in Appendix 4. The period of use is from March 1 to June 30. The United States may exercise its quantified instream rights during the period of use provided by this Compact if water is available.

C. Instream Flow right on Musselshell River. The United States holds a water right in the Musselshell River from the point furthest upstream where the mainstem river channel enters U.S. Fish and Wildlife Service owned land within the Refuge (near the SESE of section 11, T.18N, R.29E) to its confluence with Fort Peck Lake as described in the Abstract attached to this compact as

Appendix 2. The water right is in the amount of a minimum instream flow of seventy (70) cfs. The water right is for the purposes of stock, wildlife, and Wildlife Habitat and must be Coextensive with any other non-consumptive instream uses during the specified period of use. The period of use for this right is from March 1 to June 30.

D. Wells, ponds, and springs. Water rights for wells, developed springs, and ponds will be recognized and quantified as set forth in the Abstracts attached to this compact as Appendix 3.

E. Conditions to be applied to permits issued after the Effective Date of the Compact. On the Restricted Reaches set forth in Table 2 and depicted in Appendix 5, no new on-stream impoundments may be constructed after the Effective Date of this Compact, except as provided by Article IV.C.

## COMPACT IMPLEMENTATION

A. Quantified reaches. Flows of designated quantified reaches set forth in Table 1 and Appendix 1 that are not already appropriated as of the Effective Date of this compact will be available for future development, subject to the Reserved Right and applicable permit conditions described herein. The Department may approve new uses after the Effective Date of this compact, but the Department shall condition any permit or approval of new uses to provide that such uses may not cause the quantified reaches to fall below the minimum flows set forth in Table 1 and Appendix 1 during the time period from March 1 to June 30. Appropriations occurring after the Effective Date of this compact will be subject to call by the United States in the exercise of the Reserved Right at any time streamflows are available but fall below the levels set forth in Table 1 and Appendix 1 of this compact, as measured where each quantified stream enters Fort Peck Lake or the Missouri River, or at the closest upstream confluence for those streams that intersect another stream before reaching Fort Peck Lake or the Missouri River, with a proper device for measurement of the waters flowing in the quantified reach.

B. Musselshell River. Musselshell River flows that are not already appropriated as of the Effective Date of this compact will be available for future development subject to the Reserved Right and applicable permit conditions described herein. The Department may approve new uses after the Effective Date of this compact but shall condition any permit or approval of new uses to provide that such uses may not cause the flow of the Musselshell River to fall

below seventy (70) cfs where the mainstem river channel enters U.S. Fish and Wildlife Service owned land within the Refuge during the period from March 1 to June 30. Appropriations occurring after the Effective Date of this compact will be subject to a call by the United States in the exercise of the Reserved Right at any time streamflow falls below 70 cfs for five (5) consecutive days.

C. Conditions to be applied to permits issued after the Effective Date of the compact. Impoundments of less than the capacity and appropriation limits excepted from permitting under 85-2-306, MCA, may be constructed on the stream reaches identified in Table 2 and Appendix 5. These impoundments may not be Stacked to achieve a volume greater than the statutory exception. The Department may permit no new on-stream impoundments that do not meet the permit exception requirements of 85-2-306, MCA, on the Restricted Reaches identified in Table 2 and Appendix 5.

1. Reclamation, repair, or rehabilitation of an existing impoundment may not be considered a new impoundment, except that reclamation, repair, or rehabilitation cannot cause the impoundment to exceed the storage volume listed on the statement of claim.

2. Off-stream impoundments larger than the capacity and appropriation limits excepted from permitting by 85-2-306, MCA, may be constructed and filled in accordance with state permitting requirements from a diversion works located on the stream reaches identified in Table 2 and Appendix 5; and

3. On-stream impoundments larger than the capacity and appropriation limits excepted from permitting by 85-2-306, MCA, may be constructed and filled in accordance with state permitting requirements on the streams identified in Table 2 and Appendix 5 upstream of the designated Restricted Reach.

D. Uses exempted from curtailment by the United States' exercise of the Reserved Right during times of shortage. During times when there is insufficient water to satisfy the Reserved Right, and curtailment of junior water rights is otherwise contemplated under Article III, the following water rights will not be subject to call or curtailment for the benefit of the Reserved Right:

1. Non-Consumptive Uses located upstream of the instream reaches identified in Table I and Appendix 1.

2. Groundwater uses of thirty-five (35) gallons per minute (gpm) or less not to exceed ten (10) AF per year.

3. Stockwater impoundments of less than fifteen (15) AF capacity and total appropriation less than thirty (30) AF per year.

4. Temporary emergency appropriations under 85-2-113(3), MCA.

5. An application submitted pursuant to 85-20-1401, MCA, Article VI.

6. An application for a permit to appropriate surface water to conduct response actions related to natural resource restoration required for:

a. Remedial actions pursuant to the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. 9601, et seq.;

b. Aquatic resource activities carried out in compliance with and as required by the federal Clean Water Act of 1977, 33 U.S.C. 1251-1387; or

c. Remedial actions taken pursuant to Title 75, chapter 10, part 7.

E. Action for enforcement of provisions of Article III. The United States may file an original action in a court of competent jurisdiction to enforce the provisions of Article III at any time. The United States cannot be required to

exhaust any administrative remedies in order to enforce Article III of this compact.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 75-20-303, MCA, is amended to read:

**"75-20-303. Opinion issued with decision — contents.** (1) In rendering a decision on an application for a certificate, the department shall issue an opinion stating its reasons for the action taken.

(c) The time limit may be extended for a reasonable period upon a showing by the applicant to the department that a good faith effort is being undertaken to complete construction under subsections (4)(a)(i) and (4)(a)(ii). Under this subsection, a good faith effort includes the process of acquiring any necessary state or federal permit or certificate for the facility and the process of judicial review of a permit or certificate.

*(d) By mailing the notice as provided in subsection (5)(c), the notice requirements in subsection (5)(b) are satisfied.*

~~(b)~~*(e)* The department shall site a corridor of at least 500 feet in width for the facility within the 1-mile-wide corridor in accordance with 75-20-301. *If the department determines that it will select a facility siting corridor that is completely or partially different from the preferred alternative facility siting corridor described in the draft environmental review, it shall, before issuing the certificate, provide notice of its intended facility siting corridor and an opportunity to comment to property owners within the 1-mile-wide facility siting corridor that deviates from the preferred alternative. Property owners must be determined and notice must be given in the same manner as provided in subsection (5)(b).*

The adjustment must be accompanied by the written agreement of the affected property owner and all contiguous property owners that would be affected. The submission must include a map showing the approved facility location and the proposed adjustment.

(b) The certificate holder may construct the facility as described in the submission unless the department notifies the certificate holder within 15 days of the submission that the department has determined that:

(i) the adjustment would change the basis of any finding required under 75-20-301 to the extent that the department would have selected a different location for the facility; or

(ii) the adjustment would materially increase unmitigated adverse impacts.

(c) Siting of a facility within the corridor designated pursuant to subsection (5) or an adjustment pursuant to subsection (6)(a) is not subject to:

(i) Title 75, chapter 1, part 2;

(ii) a certificate amendment under 75-20-219; or

AN ACT REVISING ETHICS VIOLATION LAWS FOR THE OFFICE OF THE COMMISSIONER OF POLITICAL PRACTICES; PROHIBITING THE COMMISSIONER FROM ENGAGING IN PRIVATE BUSINESS DURING THE OFFICE HOURS OF THE COMMISSIONER; PROVIDING FOR THE RESOLUTION OF CHARGES OF ETHICS VIOLATIONS BY THE COMMISSIONER OF POLITICAL PRACTICES; AND AMENDING SECTIONS 2-2-136, 13-37-108, AND 13-37-111, MCA.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 2-2-136, MCA, is amended to read:

**"2-2-136. Enforcement for state officers, legislators, and state employees — referral of complaint involving county attorney.** (1) (a) A person alleging a violation of this part by a state officer, legislator, or state employee may file a complaint with the commissioner of political practices. The commissioner does not have jurisdiction for a complaint concerning a legislator if a legislative act is involved in the complaint. The commissioner also has jurisdiction over complaints against a county attorney that are referred by a local government review panel pursuant to 2-2-144 or filed by a person directly with the commissioner pursuant to 2-2-144(6). *If a complaint is filed against the commissioner or another individual employed in the office of the commissioner, the complaint must be resolved in the manner provided for in 13-37-111(5).* The commissioner may request additional information from the complainant or the person who is the subject of the complaint to make an initial determination of whether the complaint states a potential violation of this part.

(b) The commissioner may dismiss a complaint that is frivolous, does not state a potential violation of this part, or does not contain sufficient allegations to enable the commissioner to determine whether the complaint states a potential violation of this part. If the issues presented in a complaint have been addressed and decided in a prior decision and the commissioner determines that no additional factual development is necessary, the commissioner may issue a summary decision without holding an informal contested case hearing on the complaint.

(c) Except as provided in subsection (1)(b), if the commissioner determines that the complaint states a potential violation of this part, the commissioner shall hold an informal contested case hearing on the complaint as provided in Title 2, chapter 4, part 6. The commissioner shall issue a decision based upon the record established before the commissioner.

(2) (a) Except as provided in subsection (2)(b), if the commissioner determines that a violation of this part has occurred, the commissioner may impose an administrative penalty of not less than $50 or more than $1,000.

(b) If the commissioner determines that a violation of 2-2-121(4)(b) has occurred, the commissioner may impose an administrative penalty of not less than $500 or more than $10,000.

(c) If the violation was committed by a state employee, the commissioner may also recommend that the employing state agency discipline the employee.

The employing entity of a state employee may take disciplinary action against an employee for a violation of this part, regardless of whether the commissioner makes a recommendation for discipline. The commissioner may assess the costs of the proceeding against the person bringing the charges if the commissioner determines that a violation did not occur or against the officer or employee if the commissioner determines that a violation did occur.

(3) A party may seek judicial review of the commissioner's decision, as provided in chapter 4, part 7, of this title, after a hearing, a dismissal, or a summary decision issued pursuant to subsection (1)(b).

(4) Except for records made public in the course of a hearing held under subsection (1) and records that are open for public inspection pursuant to Montana law, a complaint and records obtained or prepared by the commissioner in connection with an investigation or complaint are confidential documents and are not open for public inspection. The complainant and the person who is the subject of the complaint shall maintain the confidentiality of the complaint and any related documents released to the parties by the commissioner until the commissioner issues a decision. However, the person who is the subject of a complaint may waive, in writing, the right of confidentiality provided in this subsection. If a waiver is filed with the commissioner, the complaint and any related documents must be open for public inspection. The commissioner's decision issued after a hearing is a public record open to inspection.

(5) When a complaint is filed, the commissioner may issue statements or respond to inquiries to confirm that a complaint has been filed, to identify against whom it has been filed, and to describe the procedural aspects and status of the case.

(6) The commissioner may adopt rules to carry out the responsibilities and duties assigned by this part."

**Section 2.** Section 13-37-108, MCA, is amended to read:

**"13-37-108. Commissioner of political practices — restrictions.** During the commissioner's term of office, the commissioner may not knowingly, as defined in 45-2-101:

~~(4)~~*(5)* attend an event that is held for the purpose of raising funds for or against a candidate, political committee, or ballot issue;

~~(5)~~*(6)* participate in a matter pertaining to the commissioner's office that:

(a) is a conflict of interest or results in the appearance of a conflict of interest between public duty and private interest pursuant to Title 2, chapter 2; or

**"13-37-111. (2) The commissioner may:

(a) investigate all statements filed pursuant to the provisions of chapter 35 of this title or this chapter and shall investigate alleged failures to file any statement or the alleged falsification of any statement filed pursuant to the provisions of chapter 35 of this title or this chapter. Upon the submission of a written complaint by any individual, the commissioner shall investigate any other alleged violation of the provisions of chapter 35 of this title, this chapter, or any rule adopted pursuant to chapter 35 of this title or this chapter.

(b) inspect any records, accounts, or books that must be kept pursuant to the provisions of chapter 35 of this title or this chapter that are held by any political committee or candidate, as long as the inspection is made during reasonable office hours; and

(c) administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, bank account statements of a political committee or candidate, or other records that are relevant or material for the purpose of conducting any investigation pursuant to the provisions of chapter 35 of this title or this chapter.

(3) If the commissioner determines that considering a matter would give rise to the appearance of impropriety or a conflict of interest, the commissioner is recused from participating in the matter.

*(4) The commissioner is recused from participating in any decision in which the commissioner is accused of violating 13-37-108 or any other ethical standard.*

*(5) (a) If a campaign finance or ethics complaint is filed in the office of the commissioner against the commissioner, a supervisor within the commissioner's office shall within 10 business days forward the complaint to the attorney general, who shall within 45 days appoint a deputy in the case of a finance complaint or a deputy and a hearing officer in the case of an ethics complaint to make a determination in the matter of the complaint. The attorney general shall, to the extent practicable, ensure that there is no conflict of interest in the appointment of the deputy or hearing officer or in the provision of any legal advice to the office of the commissioner.*

*(b) A deputy appointed pursuant to this subsection must, in addition to complying with the requirements of subsection (6)(b), be an attorney licensed to practice law in Montana who is engaged in the private practice of law and who has liability insurance applicable to the purposes for which the deputy is appointed.*

*(c) If a complaint is filed against the commissioner, another employee in the office of the commissioner may not provide the commissioner with any information or documents concerning a complaint against the commissioner beyond that information or those documents normally provided to persons in matters before the commissioner.*

~~(4)~~*(6)* (a) If the commissioner is recused pursuant to this section, the commissioner shall*, except as provided in subsection (5),* appoint a deputy, subject to subsection ~~(4)(b)~~ *(6)(b)*.

(b) The deputy:

(i) may not be an employee of the office of the commissioner;

(ii) must have the same qualifications as specified for the commissioner in 13-37-107;

(iii) with respect to only the specific matter from which the commissioner is recused, has the same authority, duties, and responsibilities as the commissioner would have absent the recusal; and

(iv) may not exercise any powers of the office that are not specifically related to the matter for which the deputy is appointed.

~~(5)~~*(7) (a)* ~~The~~ *Except as provided in subsection (7)(b), the* appointment of the deputy is effectuated by a contract between the commissioner and the deputy. ~~The contract~~ *A contract executed pursuant to this subsection (7)* must specify the deputy's term of appointment, which must be temporary, the matter assigned to the deputy, the date on which the matter assigned must be concluded by the deputy, and any other items relevant to the deputy's appointment, powers, or duties.

*(b) If a deputy is appointed pursuant to subsection (5), the appointment of the deputy is effectuated by a contract between the supervisor who forwarded the complaint to the attorney general and the deputy or the deputy and the hearing officer, but the contract is construed to be with the office of the commissioner.*"

[HB 37]

AN ACT ALLOWING A TEMPORARY CHANGE OF USE OF A WATER RIGHT THROUGH A LEASE; ESTABLISHING REQUIREMENTS FOR A TEMPORARY LEASE; REQUIRING PUBLIC NOTICE; PROVIDING RULEMAKING AUTHORITY; AND PROVIDING AN EFFECTIVE DATE AND A TERMINATION DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Temporary lease of appropriation right — requirements — rulemaking.** (1) Applications to temporarily lease an appropriation right that comply with the requirements of this section are not subject to the provisions of 85-2-402, 85-2-407, 85-2-408, or 85-2-436. After obtaining department approval pursuant to this section, an appropriator may temporarily lease an appropriation right.

(2) The amount of water leased may not exceed the total consumptive use of the appropriation right. For an irrigation right, the consumptive volume may not exceed 1 acre-foot per acre irrigated. The department shall determine the consumptive volume limits for other uses by rule.

(3) (a) Each appropriation right leased pursuant to this section:

(i) must have been used within the 5 years prior to the application date;

(ii) may be leased only during the period of diversion for the appropriation right; and

(iii) may not be leased for more than 2 years one time during any consecutive 10-year period.

(b) The volume of water leased may not exceed 180 acre-feet per year.

(c) The point of diversion for the appropriation right may not be changed.

(4) The use of any appropriation rights on the place of use associated with a leased appropriation right is forbidden during the term of the lease.

(5) Storage may not be added to the leased appropriation right at the point of diversion or the original place of use.

(6) This section does not apply to changes in an appropriation right that would result in leased water being transported outside Montana. Proposed out-of-state uses are subject to the provisions of 85-2-402.

(7) Water leased pursuant to this section must be measured at the point of diversion by a meter approved by the department. The appropriator shall report the amount of water measured at the end of the year in which the lease occurred or upon request of the department.

(8) An applicant proposing to lease an appropriation right pursuant to this section shall submit a correct and complete application on a form provided by the department and a fee as established by rule. The application must include:

(a) the name and address of each lessee;

(b) the name of all owners of each appropriation right;

(c) the number of each appropriation right;

(d) the proposed use and the place of use for the leased water;

(e) the source of water to be appropriated;

(f) the start and end dates of the proposed lease;

(g) the proposed diversion flow rate and volume of water to be used during the lease;

(h) evidence that the appropriation right has been used within the last 5 years;

(i) a description of how the existing use of the appropriation rights would cease at the place of use during the lease period, including the number and location of acres to be removed from irrigation, if applicable; and

(j) an analysis of potential adverse effects and description of planned actions to mitigate potential adverse effects.

(9) Within 30 days of receiving the application, the department shall approve or deny the application. An approved application must be correct and complete and meet the requirements of this section. The department may approve an application with conditions.

(10) After approval, the department shall provide notice of the proposed lease that includes the information in subsections (8)(a) through (8)(g). The department shall:

(a) mail individual notice to potentially affected appropriators identified by the department in the area of the point of diversion; and

(b) post the notice on the department's website.

(11) (a) For 60 days from the date that notice is mailed pursuant to subsection (10), the department shall accept correct and complete objections to the proposed lease from any person whose property, water rights, or interests would be adversely affected by the proposed appropriation. The objection must be made on a form provided by the department.

(b) The department shall determine if an objection is valid. A valid objection contains facts indicating that the rights of other appropriators would be adversely affected by the lease of the appropriation right. If the department determines that an objection is valid, the approval for the use of the appropriation right under the lease is canceled and no water may be used pursuant to the lease.

(c) The owner of an appropriation right whose approval is canceled under subsection (11)(b) may request a hearing on the objection pursuant to 2-4-604 within 15 days of notice of the cancellation. The department shall issue an order reinstating approval for the use of the appropriation right under the lease if the applicant proves by a preponderance of the evidence that the water rights of other appropriators will not be adversely affected by the lease.

(12) Leased water may not be put to use until a final determination is made pursuant to subsection (11). The lessee shall provide the department with a copy of the executed lease agreement before the leased water is put to use.

(13) Violations of this section are subject to the provisions of 85-2-114 and 85-2-122. This subsection does not limit the remedies available to an appropriator to enjoin or seek damages from the owner of an appropriation right who leased the water or from a lessee.

(14) The department shall adopt rules to implement this section. The rules must include definitions of consumptive uses and criteria for determining if an

appropriation right has been used in the 5 years prior to the temporary lease application.

(15) The department shall report annually to the water policy interim committee provided for in 5-5-231. The report must include the number of leases, the amount of water leased, and the number of irrigated acres taken out of production.

**Section 2. Codification instruction.** [Section 1] is intended to be codified as an integral part of Title 85, chapter 2, part 4, and the provisions of Title 85, chapter 2, part 4, apply to [section 1].

**Section 3. Effective date.** [This act] is effective July 1, 2013.

**Section 4. Termination.** [This act] terminates July 1, 2019.

AN ACT REVISING BREAK-IN-SERVICE REQUIREMENTS FOR POSTRETIREMENT EMPLOYMENT IN A POSITION REPORTABLE TO THE TEACHERS' RETIREMENT SYSTEM; AMENDING SECTIONS 19-20-731 AND 19-20-733, MCA; AND PROVIDING AN EFFECTIVE DATE AND A TERMINATION DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 19-20-731, MCA, is amended to read:

**"19-20-731. Postretirement employment limitations — cancellation and recalculation of benefits — reporting obligation of retired member.** (1) (a) Except as [provided in 19-20-732 or as] otherwise provided in this section, a retired member may be employed ~~by an employer~~ in a position that is reportable to the retirement system and may earn, without an adjustment of retirement benefits, an amount not to exceed the greater of:

(i) one-third of the sum of the member's average final compensation; or

(ii) one-third of the median of the average final compensation for members retired during the preceding fiscal year as determined by the retirement board.

(b) The maximum compensation that a retired member may earn under subsection (1)(a) without an adjustment of retirement benefits includes all amounts paid to or on behalf of the retired member and the value of all benefits provided to or on behalf of the retired member by the employer, including any amounts deferred for payment to a later year, excluding:

(i) health insurance premiums directly paid by the employer on the retired member's behalf for health care coverage provided by the employer;

(ii) the value of housing provided by the employer to the retired member;

(iii) the amount of employment-related travel expenses reimbursed to the retired member by the employer;

(iv) de minimis fringe benefits, as defined in 26 U.S.C. 132(e), paid by the employer to or on behalf of the retired member; and

(v) payroll taxes paid by the employer on behalf of the retired member.

*(c) A member applying for a retirement allowance or resumption or recalculation of a retirement allowance based on a termination date of January 1, 2014, or later is required to complete the break-in-service period set forth in [section 2] before the retired member may be employed in a position reportable to the retirement system.*

(2) On July 1 of each year following the member's retirement effective date, the maximum that a retired member may earn under subsection (1)(a)(i) is increased by an amount equal to the consumer price index increase for urban wage earners compiled by the bureau of labor statistics of the United States department of labor or its successor agency in the preceding calendar year.

(3) [Except as provided in 19-20-732,] the retirement benefit of a retired member:

(a) employed and earning more than allowed by subsections (1) and (2) must be temporarily reduced by $1 for each dollar earned over the maximum allowed. Monthly benefits must be reduced beginning as soon as practical after the excess earnings have been reported to the retirement system by the employer. The retirement benefit must be suspended if the retired member's earnings over the maximum allowed exceed the gross monthly benefit amount.

(b) employed in one or more part-time positions under one or more contracts providing for an aggregate payment of a total amount that is more than the maximum allowed must be suspended effective on the date on which the retired member returns to employment.

All earnings of the retired member that are generated by these positions are reportable to the retirement system.

(8) The retirement allowance of any retired member who is employed in a position and who elects to participate in the optional retirement program under Title 19, chapter 21, must be suspended until the member is no longer employed in the position and is no longer participating in the optional retirement program. (Bracketed language terminates June 30, 2015—sec. 5, Ch. 129, L. 2009.)"

**Section 2. (i) is employed as a substitute classroom teacher to carry on the duties of a regular, licensed teacher who is temporarily absent;

(ii) performs the service after attaining retired member status; and

(iii) performs the service for no more than 45 days during the break-in-service period; or

(b) the retired member continues employment in a position in which the retired member was appropriately reported to the public employees' retirement

system prior to and at the time of retirement with the teachers' retirement system.

(3) If a retired member is employed in a position reportable to the retirement system in violation of this section:

(a) the retired member must be returned to active member status with the retirement system retroactive to the member's date of retirement or the date of resumption of retirement benefits, whichever is later, and the member's retirement benefits must be terminated;

(b) the member shall repay all retirement benefits received in violation of this section, plus interest at the actuarially assumed rate; and

(c) the member and the employer shall pay to the retirement system contributions on all earned compensation paid to the member for service performed during the break-in-service period, plus interest at the actuarially assumed rate.

(4) For purposes of this section, the term "employed in a position reportable to the retirement system" includes any work performed or service provided by a retired member to or on behalf of an employer, including but not limited to work performed or service provided through a professional employer arrangement, an employee leasing arrangement, as a temporary service contractor, or as an independent contractor.

(2) ~~Except as provided in subsection (4), upon~~ *Upon* termination and retirement of a previously retired member who was reinstated to active membership pursuant to 19-20-731 before July 1, 2009:

(a) if the member earned less than 1 year of creditable service, the original benefit and retirement option that the member was receiving at the time of suspension of benefits must be reinstated beginning either the first of the month following termination or on July 1 following the date on which the retired member was reemployed, whichever is later; or

(b) if the member earned 1 year or more of creditable service, retirement benefits must be recalculated under 19-20-804 if the member would qualify for a service retirement benefit under 19-20-801 or under 19-20-802 if the member is eligible for early retirement. The recalculated benefit must include the service credit accumulated at the time of the member's previous retirement, plus any service credit accumulated subsequent to reemployment. The recalculated benefit amount must be increased by the amount of any benefit enhancement received pursuant to 19-20-719 that the retired member was receiving when the member's benefits were suspended.

(3) ~~(a) Except as provided in subsection (4), upon~~ *Upon* the subsequent retirement of a formerly retired member who was reinstated to active membership pursuant to 19-20-731 on or after July 1, 2009, and earned:

an additional benefit based upon the new creditable service and compensation earned. The second benefit must be calculated as provided under 19-20-804 if the member is eligible for a service retirement benefit or under 19-20-802 if the member is eligible for early retirement. The second benefit must be paid under the same retirement benefit option and with the same joint annuitant originally elected.

~~(ii)~~*(b)* less than 3 years of membership service following suspension of benefits, the member is entitled to resume receiving the suspended benefit in accordance with the retirement benefit option previously selected, plus a refund of the employee contributions contributed after the member was reinstated to active service, plus interest.

~~(b)~~*(4)* If a member dies during the period of reemployment following an initial retirement, the member must be considered as retiring on the day preceding the date of death and benefits must be determined according to the following:

~~(i)~~*(a)* If the member elected the normal form benefit prior to reemployment, the member's designated beneficiary must receive an amount equal to the member's accumulated contributions on deposit.

~~(ii)~~*(b)* If the member elected a retirement option pursuant to 19-20-702 prior to reemployment, the benefits due are payable in accordance with the terms of the original option elected and ~~this~~ subsection (3).

~~(4) If a retired member who has not attained normal retirement age is reemployed with the same employer within 30 days from the member's effective date of retirement or if that member is guaranteed reemployment with the same employer, the member must be considered to have continued in the status of an active member and not to have separated from service. Any retirement allowance payments received by the member must be repaid to the system, together with interest, at the actuarially assumed rate, and the retirement allowance must be canceled.~~ (Bracketed language terminates June 30, 2015—sec. 5, Ch. 129, L. 2009.)"

(b) For purposes of determining whether the annual limitations in subsection (1)(a) are met:

(i) all defined benefit plans of the employer, whether or not terminated, must be treated as a single defined benefit plan;

(ii) all defined contribution plans of the employer, whether terminated or not, must be treated as a single defined contribution plan;

(iii) retirement systems and plans established under Title 19 must be prioritized for disqualification purposes above any plans not established under Title 19; and

(iv) retirement systems and plans established under Title 19 that must be aggregated for purposes of the limits in section 415 of the Internal Revenue Code, 26 U.S.C. 415, must be prioritized for qualification purposes based on the system or plan providing the member with the highest benefit.

(2) A member may not receive an annual benefit that exceeds the dollar amount specified in section 415(b)(1)(A) of the Internal Revenue Code, 26 U.S.C. 415(b)(1)(A), subject to the applicable adjustments in section 415(d) of the Internal Revenue Code, 26 U.S.C. 415(d).

(3) Notwithstanding any other provision of law to the contrary, the board may modify a request by a member to make a contribution to a retirement system or plan if the amount of the contribution would exceed the limits provided in section 415 of the Internal Revenue Code, by using the following methods:

(a) If the law requires a lump-sum payment for the purchase of service credit, the board may establish a periodic payment plan for the member to avoid a contribution in excess of the limits under section 415(c) or 415(n) of the Internal Revenue Code, 26 U.S.C. 415(c) or 415(n).

(b) If payment pursuant to subsection (3)(a) will not avoid a contribution in excess of the limits imposed by section 415(c) of the Internal Revenue Code, 26 U.S.C. 415(c), the board shall either reduce the member's contribution to an amount within the limits of that section or refuse the member's contribution.

(4) (a) Effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, if a member makes one or more contributions to purchase permissive service credit under a retirement system or plan to which this section applies, then the requirements of this section will be treated as met only if:

(i) except as provided in subsection (4)(b), the requirements of section 415(b) of the Internal Revenue Code, 26 U.S.C. 415(b), are met, determined by treating the accrued benefit derived from all the contributions as an annual benefit for purposes of section 415(b) of the Internal Revenue Code, 26 U.S.C. 415(b); or

(ii) except as provided in subsection (4)(c), the requirements of section 415(c) of the Internal Revenue Code, 26 U.S.C. 415(c), are met, determined by treating all the contributions as annual additions for purposes of section 415(c) of the Internal Revenue Code, 26 U.S.C. 415(c).

(b) For purposes of applying subsection (4)(a)(i), the retirement system or plan may not fail to meet the reduced limit under section 415(b)(2)(C) of the Internal Revenue Code, 26 U.S.C. 415(b)(2)(C), solely by reason of subsection (4)(a).

(c) For purposes of applying subsection (4)(a)(ii), the retirement system or plan may not fail to meet the percentage limitation under section 415(c)(1)(B) of the Internal Revenue Code, 26 U.S.C. 415(c)(1)(B) solely by reason of this subsection (4).

(5) For purposes of subsection (4), the term "permissive service credit" means service credit:

(a) specifically recognized by a plan subject to this chapter for purposes of calculating a plan member's benefit under the member's plan;

(b) that the plan member has not received under the plan;

(c) that the plan member may receive only by making a voluntary additional contribution, in an amount determined under the plan, that does not exceed the amount necessary to fund the benefit attributable to the service credit; and

(d) effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, service credit for periods for which there is no performance of service, which, notwithstanding subsection (5)(b), may include service credit purchased in order to provide an increased benefit under the plan.

(6) A retirement system or plan fails to meet the requirements of subsection (4) if:

(a) more than 5 years of nonqualified service credit are taken into account; or

(b) any nonqualified service credit is taken into account before the plan member has at least 5 years of participation under the plan.

(7) For purposes of subsection (6), effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, the term "nonqualified service credit" means permissive service credit other than that allowed with respect to:

(a) service, including parental, medical, sabbatical, and similar leave, as an employee of the government of the United States, any state or political subdivision of a state, or any agency or instrumentality of a state or of a political subdivision of a state, other than military service or service for credit that was obtained as a result of a repayment of a refund as described in section 415(k)(3) of the Internal Revenue Code, 26 U.S.C. 415(k)(3);

(b) service, including parental, medical, sabbatical, and similar leave, as an employee, other than an employee described in subsection (7)(a), of an education organization described in section 170(b)(1)(A)(ii) of the Internal Revenue Code, 26 U.S.C. 170(b)(1)(A)(ii), that is a public, private, or sectarian school that provides elementary or secondary education through grade 12 or a comparable level of education, as determined under the applicable law of the jurisdiction in which the service was performed;

(c) service as an employee of an association of employees who are described in subsection (7)(a); or

(d) military service, other than qualified military service under section 414(u) of the Internal Revenue Code, 26 U.S.C. 414(u), recognized by the system or plan.

(8) In the case of service described in subsection (7)(a), (7)(b), or (7)(c), service must be nonqualified service if recognition of the service would cause a plan member to receive a retirement benefit for the same service under more than one plan.

(9) In the case of a trustee-to-trustee transfer after December 31, 2001, to which section 403(b)(13)(A) or 457(e)(17)(A) of the Internal Revenue Code, 26 U.S.C. 403(b)(13)(A) or 457 (e)(17)(A), applies, without regard to whether the transfer is made between plans maintained by the same employer:

(a) the limitations in subsection (7) do not apply in determining whether the transfer is for the purchase of permissive service credit; and

(b) the distribution rules applicable to the plan under federal law apply to those amounts and any benefits attributable to those amounts.

(10) (a) For purposes of this subsection (10), an eligible plan member is an individual who became a member of the plan before January 1, 1998.

(b) For an eligible plan member, the limitation in section 415(c)(1) of the Internal Revenue Code, 26 U.S.C. 415(c)(1), may not be applied to reduce the amount of permissive service credit that may be purchased to an amount less than the amount that was allowed to be purchased under the terms of the applicable law in effect on August 5, 1997.

(11) The limitation year for purposes of section 415 of the Internal Revenue Code, 26 U.S.C. 415, is the calendar year beginning each January 1 and ending December 31.

(12) (a) "Salary", for the purposes of determining compliance with section 415 of the Internal Revenue Code, 26 U.S.C. 415, and for no other purposes, means compensation as defined in 26 CFR 1.415(c)-1 through 1.415(c)-2(d)(4). However:

(i) employee contributions picked up under section 414(h)(2) of the Internal Revenue Code, 26 U.S.C. 414(h)(2), are excluded from salary; and

(ii) the amount of an elective deferral, as defined in section 402(g) of the Internal Revenue Code, 26 U.S.C. 402(g), or any other contribution that is contributed or deferred by the employer at the election of the member and that is not includable in the gross income of the member because of section 125, 403(b), or 457 of the Internal Revenue Code, 26 U.S.C. 125, 403(b), or 457, is included in the definition.

(b) For limitation years beginning after December 31, 2000, the term includes any elective amounts that are not includable in the gross income of the member by reason of section 132(f)(4) of the Internal Revenue Code, 26 U.S.C. 132(f)(4).

(c) For limitation years beginning no later than January 1, 2008, the term includes compensation paid by the later of 2.5 months after a member's severance from employment or the end of the limitation year that includes the date of the member's severance from employment if:

(i) the payment is regular compensation for services during the member's regular working hours or compensation for services outside the member's regular working hours such as overtime or shift differential, commissions, bonuses, or other similar payments and, absent a severance from employment, the payments would have been paid to the member while the member continued in employment with the employer; or

(ii) the payment is for unused accrued bona fide sick, vacation, or other leave that the member would have been able to use if employment had continued.

(d) For limitation years beginning on or after January 1, 2009, the term, as calculated, may not exceed the annual limit under section 401(a)(17) of the Internal Revenue Code, 26 U.S.C. 401(a)(17).

*(e) Beginning January 1, 2009, to the extent required by section 414(u)(12) of the Internal Revenue Code, 26 U.S.C. 414(u)(12), a member receiving from an employer differential wage payments as defined under section 3401(h)(2) of the Internal Revenue Code, 26 U.S.C. 3401(h)(2), must be treated as employed by that employer. The differential wage payments must be treated as compensation for purposes of applying the limits on annual additions under section 415(c) of the Internal Revenue Code, 26 U.S.C. 415(c). This provision must be applied to all similarly situated employees in a reasonably equivalent manner.*

(13) For the purposes of applying the limits on a defined benefit plan member's annual benefit under section 415(b) of the Internal Revenue Code, 26 U.S.C. 415(b), the following apply:

(a) Prior to January 1, 2009, any automatic adjustment under the retirement system or a plan subject to this chapter must be taken into consideration when determining a member's applicable limit *to the extent required by a reasonable interpretation of 26 CFR 1.415-3(c)*.

(b) On or after January 1, 2009, with respect to a member who does not receive a portion of the member's annual benefit in a lump sum:

(i) a member's applicable limit must be applied to the member's annual benefit in the first limitation year without regard to any automatic cost-of-living increases;

(ii) to the extent the member's annual benefit equals or exceeds the applicable limit, the member is no longer eligible for cost-of-living increases until the benefit plus the accumulated increases are less than the limit; and

(ii) If the form of benefit without regard to the automatic benefit increase feature is not a straight life or a qualified joint and survivor annuity, then this subsection (13)(d) is applied by either reducing the limit in section 415(b) of the Internal Revenue Code, 26 U.S.C. 415(b), applicable at the annuity starting date or adjusting the form of benefit to an actuarially equivalent straight life annuity benefit determined using the following assumptions that take into account the death benefits under the form of benefit:

(III) the annual amount of the straight life annuity commencing at the annuity starting date that has the same actuarial present value as the particular form of benefit payable, computed using as the applicable interest rate for the distribution under 26 CFR 1.417(e)-1(d)(3) prior to January 1, 2009, the ~~30-year treasury~~ rate in effect for the month prior to retirement or, on or after January 1, 2009, the ~~30-year treasury~~ rate in effect for the first day of the plan year with a 1-year stabilization period and, in either case, the applicable mortality table for the distribution under 26 CFR 1.417(e)-1(d)(2).

AN ACT CREATING THE DYLAN STEIGERS PROTECTION OF YOUTH ATHLETES ACT; PROMOTING SAFETY FOR YOUTH ATHLETES; PROVIDING DEFINITIONS; REQUIRING EACH SCHOOL DISTRICT TO ADOPT A POLICY ADDRESSING THE DANGERS OF CONCUSSIONS; PROVIDING MINIMUM REQUIREMENTS FOR THE CONTENTS OF A

SCHOOL DISTRICT POLICY; REQUIRING THAT A YOUTH ATHLETE WHO EXHIBITS SIGNS, SYMPTOMS, OR BEHAVIORS CONSISTENT WITH A CONCUSSION BE REMOVED FROM PARTICIPATION AND THAT MEDICAL CLEARANCE BE OBTAINED PRIOR TO RETURNING TO PARTICIPATION; CLARIFYING THAT THE ACT DOES NOT CREATE A NEW CAUSE OF ACTION; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, the Centers for Disease Control and Prevention estimates that as many as 3.9 million sports-related and recreation-related concussions occur in the United States each year; and

WHEREAS, youth athletics are commonplace throughout the state and it is in the best interest of participating youth that uniform concussion policies and procedures apply across the state; and

WHEREAS, the Centers for Disease Control and Prevention has created uniform policies and procedures regarding the nature and risk of concussions, including the effects of continuing to play after sustaining a concussion, that are consistent with current medical knowledge.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Short title.** [Sections 1 through 5] may be cited as the "Dylan Steigers Protection of Youth Athletes Act".

**Section 2. Purpose — intent.** (1) The legislature finds that protecting youth athletes from serious injury is a compelling state interest. The purpose of [sections 2 through 5] is to prevent permanent injury and death to youth athletes in the state of Montana. To further this interest, the legislature finds:

(a) concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities;

(b) a concussion is caused by a blow or motion to the head or body that causes the brain to move rapidly inside the skull;

(c) the risks of catastrophic injuries or death are significant when a concussion or brain injury is not properly evaluated and managed;

(d) concussions are a type of brain injury that can range from mild to severe and can disrupt the way the brain normally works;

(e) concussions can occur in any organized or unorganized sport or recreational activity and can result from a fall or from players colliding with each other, with the ground, or with obstacles;

(f) concussions occur with or without loss of consciousness; and

(g) continuing to play with a concussion or symptoms of brain injury leaves the youth athlete especially vulnerable to greater injury and even death.

(2) [Sections 2 through 5] do not create a new cause of action.

**Section 3. Definitions.** As used in [sections 2 through 5], the following definitions apply:

(1) "Concussion" means an injury to the brain arising from blunt trauma, an acceleration force, or a deceleration force, which may include one of the following observed or self-reported conditions attributable to the injury:

(4) "Youth athlete" means an individual who is an active participant in an organized youth athletic activity.

**Section 4. Youth athletes — concussion education requirements.** (1) Each school district in this state offering organized youth athletic activities shall adopt policies and procedures to inform athletic trainers, coaches, officials, youth athletes, and parents or guardians of the nature and risk of brain injuries, including the effects of continuing to play after a concussion. The policies, content, and protocols must be consistent with current medical knowledge and guidelines provided by the U.S. department of health and human services, centers for disease control and prevention, as to:

(a) the nature and risk of brain injuries associated with athletic activity;

(b) the signs, symptoms, and behaviors consistent with a brain injury;

(c) the need to alert a licensed health care professional for urgent recognition and treatment when a youth athlete exhibits signs, symptoms, or behaviors consistent with a concussion; and

**Section 5. Youth athletes — removal from participation following concussion — medical clearance required before return to participation.** (1) An athletic trainer, coach, or official shall remove a youth athlete from participation in any organized youth athletic activity at the time

the youth athlete exhibits signs, symptoms, or behaviors consistent with a concussion.

(2) A youth athlete who has been removed from participation in an organized youth athletic activity after exhibiting signs, symptoms, or behaviors consistent with a concussion may not return to organized youth athletic activities until the youth athlete:

(a) no longer exhibits signs, symptoms, or behaviors consistent with a concussion; and

(b) receives an evaluation by a licensed health care professional and receives written clearance to return to play from the licensed health care professional. The written clearance must state:

(i) that the licensed health care professional has evaluated the youth athlete; and

(ii) that in the licensed health care professional's opinion, the youth athlete is capable of safely resuming participation in organized youth athletic activities.

**Section 6. Codification instruction.** [Sections 2 through 5] are intended to be codified as an integral part of Title 20, and the provisions of Title 20 apply to [sections 2 through 5].

**Section 7. Effective date.** [This act] is effective on passage and approval.

[SB 161]

AN ACT CHANGING THE REQUIREMENTS FOR ESTABLISHING A SPECIAL SPEED ZONE; AND AMENDING SECTION 61-8-309, MCA.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 61-8-309, MCA, is amended to read:

**"61-8-309. Establishment of special speed zones — *engineering and traffic investigation.*** (1) (a) If the commission determines upon the basis of an engineering and traffic investigation that a speed limit set by 61-8-303 is greater or less than is reasonable or safe under the conditions found to exist at an intersection, curve, or dangerous location or on a segment of a highway less than 50 miles in length under its jurisdiction, the commission may set a reasonable and safe special speed limit at that location. *In the case of a school zone adjacent to a state highway, the commission is not required to base its speed limit determination solely upon the results of the engineering and traffic investigation.*

(b) If a local authority requests the department of transportation or an engineer, as provided in subsection (1)(c)(i), to conduct an engineering and traffic investigation based on the belief that a speed limit on a highway under the jurisdiction of the department of transportation is greater than is reasonable or safe, the commission may not increase the speed limit under consideration as a result of the investigation.

(c) (i) A local authority may request at its own expense that an engineering and traffic investigation be completed by a licensed professional engineer selected from a list compiled and approved by a committee as provided in subsection (1)(c)(ii).

(ii) A committee containing two department of transportation staff appointed by the director and two representatives of associations whose membership comprises cities, towns, and counties, as authorized by 7-5-2141 and 7-5-4141, shall review credentials submitted by licensed professional engineers and shall determine who appears on the list of individuals authorized to conduct engineering and traffic investigations for local governments. The list must be updated every 2 years.

(iii) Upon completion of an engineering and traffic investigation conducted for a local government, the department of transportation shall submit a report to the commission with findings and recommendations. The commission shall decide on an appropriate speed limit based on the traffic investigation within 120 days from the date the investigation is submitted to the department of transportation.

(d) A local authority may request a temporary special reduced or increased speed zone for a route or route segment that is under consideration for a reduced or increased speed limit under subsection (1)(a), (1)(b), or (1)(c). If a local authority makes multiple requests for temporary special reduced or increased speed zones, the local authority shall prioritize the requests. The department of transportation shall conduct a preliminary visual and engineering review of a route or a route segment for which a temporary special speed zone is requested. The reviewing party must include a representative of the local authority. Upon completion of the preliminary review, if the department of transportation concurs with the local authority that a temporary special reduced or increased speed limit is warranted, a temporary special reduced or increased speed zone may be established upon formal approval by the commission. The temporary special reduced or increased speed limit remains in effect until a complete traffic and engineering study has been done on the route or route segment and the commission has made a determination on changing the speed limit.

(2) The department of transportation shall erect and maintain appropriate signs giving notice of special limits. *If the special limits apply to a school zone, the department shall consider the use of electronic signs in lieu of or in addition to other appropriate signs.* When the signs are erected, the limits are effective for those zones at all times or at other times that the commission sets.

(3) The authority of the commission under this section includes the authority to set reduced nighttime speed limits on curves and other dangerous locations.

(4) This section does not authorize the commission to set a statewide speed limit."

**Section 3. Applicability — relation to other laws.** (1) [Sections 1 through 13] apply to partition actions filed on or after [the effective date of this act].

(2) In an action to partition real property under Title 70, chapter 29, parts 1 through 3, the court shall determine whether the property is heirs property. If the court determines that the property is heirs property, the property must be partitioned under [sections 1 through 13] unless all of the cotenants otherwise agree in a record.

(3) [Sections 1 through 13] supplement Title 70, chapter 29, parts 1 through 3, and, if an action is governed by [sections 1 through 13], replace provisions of Title 70, chapter 29, parts 1 through 3, that are inconsistent with [sections 1 through 13].

**Section 4. Service — notice by posting.** (1) [Sections 1 through 13] do not limit or affect the method by which service of a complaint in a partition action may be made.

The sign must state that the action has commenced and identify the name and address of the court and the common designation by which the property is known. The court may require the plaintiff to publish on the sign the name of the plaintiff and the known defendants.

**Section 5. Referees.** If the court appoints referees pursuant to 70-29-202, each referee, in addition to the requirements and disqualifications applicable to referees in Title 70, chapter 29, part 2, must be disinterested and impartial and not a party to or a participant in the action.

**Section 6. (2) If all cotenants have agreed to the value of the property or to another method of valuation, the court shall adopt that value or the value produced by the agreed method of valuation.

(3) If the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court, after an evidentiary hearing, shall determine the fair market value of the property and send notice to the parties of the value.

(4) If the court orders an appraisal, the court shall appoint a disinterested real estate appraiser licensed in this state to determine the fair market value of the property assuming sole ownership of the fee simple estate. On completion of the appraisal, the appraiser shall file a sworn or verified appraisal with the court.

(5) If an appraisal is conducted pursuant to subsection (4), not later than 10 days after the appraisal is filed, the court shall send notice to each party with a known address stating:

(a) the appraised fair market value of the property;

(b) that the appraisal is available at the clerk's office; and

(c) that a party may file with the court an objection to the appraisal, not later than 30 days after the notice is sent, stating the grounds for the objection.

(6) If an appraisal is filed with the court pursuant to subsection (4), the court shall conduct a hearing to determine the fair market value of the property not sooner than 30 days after a copy of the notice of the appraisal is sent to each party under subsection (5), whether or not an objection to the appraisal is filed under subsection (5)(c). In addition to the court-ordered appraisal, the court may consider any other evidence of value offered by a party.

(7) After a hearing under subsection (6), but before considering the merits of the partition action, the court shall determine the fair market value of the property and send notice to the parties of the value.

**Section 7. Buyout by cotenant.** (1) If any cotenant requested partition by sale, after the determination of value under [section 6], the court shall send notice to the parties that any cotenant except a cotenant that requested

partition by sale may buy all the interests of the cotenants that requested partition by sale.

(2) Not later than 45 days after the notice is sent under subsection (1), any cotenant except a cotenant that requested partition by sale may give notice to the court that it elects to buy all the interests of the cotenants that requested partition by sale.

(3) The purchase price for each of the interests of a cotenant that requested partition by sale is the value of the entire parcel determined under [section 6] multiplied by the cotenant's fractional ownership of the entire parcel.

(4) After expiration of the period in subsection (2), the following rules apply:

(a) If only one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall notify all the parties of that fact.

(b) If more than one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall allocate the right to buy those interests among the electing cotenants based on each electing cotenant's existing fractional ownership of the entire parcel divided by the total existing fractional ownership of all cotenants electing to buy and send notice to all the parties of that fact and of the price to be paid by each electing cotenant.

(c) If no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall send notice to all the parties of that fact and resolve the partition action under [sections 8(1) and (2)].

(5) If the court sends notice to the parties under subsection (4)(a) or (b), the court shall set a date, not sooner than 60 days after the date the notice was sent, by which electing cotenants shall pay their apportioned price into the court. After this date, the following rules apply:

(a) If all electing cotenants timely pay their apportioned price into court, the court shall issue an order reallocating all the interests of the cotenants and disburse the amounts held by the court to the persons entitled to them.

(b) If no electing cotenant timely pays its apportioned price, the court shall resolve the partition action under [sections 8(1) and (2)] as if the interests of the cotenants that requested partition by sale were not purchased.

(c) If one or more but not all of the electing cotenants fail to pay their apportioned price on time, the court shall give notice to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest.

(6) Not later than 20 days after the court gives notice pursuant to subsection (5)(c), any cotenant that paid may elect to purchase all of the remaining interest by paying the entire price into the court. After the 20-day period, the following rules apply:

(a) If only one cotenant pays the entire price for the remaining interest, the court shall issue an order reallocating the remaining interest to that cotenant. The court shall issue promptly an order reallocating the interests of all of the cotenants and disburse the amounts held by it to the persons entitled to them.

(b) If no cotenant pays the entire price for the remaining interest, the court shall resolve the partition action under [sections 8(1) and (2)] as if the interests of the cotenants that requested partition by sale were not purchased.

(c) If more than one cotenant pays the entire price for the remaining interest, the court shall reapportion the remaining interest among those paying cotenants, based on each paying cotenant's original fractional ownership of the entire parcel divided by the total original fractional ownership of all cotenants

that paid the entire price for the remaining interest. The court shall issue promptly an order reallocating all of the cotenants' interests, disburse the amounts held by it to the persons entitled to them, and promptly refund any excess payment held by the court.

(7) Not later than 45 days after the court sends notice to the parties pursuant to subsection (1), any cotenant entitled to buy an interest under this section may request the court to authorize the sale as part of the pending action of the interests of cotenants named as defendants and served with the complaint but that did not appear in the action.

(8) If the court receives a timely request under subsection (7), the court, after hearing, may deny the request or authorize the requested additional sale on such terms as the court determines are fair and reasonable, subject to the following limitations:

(a) a sale authorized under this subsection may occur only after the purchase prices for all interests subject to sale under subsections (1) through (6) have been paid into court and those interests have been reallocated among the cotenants as provided in those subsections; and

(b) the purchase price for the interest of a nonappearing cotenant is based on the court's determination of value under [section 6].

**Section 8. Partition alternatives.** (1) If all the interests of all cotenants that requested partition by sale are not purchased by other cotenants pursuant to [section 7], or if after conclusion of the buyout under [section 7], a cotenant remains that has requested partition in kind, the court shall order partition in kind unless the court, after consideration of the factors listed in [section 9], finds that partition in kind will result in great prejudice to the cotenants as a group. In considering whether to order partition in kind, the court shall approve a request by two or more parties to have their individual interests aggregated.

(2) If the court does not order partition in kind under subsection (1), the court shall order partition by sale pursuant to [section 10] or, if no cotenant requested partition by sale, the court shall dismiss the action.

(3) If the court orders partition in kind pursuant to subsection (1), the court may require that one or more cotenants pay one or more other cotenants amounts so that the payments, taken together with the value of the in-kind distributions to the cotenants, will make the partition in kind just and proportionate in value to the fractional interests held.

(4) If the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out pursuant to [section 7], a part of the property representing the combined interests of these cotenants as determined by the court and this part of the property must remain undivided.

**Section 9. Partition in kind — considerations**. (1) In determining under [section 8(1)] whether partition in kind would result in great prejudice to the cotenants as a group, the court shall consider the following:

(a) whether the heirs property practicably can be divided among the cotenants;

(b) whether partition in kind would apportion the property in such a way that the aggregate fair market value of the parcels resulting from the division would be materially less than the value of the property if it were sold as a whole, taking into account the condition under which a court-ordered sale likely would occur;

(c) evidence of the collective duration of ownership or possession of the property by a cotenant and one or more predecessors in title or predecessors in possession to the cotenant who are or were relatives of the cotenant or each other;

(d) a cotenant's sentimental attachment to the property, including any attachment arising because the property has ancestral or other unique or special value to the cotenant;

(e) the lawful use being made of the property by a cotenant and the degree to which the cotenant would be harmed if the cotenant could not continue the same use of the property;

(f) the degree to which the cotenants have contributed their pro rata share of the property taxes, insurance, and other expenses associated with maintaining ownership of the property or have contributed to the physical improvement, maintenance, or upkeep of the property; and

(g) any other relevant factor.

(2) The court may not consider any one factor in subsection (1) to be dispositive without weighing the totality of all relevant factors and circumstances.

**Section 10. Open market sale — sealed bids — auction**. (1) If the court orders a sale of heirs property, the sale must be an open-market sale unless the court finds that a sale by sealed bids or an auction would be more economically advantageous and in the best interest of the cotenants as a group.

(2) If the court orders an open-market sale and the parties, not later than 10 days after the entry of the order, agree on a real estate broker licensed in this state to offer the property for sale, the court shall appoint the broker and establish a reasonable commission. If the parties do not agree on a broker, the court shall appoint a disinterested real estate broker licensed in this state to offer the property for sale and shall establish a reasonable commission. The broker shall offer the property for sale in a commercially reasonable manner at a price no lower than the determination of value and on the terms and conditions established by the court.

(3) If the broker appointed under subsection (2) obtains within a reasonable time an offer to purchase the property for at least the determination of value:

(a) the broker shall comply with the reporting requirements in [section 11]; and

(b) the sale may be completed in accordance with state law other than [sections 1 through 13].

(4) If the broker appointed under subsection (2) does not obtain within a reasonable time an offer to purchase the property for at least the determination of value, the court, after hearing, may:

(a) approve the highest outstanding offer, if any;

(b) redetermine the value of the property and order that the property continue to be offered for an additional time; or

(c) order that the property be sold by sealed bids or at an auction.

(5) If the court orders a sale by sealed bids or an auction, the court shall set terms and conditions of the sale. If the court orders an auction, the auction must be conducted under 70-29-301.

(6) If a purchaser is entitled to a share of the proceeds of the sale, the purchaser is entitled to a credit against the price in an amount equal to the purchaser's share of the proceeds.

**Section 11. Report of open-market sale.** (1) Unless required to do so within a shorter time by any other law of this state, a broker appointed under [section 10(2)] to offer heirs property for open-market sale shall file a report with the court not later than 7 days after receiving an offer to purchase the property for at least the value determined under [section 6 or 10].

(2) The report required by subsection (1) must contain the following information:

(a) a description of the property to be sold to each buyer;

(b) the name of each buyer;

(c) the proposed purchase price;

(d) the terms and conditions of the proposed sale, including the terms of any owner financing;

(e) the amounts to be paid to lienholders;

(f) a statement of contractual or other arrangements or conditions of the broker's commission; and

(g) other material facts relevant to the sale.

**Section 12. Uniformity of application and construction**. In applying and construing [sections 1 through 13], consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

**Section 13. Relation to Electronic Signatures in Global and National Commerce Act**. [Sections 1 through 13] modify, limit, and supersede the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. 7001, et seq., but do not modify, limit, or supersede section 101(c) of that act, 15 U.S.C. 7001(c), or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. 7003(b).

**Section 14. Codification instruction.** [Sections 1 through 13] are intended to be codified as an integral part of Title 70, chapter 29, and the provisions of Title 70, chapter 29, apply to [sections 1 through 13].

**Section 15. Applicability.** [This act] applies to proceedings begun on or after [the effective date of this act].

**Section 2. Scope.** [Sections 1 through 132] apply to express trusts, charitable or noncharitable, and trusts created pursuant to a statute, judgment, or decree that requires the trust to be administered in the manner of an express trust. Other than [sections 14 through 17], nothing in [sections 1 through 132] affects the law relating to constructive or resulting trusts.

**Section 3. Definitions.** As used in [sections 1 through 132], unless the context clearly requires otherwise, the following definitions apply:

(1) "Action", with respect to an act of a trustee, includes a failure to act.

An organization exercises reasonable diligence if it maintains reasonable routines for communicating significant information to the employee having responsibility to act for the trust and there is reasonable compliance with the routines. Reasonable diligence does not require an employee of the organization to communicate information unless the communication is part of the individual's regular duties or the individual knows a matter involving the trust would be materially affected by the information.

**Section 7. Governing law.** The meaning and effect of the terms of a trust are determined by:

(1) the law of the jurisdiction designated in the terms unless the designation of that jurisdiction's law is contrary to a strong public policy of the jurisdiction having the most significant relationship to the matter at issue; or

(2) in the absence of a controlling designation in the terms of the trust, the law of the jurisdiction having the most significant relationship to the matter at issue.

**Section 8. Principal place of administration.** (1) Without precluding other means for establishing a sufficient connection with the designated jurisdiction, terms of a trust designating the principal place of administration are valid and controlling if:

(c) an explanation of the reasons for the proposed transfer;

(d) the date on which the proposed transfer is anticipated to occur; and

(e) the date, not less than 60 days after the giving of the notice, by which the qualified beneficiary shall notify the trustee of an objection to the proposed transfer.

(5) The authority of a trustee under this section to transfer a trust's principal place of administration terminates if a qualified beneficiary notifies the trustee of an objection to the proposed transfer on or before the date specified in the notice.

(6) In connection with a transfer of the trust's principal place of administration, the trustee may transfer some or all of the trust property to a successor trustee designated in the terms of the trust or appointed pursuant to [section 82].

Methods and waiver of notice.** (1) (a) Notice to a person under [sections 1 through 132] or the sending of a document to a person under [sections 1 through 132] must be accomplished in a manner reasonably suitable under the circumstances and likely to result in receipt of the notice or document.

(b) Permissible methods of notice or for sending a document include first-class mail, personal delivery, delivery to the person's last-known place of residence or place of business, or a properly directed electronic message.

(2) Notice otherwise required under [sections 1 through 132] or a document otherwise required to be sent under [sections 1 through 132] need not be provided to a person whose identity or location is unknown to and not reasonably ascertainable by the trustee.

(3) Notice under [sections 1 through 132] or the sending of a document under [sections 1 through 132] may be waived by the person to be notified or sent the document.

(4) Notice of a judicial proceeding must be given as provided in [sections 31 through 35].

**Section 10. Others treated as qualified beneficiaries.** (1) Except for [section 100], whenever notice to qualified beneficiaries of a trust is required under [sections 1 through 132], the trustee shall also give notice to any other beneficiary who has sent the trustee a request for notice.

(2) A charitable organization expressly designated to receive distributions under the terms of a charitable trust has the rights of a beneficiary and a qualified beneficiary under [sections 1 through 132] if the charitable organization, on the date the charitable organization's qualification is being determined:

(a) is a distributee or permissible distributee of trust income or principal;

(b) would be a distributee or permissible distributee of trust income or principal upon the termination of the interests of other distributees or permissible distributees then receiving or eligible to receive distributions; or

(c) would be a distributee or permissible distributee of trust income or principal if the trust terminated on that date.

(3) A person appointed to enforce a trust created for the care of an animal or another noncharitable purpose as provided in [section 57 or 58] has the rights of a qualified beneficiary under [sections 1 through 132].

**Section 11. Nonjudicial settlement agreements.** (1) For purposes of this section, "interested persons" means persons whose consent would be required in order to achieve a binding settlement were the settlement to be approved by the court.

(2) Except as otherwise provided in subsection (4)(c), interested persons may enter into a binding nonjudicial settlement agreement with respect to any matter involving a trust.

(3) Except as provided in [section 60(1)], a nonjudicial settlement agreement is valid only to the extent it does not violate a material purpose of the trust and includes terms and conditions that could be properly approved by the court under [sections 1 through 132].

(4) Matters that may be resolved by a nonjudicial settlement agreement include but are not limited to:

(a) the interpretation or construction of the terms of the trust;

(b) the approval of a trustee's report or accounting;

(c) direction to a trustee to refrain from performing a particular act or the grant to a trustee of any necessary or desirable power;

(d) the resignation or appointment of a trustee and the determination of a trustee's compensation;

(e) transfer of a trust's principal place of administration; and

(f) liability of a trustee for an action relating to the trust.

(5) Any interested person may request the court to approve a nonjudicial settlement agreement, to determine whether the representation as provided in [sections 45 through 49] was adequate, and to determine whether the agreement contains terms and conditions the court could have properly approved.

**Section 12. Rules of construction.** The rules of construction that apply in this state to the interpretation of and disposition of property by will also apply as appropriate to the interpretation of the terms of a trust and the disposition of the trust property.

**Section 13. Insurable interest of trustee.** (1) In this section, "settlor" means a person who executes a trust instrument. The term includes a person for which a fiduciary or agent is acting.

(2) A trustee of a trust has an insurable interest in the life of an individual insured under a life insurance policy that is owned by the trustee of the trust acting in a fiduciary capacity or that designates the trust itself as the owner if, on the date the policy is issued:

(a) the insured is:

(i) a settlor of the trust; or

(ii) an individual in whom a settlor of the trust has, or would have had if living at the time the policy was issued, an insurable interest; and

(b) the life insurance proceeds are primarily for the benefit of one or more trust beneficiaries who have an insurable interest in the life of the insured as provided in 33-15-201.

**Section 14. Resulting trust upon failure of trust.** When the owner of property gratuitously transfers it and manifests in the trust instrument an intention that the transferee should hold the property in trust but the trust fails, the transferee holds the trust estate as a resulting trust for the transferor or the transferor's estate unless:

(1) the transferor manifested in the trust instrument an intention that no resulting trust should arise; or

(2) the intended trust fails for illegality and the policy against unjust enrichment of the transferee is outweighed by the policy against giving relief to a person who has entered into an illegal transaction.

**Section 15. Resulting trust upon full performance of trust.** When the owner of property gratuitously transfers it subject to a trust that is properly declared and that is fully performed without exhausting the trust estate, the trustee holds the surplus as a resulting trust for the transferor or the transferor's estate unless the transferor manifested in the trust instrument an intention that no resulting trust of the surplus should arise.

**Section 16. Purchase money resulting trust.** (1) When a transfer of property is made to one person and the purchase price is paid by another, a resulting trust arises in favor of the person who paid the purchase price.

(2) Subsection (1) does not apply in any of the following circumstances:

(a) whenever the party paying the purchase price manifests an intention that no resulting trust should arise;

(b) whenever the transferee is a spouse, child, or other natural object of the bounty of the person who paid the purchase price; or

(c) whenever the transfer is made in order to accomplish an illegal purpose and the policy against unjust enrichment of the transferee is outweighed by the policy against giving relief to a person who has entered into an illegal transaction.

(3) Subsection (2)(b) does not apply if the party paying the purchase price manifested an intention that the transferee should not have the beneficial interest in the property.

**Section 17. Constructive trust.** A constructive trust arises when a person holding title to property is subject to an equitable duty to convey it to another on the ground that the person holding title would be unjustly enriched if the holder were permitted to retain it.

**Section 18. Resulting trusts — constructive trusts — statute of frauds.** Resulting trusts and constructive trusts are considered to arise by operation of law and are valid under [section 56(3)].

**Section 19. Scope and effect of part — proposed action or inaction described.** (1) Subject to [section 20(2)], a trustee may give a notice of proposed action or notice of proposed inaction regarding a matter governed by [sections 88 through 104], [sections 112 through 117], the provisions of Title 72, chapter 3, part 4, or any other provision of law or [sections 1 through 132] under which a trustee has discretion to act as provided in [sections 19 through 23].

(2) For the purpose of [sections 19 through 23], a proposed action includes a course of action or a decision not to take action. [Sections 19 through 23] do not preclude an application or assertion of any other rights or remedies available to an interested party as otherwise provided in [sections 1 through 132] regarding an action to be taken or not to be taken by the trustee.

**Section 20. When use of notice authorized.** (1) The trustee who elects to provide notice pursuant to this part shall provide notice of the proposed action or notice of proposed inaction to each qualified beneficiary as provided in [sections 19 through 23].

(2) Notwithstanding any other provisions of [sections 19 through 23], the trustee may not use a notice of proposed action or notice of proposed inaction in any of the following circumstances:

(a) allowance of the trustee's compensation;

(b) allowance of compensation of the attorney for the trustee;

(c) settlement of accounts or reports;

(d) preliminary and final distributions and discharge;

(e) sale of property of the trust to the trustee or to the attorney for the trustee;

(f) exchange of property of the trust for property of the trustee or for property of the attorney for the trustee;

(g) grant of an option to purchase property of the trust to the trustee or to the attorney for the trustee;

(h) allowance, payment, or compromise of a claim of the trustee, or the attorney for the trustee, against the trust;

(i) compromise of settlement of a claim, action, or proceeding by the trust against the trustee or against the attorney for the trust; and

(j) extension, renewal, or modification of the terms of a debt or other obligation of the trustee, or the attorney for the trustee, owing to or in favor of the trust.

(3) Notice of proposed action or notice of proposed inaction is not required to be given to a qualified beneficiary who consents in writing to the proposed action or inaction. The consent may be executed at any time before or after the effective date of the proposed action or inaction.

(4) A trustee is not required to provide a copy of the notice of the proposed action or notice of proposed inaction to a qualified beneficiary who is known to the trustee but who cannot be located by the trustee after reasonable diligence or who is unknown to the trustee.

**Section 21. Content of notice.** The notice of proposed action or notice of proposed inaction must state that it is given pursuant to this part and must include all of the following:

(1) the name and mailing address of the trustee;

(2) the name and telephone number of a person who may be contacted for additional information;

(3) a description of the action or inaction proposed, the material facts upon which the trustee has relied in making its decision regarding the proposed action or inaction, and an explanation of the reasons for the action or inaction;

(4) a statement that failure of a qualified beneficiary to object within the allowed time bars the qualified beneficiary from taking any legal action against the trustee for liability within the scope of [section 22] except as provided in [section 22(3)] and that a qualified beneficiary may want to seek independent legal advice regarding the matter at the qualified beneficiary's expense;

(5) the time within which objections to the proposed action or inaction can be made, which must be at least 30 days from providing the notice of proposed action or notice of proposed inaction;

(6) the time within which objections to the proposed action or inaction can be made, which must be at least 30 days from providing the notice of proposed action or notice of proposed inaction; and

(7) the date on or after which the proposed action or inaction is effective.

**Section 22. Objection to proposed action or inaction — petition — liability of trustee.** (1) A qualified beneficiary may object to the proposed action or inaction by providing a written objection to the trustee at the address stated in the notice of proposed action or notice of proposed inaction within the time period specified in the notice of proposed action or notice of proposed inaction. The written objection may take any form reasonably calculated to communicate the objection but need not give any reason for the objection.

(2) Except as provided in subsection (3), a trustee is not liable to a qualified beneficiary for an action or inaction regarding a matter governed by this part if the trustee does not receive a written objection to the proposed action or inaction from the qualified beneficiary within the applicable period and the other requirements of this part are satisfied. Except as provided in subsection (3), if no qualified beneficiary objects under this section, the trustee is not liable to any qualified beneficiary with respect to the proposed action or inaction. This section does not apply to an unborn or minor child or an incapacitated adult unless notice of the proposed action is provided to an appropriate representative pursuant to [section 47].

(3) The failure of a qualified beneficiary to object does not preclude the qualified beneficiary from holding the trustee liable for a breach of trust in any of the following circumstances:

(a) if the qualified beneficiary at the time of the qualified beneficiary's failure to object did not have notice of the proposed action as prescribed in [sections 19 through 23]; or

(b) if the qualified beneficiary's failure to object was induced by improper conduct of the trustee.

(4) If the trustee receives a written objection to a notice of proposed action within the applicable period, either the trustee or a qualified beneficiary may petition the court to have the proposed action taken as proposed, taken with modifications, or denied. In the proceeding, the trustee has the burden of proving that the trustee's proposed action should be taken. A qualified

beneficiary who has not objected is not estopped from opposing the proposed action in the proceeding.

(5) If the trustee decides not to implement the proposed action, the trustee shall notify the qualified beneficiaries of the decision not to take the action and the reasons for the decision, and the trustee's decision not to implement the proposed action does not itself give rise to liability to any beneficiary. A qualified beneficiary may petition the court to have the action taken, and the qualified beneficiary has the burden of proving that it should be taken.

(6) If the trustee receives a written objection to a notice of proposed inaction within the applicable period, either the trustee or a qualified beneficiary may petition the court to approve the proposed inaction. In the proceeding, the trustee has the burden of proving that the trustee should not act. A qualified beneficiary who has not objected is not estopped from opposing the proposed inaction in the proceeding.

(7) If after providing a notice of proposed inaction, the trustee decides to act, the trustee shall notify the qualified beneficiaries of the decision to act and the reasons for the decision, and the trustee's decision does not itself give rise to liability to any beneficiary. A qualified beneficiary may petition the court to direct the trustee not to act, and the qualified beneficiary has the burden of proof.

**Section 23. Procedures not required.** [Sections 19 through 23] does not require a trustee to use these procedures prior to taking any action or deciding not to act.

**Section 24. Subject matter jurisdiction.** (1) The district court having jurisdiction over the trust pursuant to [sections 1 through 132] has exclusive jurisdiction of proceedings concerning the internal affairs of trusts.

(2) The district court having jurisdiction over the trust pursuant to [sections 1 through 132] has concurrent jurisdiction of the following:

(a) actions and proceedings to determine the existence of trusts;

(b) actions and proceedings by or against creditors or debtors of trusts; and

(c) other actions and proceedings involving trustees and third persons.

**Section 25. Powers of court.** In proceedings concerning the internal affairs of trusts commenced pursuant to [sections 1 through 132], the court has all the powers of a district court exercising its general jurisdiction.

**Section 26. Jurisdiction over trustees and beneficiaries.** Subject to [section 27]:

(1) by accepting the trusteeship of a trust having its principal place of administration in this state, the trustee submits personally to the jurisdiction of the court under [sections 1 through 132];

(2) to the extent of their interests in the trust, all beneficiaries of a trust having its principal place of administration in this state are subject to the jurisdiction of the court under [sections 1 through 132]; and

(3) by accepting a distribution from a trust having its principal place of administration in this state, the recipient submits personally to the jurisdiction of the courts of this state regarding any matter involving the trust.

**Section 27. Basis of jurisdiction over trust, trust property, and trust parties.** The court may exercise jurisdiction in proceedings under [sections 24 through 44] on any basis permitted by [sections 24 through 44] or by Rule 4, Montana Rules of Civil Procedure.

**Section 28. Venue.** (1) Except as otherwise provided in subsection (2), venue for a judicial proceeding involving a trust is in the county of this state in which the trust's principal place of administration is or will be located and, if the trust is created by will and the estate is not yet closed, in the county in which the decedent's estate is being administered.

(2) If a trust has no trustee, venue for a judicial proceeding for the appointment of a trustee is in a county of this state in which a beneficiary resides, in a county in which any trust property is located, and if the trust is created by will, in the county in which the decedent's estate was or is being administered.

(3) Except as otherwise provided in subsections (1) and (2), the proper county for commencement of a proceeding pursuant to [sections 1 through 132] is determined by the rules applicable to civil actions generally.

**Section 29. Rules of procedure in trust proceedings.** (1) The pleadings described in [section 37] are permitted pleadings in judicial proceedings under [sections 1 through 132].

(2) Unless specifically provided to the contrary in [sections 1 through 132] or unless inconsistent with [sections 1 through 132], the rules of civil procedure, including the rules concerning vacation of orders and appellate review, govern proceedings under [sections 1 through 132].

**Section 30. Jury trial.** There is no right to a jury trial in proceedings under [sections 1 through 132] concerning the internal affairs of trusts.

**Section 31. Application.** [Sections 32 through 35] apply to notice in proceedings commenced pursuant to [sections 24 through 44].

**Section 32. Notice — method and time of giving.** (1) If notice of a hearing on any petition is required and except for specific notice requirements as otherwise provided in [sections 1 through 132], the petitioner shall cause notice of the time and place of hearing of any petition to be given to any interested person or the person's attorney if the person has appeared by attorney or requested that notice be sent to the person's attorney.

(2) Notice must be given:

(a) by mailing a copy of the notice at least 14 days before the time set for the hearing by certified mail or ordinary first-class mail addressed to the person being notified at the post-office address given in the person's demand for notice, if any, or at the person's office or place of residence, if known;

(b) by delivering a copy of the notice to the person being notified personally at least 14 days before the time set for the hearing; or

(c) if the address or identity of any person is not known and cannot be ascertained with reasonable diligence, by publishing the notice in a weekly paper once a week for 3 consecutive weeks and, if in a newspaper published more often than once a week, by publishing on at least 3 different days of publication. There must be at least 10 days from the first to the last day of publication, both the first and last day being included.

(3) The court for good cause shown may provide for a different method or time of giving notice for any hearing.

(4) Proof of the giving of notice must be made on or before the hearing and filed in the proceeding. If it appears to the satisfaction of the court that notice has been regularly given or that the party entitled to notice has waived, the court shall so find in its order. When the order becomes final, it is conclusive on all persons, whether or not in being.

**Section 33. Waiver of notice.** A person, including a guardian ad litem, conservator, or other fiduciary, may waive notice by a writing signed by the person or the person's attorney and filed in the proceeding.

**Section 34. Pleadings — when orders or notice binding one binds another — representation.** In proceedings involving trusts, the following apply:

(1) Interests to be affected must be described in pleadings that give reasonable information to owners by name or class, by reference to the instrument creating the interests, or in other appropriate manner.

(2) Persons are bound by orders binding others in the following cases:

(a) Orders binding the sole holder or all coholders of a power of revocation or a presently exercisable general power of appointment, including one in the form of a power of amendment, bind other persons to the extent their interests, as objects, takers in default, or otherwise, are subject to the power.

(b) (i) To the extent there is no conflict of interest between them or among persons represented, orders binding a:

(A) conservator bind the person whose estate the conservator controls;

(B) guardian bind the ward if a conservator of the ward's estate has not been appointed;

(C) trustee bind beneficiaries of the trust in proceedings establishing or adding to a trust, to review the acts or accounts of a prior fiduciary, and in proceedings involving creditors or other third parties; and

(D) personal representative bind persons interested in the undistributed assets of a decedent's estate in actions or proceedings by or against the estate.

(ii) If there is no conflict of interest and a conservator or guardian has not been appointed, a parent may represent the parent's minor child.

(c) An unborn or unascertained person who is not otherwise represented is bound by an order to the extent the person's interest is adequately represented by another party having a substantially identical interest in the proceeding.

(3) Notice is required as follows:

(a) Notice as prescribed by [section 32] must be given to every interested person or to one who can bind an interested person as described in subsection (2)(a) or (2)(b). Notice may be given both to a person and to another who may bind the person.

(b) Notice is given to unborn or unascertained persons who are not represented under subsection (2)(a) or (2)(b) by giving notice to all known persons whose interests in the proceedings are substantially identical to those of the unborn or unascertained persons.

(4) At any point in a proceeding, a court may appoint a guardian ad litem to represent the interest of a minor, an incapacitated, unborn, or unascertained person, or a person whose identity or address is unknown if the court determines that representation of the interest otherwise would be inadequate. If not precluded by conflict of interests, a guardian ad litem may be appointed to represent several persons or interests. The court shall set out its reasons for appointing a guardian ad litem as a part of the record of the proceeding. The guardian ad litem is entitled to reasonable compensation and to costs and expenses, including attorney fees.

(5) The notice for a petition and hearing requesting the court to settle reports or pass upon the acts of the trustee or that otherwise may affect substantive property rights of a beneficiary or other interested party must state

that fact in the notice and must further state that failure to appear and object bars any further claims against the trustee relating to the subject matter of the petition.

**Section 35. Additional notice.** (1) The court may, on its own motion or on motion of a trustee or other person interested in the trust, require that further or additional notice be given at any stage of the proceeding. The court may prescribe the form and method of the notice to be given.

(2) A petitioner or other person required to give notice may cause notice to be given to any person interested in the trust without the need for a court order.

**Section 36. Petitioners — grounds for petition.** (1) Except as provided in [section 75], a trustee or beneficiary of a trust may petition the court under [sections 1 through 132] concerning the internal affairs of the trust or to determine the existence of the trust.

(2) Proceedings concerning the internal affairs of a trust include but are not limited to proceedings for any of the following purposes:

(a) determining questions of construction of a trust instrument;

(b) determining the existence or nonexistence of any immunity, power, privilege, duty, or right;

(c) determining the validity of a trust provision;

(d) ascertaining beneficiaries and determining to whom property must pass or be delivered upon final or partial termination of the trust, to the extent the determination is not made by the trust instrument;

(e) settling the accounts and passing upon the acts of the trustee, including the exercise of discretionary powers;

(f) instructing the trustee;

(g) compelling the trustee to provide information about the trust or submit a report to a qualified beneficiary if:

(i) the trustee has failed to provide information or submit a requested report within 60 days after written request of the qualified beneficiary; and

(ii) in the case of a report, no report has been made within 6 months preceding the request;

(h) granting powers to the trustee;

(i) fixing or allowing payment of the trustee's compensation;

(j) appointing or removing a trustee;

(k) accepting the resignation of a trustee;

(l) compelling redress of a breach of the trust by any available remedy;

(m) approving or directing the modification or termination of the trust;

(n) approving or directing the combination or division of trusts;

(o) amending or conforming the trust instrument in the manner required to qualify a decedent's estate for the charitable estate tax deduction under federal law, including the addition of mandatory governing instrument requirements for a charitable remainder trust as required by final regulations and rulings of the United States Internal Revenue Service, in any case in which all parties interested in the trust have submitted written agreement to the proposed changes or written disclaimer of interest;

(p) authorizing or directing transfer of a trust or trust property to or from another jurisdiction;

(q) directing transfer of a testamentary trust subject to continuing court jurisdiction from one county to another;

(r) approving removal of a testamentary trust from continuing court jurisdiction; or

(s) reforming or excusing compliance with the governing instrument of an organization pursuant to [section 110].

**Section 37. Commencement of proceedings.** (1) A proceeding under [sections 1 through 132] is commenced by filing a verified petition stating facts showing that the petition is authorized under [sections 1 through 132] and the grounds of the petition.

(2) The following pleadings are specifically permitted:

(a) a petition filed pursuant to [sections 1 through 132];

(b) a report or account filed in regard to a petition filed pursuant to [sections 1 through 132]; and

(c) an objection or response filed in regard to a petition, report, or account filed pursuant to [sections 1 through 132].

(3) When a petition that requires a hearing is filed with the court clerk, the clerk shall set the matter for hearing.

(4) Except as provided in 25-4-203 regarding verification by an agent or attorney, all pleadings described in subsection (2) must be verified as follows:

(a) A petition must be verified by the petitioner or, if there are two or more parties joining in the petition, by any one of the petitioners.

(b) A report or account must be verified by the person who has the duty to make the report or, if there are two or more persons having a duty to report, by any one of the persons having the duty.

(c) An objection or response must be verified by the objector or respondent or, if there are two or more parties joining in the objection or response, by any one of the objectors or respondents.

(5) In any trust proceeding, an affidavit or verified petition must be received as evidence when offered in an uncontested proceeding under [sections 1 through 132].

(6) In addition to the verification required by 25-4-203 and subsection (5), every pleading filed in connection with any trust proceeding must be signed by the attorney of the person filing the pleading if the person is represented by an attorney.

(7) Nothing in [sections 1 through 132] precludes the commencement, within a decedent's probate, of a trust proceeding for the construction of a testamentary trust, provided the probate has not previously been closed pursuant to Title 72, chapter 3, part 10.

**Section 38. Dismissal of petition.** The court may dismiss a petition if it appears that the proceeding is not reasonably necessary for the protection of the interests of the trustee or beneficiary.

**Section 39. Request for special notice.** (1) If proceedings involving a trust are pending, a beneficiary of the trust may, in person or by attorney, serve on the trustee or the trustee's attorney and file with the court clerk where the proceedings are pending a written request stating that the beneficiary desires special notice of the filing of all pleadings in the proceeding relating to any or all of the purposes described in [section 36] and giving an address for receiving notice by mail. Proof of service of the request on the trustee must be filed with the court clerk when the request is filed.

(2) Except as provided in subsection (3), after serving and filing a request and proof of service pursuant to subsection (1), the beneficiary is entitled to notice pursuant to [section 32].

(3) A request for special notice made by a beneficiary whose right to notice is restricted by [section 75] is not effective.

**Section 40. Request for copy of petition.** If a trustee or beneficiary has served and filed either a notice of appearance, in person or by counsel, directed to the petitioner or the petitioner's counsel in connection with a particular petition and proceeding or a written request for a copy of the petition and has given an address to which notice or a copy of the petition may be mailed or delivered, the petitioner shall mail a copy of the petition to the trustee or beneficiary within 5 days after service of the notice of appearance or receipt of the request.

**Section 41. Authority to make necessary orders — temporary trustee.** The court in its discretion may make any orders and take any other action necessary or proper to dispose of the matters presented by the petition, including appointment of a temporary trustee to administer the trust in whole or in part.

**Section 42. Appeal.** An appeal may be taken from the grant or denial of any final order made under [sections 1 through 132] except the following:

(1) compelling the trustee to provide information or submit a report to a qualified beneficiary pursuant to [section 36(2)(g)];

(2) accepting the resignation of a trustee pursuant to [section 36(2)(k)]; or

(3) approving removal of a testamentary trust from continuing court jurisdiction pursuant to [section 36(2)(r)].

**Section 43. Intermittent judicial intervention in trust administration.** The administration of trusts is intended to proceed expeditiously and free of judicial intervention, subject to the jurisdiction of the court.

**Section 44. Enforcement of beneficiary's rights under charitable trust by attorney general.** In a case involving a charitable trust subject to the jurisdiction of the attorney general, the attorney general may petition under [sections 1 through 132].

**Section 45. Representation — basic effect.** (1) Notice to a person who may represent and bind another person under [sections 45 through 49] has the same effect as if notice were given directly to the other person.

(2) The consent of a person who may represent and bind another person under [sections 45 through 49] is binding on the person represented unless the person represented objects to the representation by notifying the trustee or representative before the consent would otherwise have become effective.

(3) Except as otherwise provided in [sections 59 and 74], a person who under [sections 45 through 49] may represent a settlor who lacks capacity may receive notice and give a binding consent on the settlor's behalf.

(4) A settlor may not represent and bind a beneficiary under [sections 45 through 49] with respect to the termination or modification of a trust under [section 59(1)].

**Section 46. Representation by holder of general testamentary power of appointment.** To the extent there is no conflict of interest between the holder of a general testamentary power of appointment and the persons represented with respect to the particular question or dispute, the holder may

represent and bind persons whose interests, as permissible appointees, takers in default, or otherwise, are subject to the power.

**Section 47. Representation by fiduciaries and parents.** To the extent there is no conflict of interest between the representative and the person represented or among those being represented with respect to a particular question or dispute:

(1) a conservator may represent and bind the estate that the conservator controls;

(2) a guardian may represent and bind the ward if a conservator of the ward's estate has not been appointed;

(3) an agent having authority to act with respect to the particular question or dispute may represent and bind the principal;

(4) a trustee may represent and bind the beneficiaries of the trust;

(5) a personal representative of a decedent's estate may represent and bind persons interested in the estate; and

(6) a parent may represent and bind the parent's minor or unborn child if a conservator or guardian for the child has not been appointed. The parent entitled to represent and bind the child is determined in the following order of priority:

(a) the parent who is a lineal descendant of a settlor;

(b) the parent who is a beneficiary of the trust that is the subject of the representation;

(c) the parent with legal custody of the child; and

(d) if one parent cannot be determined pursuant to the preceding criteria and if a disagreement arises between the parents seeking to represent the same child, a guardian ad litem must be appointed to represent the minor child.

**Section 48. Representation by person having substantially identical interest.** Unless otherwise represented, a minor, incapacitated, or unborn individual or a person whose identity or location is unknown and not reasonably ascertainable may be represented by and bound by another having a substantially identical interest with respect to the particular question or dispute, but only to the extent there is no conflict of interest between the representative and the person represented.

**Section 49. Appointment of representative.** (1) If the court determines that an interest is not represented under [sections 45 through 49] or that the otherwise available representation might be inadequate, the court may appoint a representative to receive notice, give consent, and otherwise represent, bind, and act on behalf of a minor, incapacitated, or unborn individual or a person whose identity or location is unknown. A representative may be appointed to represent several persons or interests.

(2) A representative may act on behalf of the individual represented with respect to any matter arising under [sections 1 through 132], whether or not a judicial proceeding concerning the trust is pending.

(3) In making decisions, a representative may consider general benefit accruing to the living members of the individual's family.

**Section 50. Methods of creating trust.** A trust may be created by:

(1) transfer of property to a person as trustee during the settlor's lifetime or by will or other disposition taking effect upon the settlor's death;

(2) declaration by the owner of property that the owner holds identifiable property as trustee; or

(3) exercise of a power of appointment in favor of a trustee.

**Section 51. Requirements for creation.** (1) A trust is created only if:

(a) the settlor has capacity to create a trust;

(b) the settlor indicates an intention to create the trust;

(c) the trust has a definite beneficiary or is:

(i) a charitable trust;

(ii) a trust for the care of an animal, as provided in [section 57]; or

(iii) a trust for a noncharitable purpose, as provided in [section 58];

(d) the trustee has duties to perform; and

(e) the same person is not the sole trustee and sole beneficiary.

(2) A beneficiary is definite if the beneficiary can be ascertained now or in the future, subject to any applicable rule against perpetuities.

(3) A power in a trustee to select a beneficiary from an indefinite class is valid. If the power is not exercised within a reasonable time, the power fails and the property subject to the power passes to the persons who would have taken the property had the power not been conferred.

(4) A conservation easement created or conveyed under Title 76, chapter 6, does not create a charitable trust unless the settlor expresses a clear intention in the conservation easement instrument to create or convey the conservation easement as a charitable trust.

**Section 52. Trusts created in other jurisdictions.** A trust not created by will is validly created if its creation complies with the law of the jurisdiction in which the trust instrument was executed or the law of the jurisdiction in which, at the time of creation:

(1) the settlor was domiciled, had a place of abode, or was a national;

(2) a trustee was domiciled or had a place of business; or

(3) any trust property was located.

**Section 53. Trust purposes.** A trust may be created only to the extent its purposes are lawful, not contrary to public policy, and possible to achieve. A trust and its terms must be for the benefit of its beneficiaries.

**Section 54. Charitable purposes — enforcement.** (1) A charitable trust may be created for the relief of poverty, the advancement of education or religion, the promotion of health, governmental or municipal purposes, or other purposes the achievement of which is beneficial to the community.

(2) If the terms of a charitable trust do not indicate a particular charitable purpose or beneficiary, the court may select one or more charitable purposes or beneficiaries. The selection must be consistent with the settlor's intention to the extent it can be ascertained.

(3) A proceeding to enforce a charitable trust may be brought by the settlor, the attorney general, a charitable organization expressly named in the trust to receive distributions, or any other person with standing.

**Section 55. Creation of trust induced by fraud, duress, or undue influence.** A trust is void to the extent its creation was induced by fraud, duress, or undue influence.

**Section 56. Statute of frauds.** A trust is not valid unless evidenced by one of the following methods:

(1) by a written instrument signed by the trustee or by the trustee's agent if authorized in writing to do so;

(2) by a written instrument signed by the settlor or by the settlor's agent if authorized in writing to do so; or

(3) by operation of law.

**Section 57. Trust for care of animal.** (1) A trust may be created to provide for the care of an animal alive during the settlor's lifetime. The trust terminates upon the death of the animal or, if the trust was created to provide for the care of more than one animal alive during the settlor's lifetime, upon the death of the last surviving animal.

(2) A trust authorized by this section may be enforced by a person appointed in the terms of the trust or, if no person is so appointed, by a person appointed by the court. A person having an interest in the welfare of the animal may request the court to appoint a person to enforce the trust or to remove a person appointed.

(3) Property of a trust authorized by this section may be applied only to its intended use, except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use. Except as otherwise provided in the terms of the trust, property not required for the intended use must be distributed to the settlor, if then living, and otherwise to the settlor's successors in interest.

**Section 58. Noncharitable trust without ascertainable beneficiary.** Except as otherwise provided in [section 57] or by another statute, the following rules apply:

(1) A trust may be created for a noncharitable purpose without a definite or definitely ascertainable beneficiary or for a noncharitable but otherwise valid purpose to be selected by the trustee. The trust may not be enforced for more than 21 years.

(2) A trust authorized by this section may be enforced by a person appointed in the terms of the trust or, if no person is so appointed, by a person appointed by the court.

(3) Property of a trust authorized by this section may be applied only to its intended use, except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use. Except as otherwise provided in the terms of the trust, property not required for the intended use must be distributed to the settlor, if then living, and otherwise to the settlor's successors in interest.

**Section 59. Modification or termination of trust — proceedings for approval or disapproval.** (1) In addition to the methods of termination prescribed by [sections 60 through 63], a trust terminates to the extent the trust is revoked or expires pursuant to its terms, no purpose of the trust remains to be achieved, or the purposes of the trust have become unlawful, contrary to public policy, or impossible to achieve.

(2) A proceeding to approve or disapprove a proposed modification or termination under [sections 60 through 65] or a trust combination or division under [section 66] may be commenced by a trustee or beneficiary, and a proceeding to approve or disapprove a proposed modification or termination under [section 60] may be commenced by the settlor. The settlor of a charitable trust may maintain a proceeding to modify the trust under [section 62].

**Section 60. Modification or termination of irrevocable trust by consent.** (1) An irrevocable trust may be modified or terminated upon consent of the settlor and all beneficiaries, even if the modification or termination is inconsistent with a material noncharitable purpose of the trust. Modification or

termination of a charitable trust requires the consent of the attorney general. A settlor's power to consent to a trust's modification or termination may be exercised by an agent under a power of attorney only to the extent expressly authorized by the power of attorney and the terms of the trust; by the settlor's conservator with the approval of the court supervising the conservatorship if an agent is not so authorized; or by the settlor's guardian with the approval of the court supervising the guardianship if an agent is not so authorized and a conservator has not been appointed. This subsection does not apply to irrevocable trusts created before or to revocable trusts that became irrevocable before October 1, 1989.

(2) An irrevocable trust may be terminated upon consent of all of the beneficiaries if the court concludes that continuance of the trust is not necessary to achieve any material purpose of the trust. An irrevocable trust may be modified upon consent of all of the beneficiaries if the court concludes that modification is not inconsistent with a material purpose of the trust. Modification or termination of a charitable trust requires the consent of the attorney general.

(3) A spendthrift provision in the terms of the trust is presumed to constitute a material purpose of the trust.

(4) Upon termination of a trust under subsection (1) or (2), the trustee shall distribute the trust property as agreed by the beneficiaries. In the case of a charitable trust, the trust property must be distributed in accord with the terms of the trust, and in the absence of applicable terms, consistent with the charitable purposes of the trust as agreed by the attorney general and the beneficiaries or, if there are no charitable organizations with the rights of a beneficiary and the termination is pursuant to subsection (1), then as agreed by the settlor and the attorney general, but if the termination is pursuant to subsection (2), then as decided by the court.

(5) If not all of the beneficiaries consent to a proposed modification or termination of the trust under subsection (1) or (2), the modification or termination may be approved by the court if the court is satisfied that:

(a) if all of the beneficiaries had consented, the trust could have been modified or terminated under this section; and

(b) the interests of a beneficiary who does not consent will be adequately protected.

**Section 61. Modification or termination because of unanticipated circumstances or inability to administer trust effectively.** (1) The court may modify the administrative or dispositive terms of a trust or terminate the trust if, because of circumstances not anticipated by the settlor, modification or termination will further the purposes of the trust. To the extent practicable, the modification must be made in accordance with the settlor's probable intention.

(2) The court may modify the administrative terms of a trust if continuation of the trust on its existing terms would be impracticable or wasteful or impair the trust's administration.

(3) Upon termination of a trust under this section, the trustee shall distribute the trust property in a manner consistent with the purposes of the trust.

**Section 62. Cy pres.** (1) Except as otherwise provided in subsection (2), if a particular charitable purpose becomes unlawful, impracticable, impossible to achieve, or wasteful:

(a) the trust does not fail, in whole or in part;

(b) the trust property does not revert to the settlor or the settlor's successors in interest; and

(c) the court may apply cy pres to modify or terminate the trust by directing that the trust property be applied or distributed, in whole or in part, in a manner consistent with the settlor's charitable purposes.

(2) A provision in the terms of a charitable trust that would result in distribution of the trust property to a noncharitable beneficiary prevails over the power of the court under subsection (1) to apply cy pres to modify or terminate the trust only if, when the provision takes effect:

(a) the trust property is to revert to the settlor and the settlor is still living; or

(b) fewer than 21 years have elapsed since the date of the trust's creation.

**Section 63. Modification or termination of uneconomic trust.** (1) After notice to the qualified beneficiaries, the trustee of a trust consisting of trust property having a total value less than $100,000 may terminate the trust if the trustee concludes that the value of the trust property is insufficient to justify the cost of administration.

(2) The court may modify or terminate a trust or remove the trustee and appoint a different trustee if it determines that the value of the trust property is insufficient to justify the cost of administration.

(3) Upon termination of a trust under this section, the trustee shall distribute the trust property in a manner consistent with the purposes of the trust.

**Section 64. Reformation to correct mistakes.** The court may reform the terms of a trust, even if unambiguous, to conform the terms to the settlor's intention if it is proved by clear and convincing evidence what the settlor's intention was and that the terms of the trust were affected by a mistake of fact or law, whether in expression or inducement.

**Section 65. Modification to achieve settlor's tax objectives.** To achieve the settlor's tax objectives, the court may modify the terms of a trust in a manner that is not contrary to the settlor's probable intention. The court may provide that the modification has retroactive effect.

**Section 66. Combination and division of trusts.** After notice to the qualified beneficiaries, a trustee may combine two or more trusts into a single trust or divide a trust into two or more separate trusts if the result does not impair rights of any beneficiary or adversely affect achievement of the purposes of the trust.

**Section 67. Rights of beneficiary's creditor or assignee.** To the extent a beneficiary's interest is not subject to a spendthrift provision, the court may authorize a creditor or assignee of the beneficiary to reach the beneficiary's interest by attachment of present or future distributions to or for the benefit of the beneficiary or other means. The court may limit the award to the relief that is appropriate under the circumstances.

**Section 68. Spendthrift provision.** (1) A spendthrift provision is valid only if it restrains both voluntary and involuntary transfer of a beneficiary's interest.

(2) A term of a trust providing that the interest of a beneficiary is held subject to a "spendthrift trust", or words of similar import, is sufficient to restrain both voluntary and involuntary transfer of the beneficiary's interest.

(3) A beneficiary may not transfer an interest in a trust in violation of a valid spendthrift provision, and except as otherwise provided in [sections 67 through

72], a creditor or assignee of the beneficiary may not reach the interest or a distribution by the trustee before its receipt by the beneficiary.

**Section 69. Discretionary trusts — effect of standard.** (1) Whether or not a trust contains a spendthrift provision, a creditor of a beneficiary may not compel a distribution that is subject to the trustee's discretion even if:

(a) the discretion is expressed in the form of a standard of distribution; or

(b) the trustee has abused the discretion.

(2) This section does not limit the right of a beneficiary to maintain a judicial proceeding against a trustee for an abuse of discretion or failure to comply with a standard for distribution.

(3) If the trustee's or cotrustee's discretion to make distributions for the trustee's or cotrustee's own benefit is limited by an ascertainable standard, a creditor may not reach or compel distribution of the beneficial interest except to the extent the interest would be subject to the creditor's claim were the beneficiary not acting as trustee or cotrustee.

**Section 70. Creditor's claim against settlor.** (1) Whether or not the terms of a trust contain a spendthrift provision, the following rules apply:

(a) During the lifetime of the settlor, the property of a revocable trust is subject to claims of the settlor's creditors.

(b) With respect to an irrevocable trust, a creditor or assignee of the settlor may reach the maximum amount that can be distributed to or for the settlor's benefit. If a trust has more than one settlor, the amount the creditor or assignee of a particular settlor may reach may not exceed the settlor's interest in the portion of the trust attributable to that settlor's contribution. A trustee's discretionary authority to pay directly or to reimburse the settlor for any tax that is payable by the settlor on trust income or principal may not be considered to be an amount that can be distributed to or for the settlor's benefit, and a creditor or assignee of the settlor is not entitled to reach any amount solely by reason of this discretionary authority.

(c) After the death of a settlor, and subject to the settlor's right to direct the source from which liabilities will be paid, the property of a trust that was revocable at the settlor's death is subject to claims of the settlor's creditors, costs of administration of the settlor's estate, the expenses of the settlor's funeral and disposal of remains, and statutory allowances to a surviving spouse and children to the extent the settlor's probate estate is inadequate to satisfy those claims, costs, expenses, and allowances.

(2) For purposes of this section:

(a) during the period the power may be exercised, the holder of a power of withdrawal is treated in the same manner as the settlor of a revocable trust to the extent of the property subject to the power; and

(b) upon the lapse, release, or waiver of the power, the holder is treated as the settlor of the trust only to the extent the value of the property affected by the lapse, release, or waiver exceeds the greater of the amount specified in section 2041(b)(2) or 2514(e) of the Internal Revenue Code of 1986, or section 2503(b) of the Internal Revenue Code of 1986, in each case as in effect on the effective date of [sections 1 through 132] or as later amended.

**Section 71. Overdue distribution.** (1) (a) In this section, "mandatory distribution" means a distribution of income or principal that the trustee is required to make to a beneficiary under the terms of the trust, including a distribution upon termination of the trust.

(b) The term does not include a distribution subject to the exercise of the trustee's discretion even if:

(i) the discretion is expressed in the form of a standard of distribution; or

(ii) the terms of the trust authorizing a distribution couple language of discretion with language of direction.

(2) Whether or not a trust contains a spendthrift provision, a creditor or assignee of a beneficiary may reach a mandatory distribution of income or principal, including a distribution upon termination of the trust, if the trustee has not made the distribution to the beneficiary within a reasonable time after the designated distribution date.

**Section 72. Personal obligations of trustee.** Trust property is not subject to personal obligations of the trustee, even if the trustee becomes insolvent or bankrupt.

**Section 73. Capacity of settlor of revocable trust.** The capacity required to create, amend, revoke, or add property to a revocable trust or to direct the actions of the trustee of a revocable trust is the same as that required to make a will.

**Section 74. Revocation or amendment of revocable trust.** (1) Unless the terms of a trust expressly provide that the trust is irrevocable, the settlor may revoke or amend the trust. This subsection does not apply to a trust created under an instrument executed before October 1, 1989.

(2) If a revocable trust is created or funded by more than one settlor:

(a) to the extent the trust consists of community property, the trust may be revoked by either party acting alone but may be amended only by joint action of both parties;

(b) to the extent the trust consists of property other than community property, each settlor may revoke or amend the trust with regard the portion of the trust property attributable to that settlor's contribution; and

(c) upon the revocation or amendment of the trust by fewer than all of the settlors, the trustee shall promptly provide notice to the other settlors of the revocation or amendment.

(3) The settlor may revoke or amend a revocable trust:

(a) by substantial compliance with a method provided in the terms of the trust; or

(b) if the terms of the trust do not provide a method, by a writing delivered to the trustee manifesting clear and convincing evidence of the settlor's intent.

(4) Upon revocation of a revocable trust, the trustee shall deliver the trust property as the settlor directs. However, with respect to community property under subsection (2)(a), the trustee shall deliver the property to the respective spouses, proportionate to their respective shares of the community property as prescribed by the laws of the state out of which the community property interest arose, and the nonrevoking spouse may elect to have the trust continue with respect to that spouse's share of the community property.

(5) A settlor's powers with respect to revocation, amendment, or distribution of trust property may be exercised by an agent under a power of attorney only to the extent expressly authorized by the terms of the trust and the power of attorney.

(6) A conservator of the settlor or, if no conservator has been appointed, a guardian of the settlor may exercise a settlor's powers with respect to

revocation, amendment, or distribution of trust property only with the approval of the court supervising the conservatorship or guardianship.

(7) A trustee who does not know that a trust has been revoked or amended is not liable to the settlor or settlor's successors in interest for distributions made and other actions taken on the assumption that the trust had not been amended or revoked.

**Section 75. Settlor's powers — powers of withdrawal.** (1) Notwithstanding any other provision in [sections 1 through 132], while a trust is revocable, all rights of the beneficiaries, including the right to consent to any action, are exercisable solely by the settlor, and all duties of the trustee, including the duty to provide notice, are owed exclusively to the settlor.

(2) During the period the power may be exercised, the holder of a power of withdrawal has the rights of a settlor of a revocable trust under this section to the extent of the property subject to the power.

**Section 76. Limitation on action contesting validity of revocable trust — distribution of trust property.** (1) A person may commence a judicial proceeding to contest the validity of a trust that was revocable at the settlor's death within the earlier of:

(a) 3 years after the settlor's death; or

(b) 120 days after the trustee sent the person a copy of the trust instrument and a notice informing the person of the trust's existence, of the trustee's name and address, and of the time allowed for commencing a proceeding.

(2) Upon the death of the settlor of a trust that was revocable at the settlor's death, the trustee may proceed to distribute the trust property in accordance with the terms of the trust. The trustee is not subject to liability for doing so unless:

(a) the trustee knows of a pending judicial proceeding contesting the validity of the trust; or

(b) a potential contestant has notified the trustee of a possible judicial proceeding to contest the trust and a judicial proceeding is commenced within 60 days after the contestant sent the notification.

(3) A beneficiary of a trust that is determined to have been invalid is liable to return any distribution received.

**Section 77. Fees and expenses — by whom paid.** When the validity of a trust that was revocable at the settlor's death is contested through a judicial proceeding, the attorney fees and costs, as provided in 25-10-201, incurred in defending the validity of the trust must be paid by the party contesting the validity of the trust if the trust is found valid. If the trust is found invalid, costs as provided in 25-10-201, but not attorney fees of the objecting party, must be paid by the party who defended the validity of the trust or out of the trust property, as the court directs.

**Section 78. Separate writing identifying disposition of tangible personal property.** (1) A revocable trust instrument may refer to a written statement or list to dispose of items of tangible personal property not otherwise specifically disposed of by the trust, other than money.

(2) To be admissible under this section as evidence of the intended disposition, the writing must be signed by the settlor and must describe the items and the devisees with reasonable certainty.

(3) The writing may be:

(a) referred to as one to be in existence at the time of the settlor's death;

(b) prepared before or after the execution of the trust;

(c) altered by the settlor after its preparation; and

(d) a writing that has no significance apart from its effect upon the dispositions made by the trust.

**Section 79. Accepting or declining trusteeship.** (1) Except as otherwise provided in subsection (3), a person designated as trustee accepts the trusteeship:

(a) by substantially complying with a method of acceptance provided in the terms of the trust; or

(b) if the terms of the trust do not provide a method or the method provided in the terms is not expressly made exclusive, by accepting delivery of the trust property, exercising powers or performing duties as trustee, or otherwise indicating acceptance of the trusteeship.

(2) A person designated as trustee who has not yet accepted the trusteeship may reject the trusteeship. A designated trustee who does not accept the trusteeship within a reasonable time after knowing of the designation is considered to have rejected the trusteeship.

(3) A person designated as trustee, without accepting the trusteeship, may:

(a) act to preserve the trust property if, within a reasonable time after acting, the person sends a rejection of the trusteeship to the settlor or, if the settlor is dead or lacks capacity, to a qualified beneficiary; and

(b) inspect or investigate trust property to determine potential liability under environmental or other law or for any other purpose.

**Section 80. Trustee's bond.** (1) A trustee shall give bond to secure performance of the trustee's duties only if the court finds that a bond is needed to protect the interests of the beneficiaries or is required by the terms of the trust and the court has not dispensed with the requirement.

(2) The court may specify the amount of a bond, its liabilities, and whether sureties are necessary. The court may modify or terminate a bond at any time.

(3) A regulated financial-service institution qualified to do trust business in this state need not give bond, even if required by the terms of the trust.

**Section 81. Cotrustees.** (1) Cotrustees who are unable to reach a unanimous decision may act by majority decision.

(2) If a vacancy occurs in a cotrusteeship, the remaining cotrustees may act for the trust.

(3) A cotrustee shall participate in the performance of a trustee's function unless the cotrustee is unavailable to perform the function because of absence, illness, disqualification under other law, or other temporary incapacity or the cotrustee has properly delegated the performance of the function to another trustee.

(4) If a cotrustee is unavailable to perform duties because of absence, illness, disqualification under other law, or other temporary incapacity and prompt action is necessary to achieve the purposes of the trust or to avoid injury to the trust property, the remaining cotrustee or a majority of the remaining cotrustees may act for the trust.

(5) A trustee may not delegate to a cotrustee the performance of a function the settlor reasonably expected the trustees to perform jointly. Unless a delegation was irrevocable, a trustee may revoke a delegation previously made.

(6) Except as otherwise provided in subsection (7), a trustee who does not join in an action of another trustee is not liable for the action.

(7) Each trustee shall exercise reasonable care to:

(a) prevent a cotrustee from committing a serious breach of trust; and

(b) compel a cotrustee to redress a serious breach of trust.

(8) A dissenting trustee who joins in an action at the direction of the majority of the trustees and who notifies any cotrustee of the dissent at or before the time of the action is not liable for the action unless the action is a serious breach of trust.

**Section 82. Vacancy in trusteeship — appointment of successor.** (1) A vacancy in a trusteeship occurs if:

(a) a person designated as trustee rejects the trusteeship;

(b) a person designated as trustee cannot be identified or does not exist;

(c) a trustee resigns;

(d) a trustee is disqualified or removed;

(e) a trustee dies;

(f) a guardian or conservator is appointed for an individual serving as trustee; or

(g) a trustee has been ordered committed as provided in 53-21-102.

(2) If one or more cotrustees remain in office, a vacancy in a trusteeship need not be filled. A vacancy in a trusteeship must be filled if the trust has no remaining trustee.

(3) A vacancy in a trusteeship of a trust that is required to be filled must be filled in the following order of priority:

(a) by a person designated in the terms of the trust to act as successor trustee;

(b) by a person appointed by unanimous agreement of the qualified beneficiaries; or

(c) by a person appointed by the court.

(4) Whether or not a vacancy in a trusteeship exists or is required to be filled, the court may appoint an additional trustee or special fiduciary whenever the court considers the appointment necessary for the administration of the trust.

**Section 83. Resignation of trustee.** (1) A trustee may resign:

(a) upon at least 30 days' notice to the qualified beneficiaries, the settlor, if living, and all cotrustees; or

(b) with the approval of the court.

(2) In approving a resignation, the court may issue orders and impose conditions reasonably necessary for the protection of the trust property.

(3) Any liability of a resigning trustee or of any sureties on the trustee's bond for acts or omissions of the trustee is not discharged or affected by the trustee's resignation.

**Section 84. Removal of trustee.** (1) The settlor, a cotrustee, or a beneficiary may request the court to remove a trustee, or a trustee may be removed by the court on its own initiative.

(2) The court may remove a trustee if:

(a) the trustee has committed a serious breach of trust;

(b) lack of cooperation among cotrustees substantially impairs the administration of the trust;

(c) because of unfitness, unwillingness, or persistent failure of the trustee to administer the trust effectively and impartially, the court determines that removal of the trustee best serves the interests of the beneficiaries; or

(d) there has been a substantial change of circumstances or removal is requested by all of the qualified beneficiaries, the court finds that removal of the trustee best serves the interests of all of the beneficiaries and is not inconsistent with a material purpose of the trust, and a suitable cotrustee or successor trustee is available.

(3) Pending a final decision on a request to remove a trustee or in lieu of or in addition to removing a trustee, the court may order appropriate relief under [section 118(2)] as may be necessary to protect the trust property or the interests of the beneficiaries.

**Section 85. Delivery of property by former trustee.** (1) Unless a cotrustee remains in office or the court otherwise orders, and until the trust property is delivered to a successor trustee or other person entitled to it, a trustee who has resigned or been removed has the duties of a trustee and the powers necessary to protect the trust property.

(2) A trustee who has resigned or been removed shall proceed expeditiously to deliver the trust property within the trustee's possession to the cotrustee, successor trustee, or other person entitled to it. If a trustee fails to deliver trust property as required in this subsection:

(a) the resigned or removed trustee is personally liable for the actual damages incurred as a result of the failure to deliver trust property; and

(b) the court, in its discretion, may order the resigned or removed trustee personally to pay the reasonable attorney fees incurred in enforcing the resigned or removed trustee's duty to deliver trust property.

**Section 86. Compensation of trustee.** (1) If the terms of a trust do not specify the trustee's compensation, a trustee is entitled to compensation that is reasonable under the circumstances.

(2) If the terms of a trust specify the trustee's compensation, the trustee is entitled to be compensated as specified, but the court may allow more or less compensation if:

(a) the duties of the trustee are substantially different from those contemplated when the trust was created; or

(b) the compensation specified by the terms of the trust would be unreasonably low or high.

**Section 87. Reimbursement of expenses.** (1) A trustee is entitled to be reimbursed out of the trust property, with interest as appropriate, for:

(a) expenses that were properly incurred in the administration of the trust; and

(b) to the extent necessary to prevent unjust enrichment of the trust, expenses that were not properly incurred in the administration of the trust.

(2) An advance by the trustee of money for the protection of the trust gives rise to a lien against trust property to secure reimbursement with reasonable interest.

**Section 88. Duty to administer trust.** Upon acceptance of a trusteeship, the trustee shall administer the trust expeditiously and in good faith, in accordance with its terms and purposes and the interests of the beneficiaries, and in accordance with [sections 1 through 132].

**Section 89. Duty of loyalty.** (1) A trustee shall administer the trust solely in the interests of the beneficiaries.

(2) Subject to the rights of persons dealing with or assisting the trustee as provided in [section 130], a sale, encumbrance, or other transaction involving the investment or management of trust property entered into by the trustee for the trustee's own personal account or that is otherwise affected by a conflict between the trustee's fiduciary and personal interests is voidable by a beneficiary affected by the transaction unless:

(a) the transaction was authorized by the terms of the trust;

(b) the transaction was approved by the court;

(c) the beneficiary did not commence a judicial proceeding within the time allowed by [section 122];

(d) the beneficiary consented to the trustee's conduct, ratified the transaction, or released the trustee in compliance with [section 126]; or

(e) the transaction involves a contract entered into or claim acquired by the trustee before the person became or contemplated becoming trustee.

(3) A sale, encumbrance, or other transaction involving the investment or management of trust property is presumed to be affected by a conflict between personal and fiduciary interests if it is entered into by the trustee with:

(a) the trustee's spouse;

(b) the trustee's descendants, siblings, parents, or their spouses;

(c) an agent or attorney of the trustee; or

(d) a corporation or other person or enterprise in which the trustee, or a person who owns a significant interest in the trustee, has an interest that might affect the trustee's best judgment.

(4) A transaction between a trustee and a beneficiary that does not concern trust property but that occurs during the existence of the trust or while the trustee retains significant influence over the beneficiary and from which the trustee obtains an advantage is voidable by the beneficiary unless the trustee establishes that the transaction was fair to the beneficiary. However, a beneficiary's gift to charity or to a trust for a charity's benefit is not voidable by this subsection even though the charity may be, or may have been, serving as trustee of a trust created for the benefit of the beneficiary.

(5) A transaction not concerning trust property in which the trustee engages in the trustee's individual capacity involves a conflict between personal and fiduciary interests if the transaction concerns an opportunity properly belonging to the trust.

(6) An investment by a trustee in securities of an investment company or investment trust to which the trustee or its affiliate provides services in a capacity other than as trustee is not presumed to be affected by a conflict between personal and fiduciary interests if the investment otherwise complies with the prudent investor rule of [sections 112 through 117]. In addition to its compensation for acting as trustee, the trustee may be compensated by the investment company or investment trust for providing those services out of fees charged to the trust. If the trustee receives compensation from the investment company or investment trust for providing investment advisory or investment management services, the trustee must at least annually notify the persons entitled under [section 100] to receive a copy of the trustee's annual report of the rate and method by which that compensation was determined.

(7) In voting shares of stock or in exercising powers of control over similar interests in other forms of enterprise, the trustee shall act in the best interests of the beneficiaries. If the trust is the sole owner of a corporation or other form of enterprise, the trustee shall elect or appoint directors or other managers who will manage the corporation or enterprise in the best interests of the beneficiaries.

(8) This section does not preclude the following transactions, if fair to the beneficiaries:

(a) an agreement between a trustee and a beneficiary relating to the appointment or compensation of the trustee;

(b) payment of reasonable compensation to the trustee;

(c) a transaction between a trust and another trust, decedent's estate, or conservatorship of which the trustee is a fiduciary or in which a beneficiary has an interest;

(d) a deposit of trust money in a regulated financial-service institution operated by the trustee; or

(e) an advance by the trustee of money for the protection of the trust.

(9) The court may appoint a special fiduciary to make a decision with respect to any proposed transaction that might violate this section if entered into by the trustee.

**Section 90. Impartiality.** If a trust has two or more beneficiaries, the trustee shall act impartially in investing, managing, and distributing the trust property, giving due regard to the beneficiaries' respective interests.

**Section 91. Prudent administration.** A trustee shall administer the trust as a prudent person would, by considering the purposes, terms, distributional requirements, and other circumstances of the trust. In satisfying this standard, the trustee shall exercise reasonable care, skill, and caution.

**Section 92. Costs of administration.** In administering a trust, the trustee may incur only costs that are reasonable in relation to the trust property, the purposes of the trust, and the skills of the trustee.

**Section 93. Trustee's skills.** A trustee who has special skills or expertise or is named trustee in reliance upon the trustee's representation that the trustee has special skills or expertise shall use those special skills or expertise.

**Section 94. Delegation by trustee.** (1) A trustee may delegate duties and powers that a prudent trustee of comparable skills could properly delegate under the circumstances. The trustee shall exercise reasonable care, skill, and caution in:

(a) selecting an agent;

(b) establishing the scope and terms of the delegation, consistent with the purposes and terms of the trust; and

(c) periodically reviewing the agent's actions in order to monitor the agent's performance and compliance with the terms of the delegation.

(2) In performing a delegated function, an agent owes a duty to the trust to exercise reasonable care to comply with the terms of the delegation.

(3) A trustee who complies with subsection (1) is not liable to the beneficiaries or to the trust for an action of the agent to whom the function was delegated.

(4) By accepting a delegation of powers or duties from the trustee of a trust that is subject to the law of this state, an agent submits to the jurisdiction of the courts of this state.

**Section 95. Powers to direct.** (1) While a trust is revocable, the trustee may follow a direction of the settlor that is contrary to the terms of the trust.

(2) If the terms of a trust confer upon a person other than the settlor of a revocable trust the power to direct certain actions of the trustee, the trustee shall act in accordance with an exercise of the power unless the attempted exercise is manifestly contrary to the terms of the trust or the trustee knows the attempted exercise would constitute a serious breach of a fiduciary duty that the person holding the power owes to the beneficiaries of the trust.

(3) The terms of a trust may confer upon a trustee or other person a power to direct the modification or termination of the trust.

(4) A person other than a beneficiary who holds a power to direct is presumptively a fiduciary who, as such, is required to act in good faith with regard to the purposes of the trust and the interests of the beneficiaries. The holder of a power to direct is liable for any loss that results from breach of a fiduciary duty.

**Section 96. Control and protection of trust property.** A trustee shall take reasonable steps to take control of and protect the trust property.

**Section 97. Recordkeeping and identification of trust property.** (1) A trustee shall keep adequate records of the administration of the trust.

(2) A trustee shall keep trust property separate from the trustee's own property.

(3) Except as otherwise provided in subsection (4), a trustee shall designate the trust property so that the interest of the trust, to the extent feasible, appears in records maintained by a party other than a trustee or beneficiary.

(4) If the trustee maintains records clearly indicating the respective interests, a trustee may invest as a whole the property of two or more separate trusts.

**Section 98. Enforcement and defense claims.** A trustee shall take reasonable steps to enforce claims of the trust and to defend claims against the trust.

**Section 99. Collecting trust property.** A trustee shall take reasonable steps to compel a former trustee or other person to deliver trust property to the trustee and to redress a breach of trust known to the trustee to have been committed by a former trustee.

**Section 100. Duty to inform and report.** A trustee shall comply with the following provisions unless the trust instrument specifically limits or waives any of these requirements:

(1) A trustee shall keep the qualified beneficiaries of the trust reasonably informed about the administration of the trust and of the material facts necessary for them to protect their interests. A trustee shall promptly respond to a qualified beneficiary's request for information that is reasonably necessary to enable the qualified beneficiary to enforce the rights of the qualified beneficiary under the trust or to prevent or redress a breach of trust.

(2) A trustee:

(a) upon request of any beneficiary, shall promptly furnish to the beneficiary a copy of the portions of the trust instrument that describe or affect the beneficiary's interest;

(b) within 60 days after accepting a trusteeship, shall notify the qualified beneficiaries of the acceptance and of the trustee's name, address, and telephone number;

(c) within 60 days after the date the trustee acquires knowledge of the creation of an irrevocable trust or the date the trustee acquires knowledge that a formerly revocable trust has become irrevocable, whether by the death of the settlor or otherwise, shall notify the qualified beneficiaries of the trust's existence, of the identity of the settlor or settlors, of the right to request a copy of portions of the trust instrument as provided in subsection (2)(a), and of the right to a trustee's report as provided in subsection (3); and

(d) shall notify the qualified beneficiaries in advance of any change in the method or rate of the trustee's compensation.

(3) A trustee shall send to the distributees or permissible distributees of trust income or principal and to other qualified beneficiaries who request it, at least annually, on a calendar year or fiscal year basis consistent with tax reporting requirements and at the termination of the trust, a report of the trust property, liabilities, receipts, and disbursements, including the source and amount of the trustee's compensation, a listing of the trust assets and, if feasible, their respective market values including any cash, cash equivalents, stocks, bonds, mutual funds, or other securities, investments, or investment property held by the trustee as of the last business day of the calendar year or fiscal period, if the fair market value is readily ascertainable or the property is traded on an established public market. An appraisal or statement of fair market value may not be required for any real estate, closely held business, or other property held by the trustee as of that date if the fair market value is not readily ascertainable or traded on an established public market. A qualified beneficiary must also receive, upon request, copies of any applicable income, estate, or transfer tax returns relevant to the administration of the trust. Upon a vacancy in a trusteeship, unless a cotrustee remains in office, a report must be sent to the qualified beneficiaries by the former trustee. A personal representative, conservator, or guardian may send the qualified beneficiaries a report on behalf of a deceased or incapacitated trustee.

(4) A qualified beneficiary may waive the right to a trustee's report or other information otherwise required to be furnished under this section. A qualified beneficiary, with respect to future reports and other information, may withdraw a waiver previously given.

(5) Subsections (2)(b) and (2)(c) do not apply to a trustee who accepts a trusteeship before October 1, 2013, to an irrevocable trust created before October 1, 2013, or to a revocable trust that becomes irrevocable before October 1, 2013.

**Section 101. Discretionary powers — tax savings.** (1) Notwithstanding the breadth of discretion granted to a trustee in the terms of the trust, including the use of such terms as "absolute", "sole", or "uncontrolled", the trustee shall exercise a discretionary power in good faith and in accordance with the terms and purposes of the trust and the interests of the beneficiaries.

(2) Subject to subsection (4) and unless the terms of the trust expressly indicate that a rule in this subsection does not apply:

(a) a person other than a settlor who is a beneficiary and trustee of a trust that confers on the trustee a power to make discretionary distributions to or for the trustee's personal benefit may exercise the power only in accordance with an ascertainable standard; and

(b) a trustee may not exercise a power to make discretionary distributions to satisfy a legal obligation of support that the trustee personally owes another person.

(3) A power whose exercise is limited or prohibited by subsection (2) may be exercised by a majority of the remaining trustees whose exercise of the power is not so limited or prohibited. If the power of all trustees is so limited or prohibited, the court may appoint a special fiduciary with authority to exercise the power.

(4) Subsection (2) does not apply to:

(a) a power held by the settlor's spouse who is the trustee of a trust for which a marital deduction, as defined in section 2056(b)(5) or 2523(e) of the Internal Revenue Code of 1986, as in effect on the effective date of [sections 1 through 132] or as later amended, was previously allowed;

(b) any trust during any period that the trust may be revoked or amended by its settlor; or

(c) a trust if contributions to the trust qualify for the annual exclusion under section 2503(c) of the Internal Revenue Code of 1986, as in effect on the effective date of [sections 1 through 132] or as later amended.

**Section 102. General powers of trustee.** (1) A trustee, without authorization by the court, may exercise:

(a) powers conferred by the terms of the trust; and

(b) except as limited by the terms of the trust:

(i) all powers over the trust property that an unmarried competent owner has over individually owned property;

(ii) any other powers appropriate to achieve the proper investment, management, and distribution of the trust property; and

(iii) any other powers conferred by [sections 1 through 132].

(2) The exercise of a power is subject to the fiduciary duties prescribed by [sections 88 through 104].

**Section 103. Specific powers of trustee.** Without limiting the authority conferred by [section 102], a trustee may:

(1) collect trust property and accept or reject additions to the trust property from a settlor or any other person;

(2) acquire or sell property, for cash or on credit, at public or private sale;

(3) exchange, partition, or otherwise change the character of trust property;

(4) deposit trust money in an account in a regulated financial-service institution;

(5) borrow money, with or without security, and mortgage or pledge trust property for a period within or extending beyond the duration of the trust;

(6) with respect to an interest in a proprietorship, partnership, limited liability company, business trust, corporation, or other form of business or enterprise, continue the business or other enterprise and take any action that may be taken by shareholders, members, or property owners, including merging, dissolving, or otherwise changing the form of business organization or contributing additional capital;

(7) with respect to stocks or other securities, exercise the rights of an absolute owner, including the right to:

(a) vote or give proxies to vote, with or without power of substitution, or enter into or continue a voting trust agreement;

(b) hold a security in the name of a nominee or in other form without disclosure of the trust so that title may pass by delivery;

(c) pay calls, assessments, and other sums chargeable or accruing against the securities and sell or exercise stock subscription or conversion rights; and

(d) deposit the securities with a depositary or other regulated financial-service institution;

(8) with respect to an interest in real property, construct or make ordinary or extraordinary repairs to, alterations to, or improvements in, buildings or other structures, demolish improvements, raze existing or erect new party walls or buildings, subdivide or develop land, dedicate land to public use or grant public or private easements, and make or vacate plats and adjust boundaries;

(10) grant an option involving a sale, lease, or other disposition of trust property or acquire an option for the acquisition of property, including an option exercisable beyond the duration of the trust, and exercise an option so acquired;

(11) insure the property of the trust against damage or loss and insure the trustee, the trustee's agents, and beneficiaries against liability arising from the administration of the trust;

(12) abandon or decline to administer property of no value or of insufficient value to justify its collection or continued administration;

(13) with respect to possible liability for violation of environmental law:

(a) inspect or investigate property the trustee holds or has been asked to hold, or property owned or operated by an organization in which the trustee holds or has been asked to hold an interest, for the purpose of determining the application of environmental law with respect to the property;

(b) take action to prevent, abate, or otherwise remedy any actual or potential violation of any environmental law affecting property held directly or indirectly by the trustee, whether taken before or after the assertion of a claim or the initiation of governmental enforcement;

(c) decline to accept property into trust or disclaim any power with respect to property that is or may be burdened with liability for violation of environmental law;

(d) compromise claims against the trust that may be asserted for an alleged violation of environmental law; and

(16) exercise elections with respect to federal, state, and local taxes;

(17) select a mode of payment under any employee benefit or retirement plan, annuity, or life insurance payable to the trustee, exercise rights thereunder, including exercise of the right to indemnification for expenses and against liabilities, and take appropriate action to collect the proceeds;

(18) make loans out of trust property, including loans to a beneficiary on terms and conditions the trustee considers to be fair and reasonable under the

circumstances, and assert a lien on future distributions for repayment of those loans;

(19) pledge trust property to guarantee loans made by others to the beneficiary;

(20) appoint a trustee to act in another jurisdiction with respect to trust property located in the other jurisdiction, confer upon the appointed trustee all of the powers and duties of the appointing trustee, require that the appointed trustee furnish security, and remove any trustee so appointed;

(21) pay an amount distributable to a beneficiary who is under a legal disability, or who the trustee reasonably believes is incapacitated, by paying it directly to the beneficiary or applying it for the beneficiary's benefit or by:

(a) paying it to the beneficiary's conservator or, if the beneficiary does not have a conservator, the beneficiary's guardian;

(b) paying it to the beneficiary's custodian named under the Uniform Transfers to Minors Act or to a custodial trustee pursuant to the laws of any state and, for that purpose, creating a custodianship or custodial trust;

(c) if the trustee does not know of a conservator, guardian, custodian, or custodial trustee, paying it to an adult relative or other person having legal or physical care or custody of the beneficiary, to be expended on the beneficiary's behalf; or

(d) managing it as a separate fund on the beneficiary's behalf, subject to the beneficiary's continuing right to withdraw the distribution;

(22) on distribution of trust property or the division or termination of a trust, make distributions in divided or undivided interests, allocate particular assets in proportionate or disproportionate shares, value the trust property for those purposes, and adjust for resulting differences in valuation;

(23) resolve a dispute concerning the interpretation of the trust or its administration by mediation, arbitration, or other procedure for alternative dispute resolution;

(26) on termination of the trust, exercise the powers appropriate to wind up the administration of the trust and distribute the trust property to the persons entitled to it.

**Section 104. Distribution upon termination.** (1) Upon termination or partial termination of a trust, the trustee may send to the beneficiaries a proposal for distribution. The right of any beneficiary to object to the proposed distribution terminates if the beneficiary does not notify the trustee of an objection within 30 days after the proposal was sent but only if the proposal informed the beneficiary of the right to object and of the time allowed for objection.

(2) Upon the occurrence of an event terminating or partially terminating a trust, the trustee shall proceed expeditiously to distribute the trust property to the persons entitled to it, subject to the right of the trustee to retain a reasonable reserve for the payment of debts, expenses, and taxes.

(3) A release by a beneficiary of a trustee from liability for breach of trust is invalid to the extent:

(a) it was induced by improper conduct of the trustee; or

(b) the beneficiary, at the time of the release, did not know of the beneficiary's rights or of the material facts relating to the breach.

**Section 105. Definitions.** As used in [sections 105 through 111], the following definitions apply:

(1) "Charitable trust" means a charitable trust as described in section 4947(a)(1) of the Internal Revenue Code.

(2) "Private foundation" means a private foundation as defined in section 509 of the Internal Revenue Code.

(3) "Split-interest trust" means a split-interest trust as described in section 4947(a)(2) of the Internal Revenue Code.

**Section 106. Distribution under charitable trust or private foundation.** During any period when a trust is considered to be a charitable trust or a private foundation, the trustee shall distribute its income for each taxable year (and principal if necessary) at a time and in a manner that will not subject the property of the trust to tax under section 4942 of the Internal Revenue Code.

**Section 107. Restrictions on trustees under charitable trust, private foundations, or split-interest trust.** During any period when a trust is considered to be a charitable trust, a private foundation, or a split-interest trust, the trustee may not do any of the following:

(1) engage in any act of self-dealing as defined in section 4941(d) of the Internal Revenue Code;

(2) retain any excess business holdings as defined in section 4943(c) of the Internal Revenue Code;

(3) make any investments in a manner that subjects the property of the trust to tax under section 4944 of the Internal Revenue Code; or

(4) make any taxable expenditure as defined in section 4945(d) of the Internal Revenue Code.

**Section 108. Exceptions applicable to split-interest trusts.** (1) [Section 107(2) and (3)] do not apply to any trust described in section 4947(b)(3) of the Internal Revenue Code.

(2) [Section 107] does not apply with respect to any of the following:

(a) any amounts payable under the terms of a trust to income beneficiaries unless a deduction was allowed under section 170(f)(2)(B), 2055(e)(2)(B), or 2522(c)(2)(B) of the Internal Revenue Code;

(b) any amounts in trust other than amounts for which a deduction was allowed under section 170, 545(b)(2), 556(b)(2), 642(c), 2055, 2106(a)(2), or 2522 of the Internal Revenue Code if the amounts are segregated, as that term is defined in section 4947(a)(3) of the Internal Revenue Code, from amounts for which no deduction was allowable; or

(c) any amounts irrevocably transferred in trust before May 27, 1969.

**Section 109. Incorporation in trust instruments.** The provisions of [sections 106 through 108 and 111] must be considered to be contained in the terms of the trust to which [sections 105 through 111] applies. Any term of the trust inconsistent with or contrary to [sections 105 through 111] is without effect unless that term is more restrictive.

**Section 110. Proceedings.** (1) A proceeding contemplated by section 101(l)(3) of the federal Tax Reform Act of 1969 (Public Law 91-172) may be commenced pursuant to [section 36] by the organization involved. All

specifically named beneficiaries of the organization and the attorney general must be parties to the proceedings. Notwithstanding [section 24], this provision is not exclusive and does not limit any jurisdiction that otherwise exists.

(2) If an instrument creating a trust affected by this section has been recorded, a notice of pendency of judicial proceedings under this section must be recorded in a similar manner within 10 days from the commencement of the proceedings. A duly certified copy of any final judgment or decree in the proceedings must be similarly recorded.

**Section 111. Disposition of property upon termination of a charitable trust, private foundation, or split-interest trust.** At the termination of a charitable trust, private foundation organized as a trust, or any other trust described in section 501(c)(3) of the Internal Revenue Code, the trust property must be distributed for one or more exempt purposes or to organizations that are organized and operated exclusively for exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code or must be distributed to the federal government or to a state or local government for a public purpose. At the termination of a split-interest trust, the charitable portion of the trust property must be distributed to one or more organizations described in sections 170(c), 2055(a), and 2522(a) of the Internal Revenue Code.

**Section 112. Prudent investor rule.** (1) Except as provided in subsection (2), a trustee who invests and manages trust assets owes a duty to the beneficiaries of the trust to comply with the prudent investor rule.

(2) The settlor may expand or restrict the prudent investor rule by express provisions in the trust instrument. A trustee is not liable to a beneficiary for the trustee's good faith reliance on these express provisions.

**Section 113. Standard of care — investments and management — considerations.** (1) A trustee shall invest and manage trust assets as a prudent investor would, by considering the purposes, terms, distribution requirements, and other circumstances of the trust. In satisfying this standard, the trustee shall exercise reasonable care, skill, and caution.

(2) A trustee's investment and management decisions respecting individual assets and courses of action must be evaluated not in isolation, but in the context of the trust portfolio as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the trust.

(3) Among circumstances that are appropriate to consider in investing and managing trust assets are the following, to the extent relevant to the trust or its beneficiaries:

(a) general economic conditions;

(b) the possible effect of inflation or deflation;

(c) the expected tax consequences of investment decisions or strategies;

(d) the role that each investment or course of action plays within the overall trust portfolio;

(e) the expected total return from income and the appreciation of capital;

(f) other resources of the beneficiaries known to the trustee as determined from information provided by the beneficiaries;

(g) needs for liquidity, regularity of income, and preservation or appreciation of capital; and

(h) an asset's special relationship or special value, if any, to the purposes of the trust or to one or more of the beneficiaries.

(4) A trustee shall make a reasonable effort to ascertain facts relevant to the investment and management of trust assets.

(5) A trustee may invest in any kind of property or type of investment or engage in any course of action or investment strategy consistent with the standards of this Act.

**Section 114. Diversification — duty of trustee — exception.** (1) Subject to subsection (2), in making and implementing investment decisions, the trustee has a duty to diversify the investments of the trust unless, under the circumstances, it is not prudent to do so.

(2) If trust assets include farm or ranch property, a closely held family business, timber interests, or interests in oil, gas, or minerals, the trustee may elect to retain those assets. A trustee's exercise of discretion to retain assets of the character described in this subsection is not a breach of the trustee's duty to diversify investments.

**Section 115. Review of assets — time for compliance.** Within a reasonable time after accepting a trusteeship or receiving trust assets, a trustee shall review the trust assets and make and implement decisions concerning the retention and disposition of assets in order to bring the trust portfolio into compliance with the purposes, terms, distribution requirements, and other circumstances of the trust and with the requirements of [sections 112 through 117].

**Section 116. Compliance determinations — standards.** Compliance with the prudent investor rule is determined in light of the facts and circumstances existing at the time of a trustee's decision or action and not by hindsight.

**Section 117. Interpretation of trust terms construing legal investments.** The following terms or comparable language in the provisions of a trust, unless otherwise limited or modified, must be construed as authorizing any investment or strategy permitted under [sections 112 through 117]: "investments permissible by law for investment of trust funds", "legal investments", "authorized investments", "using the judgment and care under the circumstances then prevailing that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital", "prudent man rule", "prudent trustee rule", "prudent person rule", and "prudent investor rule".

**Section 118. Remedies for breach of trust.** (1) A violation by a trustee of a duty the trustee owes to a beneficiary is a breach of trust.

(2) To remedy a breach of trust that has occurred or may occur, the court may:

(a) compel the trustee to perform the trustee's duties;

(b) enjoin the trustee from committing a breach of trust;

(c) compel the trustee to redress a breach of trust by paying money, restoring property, or other means;

(d) order a trustee to account;

(e) appoint a special fiduciary to take possession of the trust property and administer the trust;

(f) suspend the trustee;

(g) remove the trustee as provided in [section 84];

(h) reduce or deny compensation to the trustee;

(i) subject to [section 129], void an act of the trustee, impose a lien or a constructive trust on trust property, or trace trust property wrongfully disposed of and recover the property or its proceeds; or

(j) order any other appropriate relief.

**Section 119. Damages for breach of trust.** (1) A trustee who commits a breach of trust is liable to the beneficiaries affected for the greater of:

(a) any loss or depreciation in value of the trust estate resulting from the breach of trust, with interest;

(b) the profit the trustee made by reason of the breach of trust, with interest; or

(c) any profit that would have accrued to the trust estate if the loss of profit is the result of the breach of trust.

(2) Except as otherwise provided in this subsection, if more than one trustee is liable to the beneficiaries for a breach of trust, a trustee is entitled to contribution from the other trustee or trustees. A trustee is not entitled to contribution if the trustee was substantially more at fault than another trustee or if the trustee committed the breach of trust in bad faith or with reckless indifference to the fiduciary duties of the trustee, the terms or purposes of the trust, or the interests of the beneficiaries. A trustee who received a benefit from the breach of trust is not entitled to contribution from another trustee to the extent of the benefit received.

(3) If the trustee is liable for interest pursuant to this section, interest must be determined as the greater of the following amounts:

(a) the amount of interest that accrues at the legal rate on judgments; or

(b) the amount of interest the trustee actually received as a result of the breach of trust.

**Section 120. Damages in absence of breach.** (1) A trustee is accountable to an affected beneficiary for any profit made by the trustee arising from the administration of the trust, even absent a breach of trust.

(2) Absent a breach of trust, a trustee is not liable to a beneficiary for a loss or depreciation in the value of trust property or for not having made a profit.

**Section 121. Attorney's fees and costs.** In a judicial proceeding involving the administration of a trust, the court, as justice and equity may require, may award costs and expenses, including reasonable attorney fees, to any party, to be paid by another party or from the trust that is the subject of the controversy.

**Section 122. Limitation of action against trustee.** (1) A beneficiary may not commence a proceeding against a trustee for breach of trust more than 3 years after the date the beneficiary or a representative of the beneficiary was sent a report that adequately disclosed the existence of a potential claim for breach of trust and informed the beneficiary of the time allowed for commencing a proceeding.

(2) A report adequately discloses the existence of a potential claim for breach of trust if it provides sufficient information so that the beneficiary or representative knows of the potential claim or should have inquired into its existence.

(3) If subsection (1) does not apply, a judicial proceeding by a beneficiary against a trustee for breach of trust must be commenced within 5 years after the first to occur of:

(a) the removal, resignation, or death of the trustee;

(b) the termination of the beneficiary's interest in the trust; or

(c) the termination of the trust.

**Section 123. Reliance on trust instrument.** A trustee who acts in reasonable reliance on the terms of the trust as expressed in the trust instrument is not liable to a beneficiary for a breach of trust to the extent the breach resulted from the reliance.

**Section 124. Event affecting administration or distribution.** If the happening of an event, including marriage, divorce, performance of educational requirements, or death, affects the administration or distribution of a trust, a trustee who has exercised reasonable care to ascertain the happening of the event is not liable for a loss resulting from the trustee's lack of knowledge.

**Section 125. Exculpation of trustee.** (1) A term of a trust relieving a trustee of liability for breach of trust is unenforceable to the extent that it:

(a) relieves the trustee of liability for breach of trust committed in bad faith or with reckless indifference to the fiduciary duties of the trustee, the terms or purposes of the trust, or the interests of the beneficiaries;

(b) was inserted as the result of an abuse by the trustee of a fiduciary or confidential relationship to the settlor; or

(c) relieves the trustee of accountability for profits derived from a breach of trust.

(2) An exculpatory term drafted or caused to be drafted by the trustee is invalid as an abuse of a fiduciary or confidential relationship unless the trustee proves that the exculpatory term is fair under the circumstances, that its existence and contents were adequately communicated to the settlor, and that the settlor was represented by independent legal counsel before adopting the exculpatory term.

**Section 126. Beneficiary's consent, release, or ratification.** A trustee is not liable to a beneficiary for breach of trust if the beneficiary consented to the conduct constituting the breach, released the trustee from liability for the breach, or ratified the transaction constituting the breach unless:

(1) the consent, release, or ratification of the beneficiary was induced by improper conduct of the trustee; or

(2) at the time of the consent, release, or ratification, the beneficiary did not know of the beneficiary's rights or of the material facts relating to the breach.

**Section 127. Limitation on personal liability of trustee.** (1) Except as otherwise provided in the contract, a trustee is not personally liable on a contract properly entered into in the trustee's fiduciary capacity in the course of administering the trust if the trustee in the contract disclosed the fiduciary capacity.

(2) A trustee is personally liable for torts committed in the course of administering a trust or for obligations arising from ownership or control of trust property, including liability for violation of environmental law, only if the trustee is personally at fault.

(3) A claim based on a contract entered into by a trustee in the trustee's fiduciary capacity, on an obligation arising from ownership or control of trust property, or on a tort committed in the course of administering a trust, may be asserted in a judicial proceeding against the trustee in the trustee's fiduciary capacity, whether or not the trustee is personally liable for the claim.

**Section 128. Interest as general partner.** (1) Unless personal liability is imposed in the contract, a trustee who in the trustee's fiduciary capacity holds

an interest as a general partner in a general or limited partnership is not personally liable on a contract entered into by the partnership after the trust's acquisition of the interest if the fiduciary capacity was disclosed in the contract or in a statement previously filed pursuant to the Montana Uniform Partnership Act or the Montana Uniform Limited Partnership Act. The addition of the phrase "trustee" or "as trustee" or a similar designation to the signature of a trustee on a written contract is satisfactory disclosure of the fiduciary capacity.

(2) A trustee who, in the trustee's fiduciary capacity, holds an interest as a general partner is not personally liable for torts committed by the partnership or for obligations arising from ownership or control of the interest, but this does not affect the liability of the trustee for the trustee's own negligence, wrongful act, or misconduct.

(3) If the trustee of a revocable trust holds an interest as a general partner, the settlor is personally liable for contracts and other obligations of the partnership as if the settlor were a general partner.

**Section 129. Protection of person dealing with trustee.** (1) A person other than a beneficiary who in good faith assists a trustee or who in good faith and for value deals with a trustee without knowledge that the trustee is exceeding or improperly exercising the trustee's powers is protected from liability as if the trustee properly exercised the power.

(2) A person other than a beneficiary who in good faith deals with a trustee is not required to inquire into the extent of the trustee's powers or the propriety of their exercise.

(3) A person who in good faith delivers assets to a trustee need not ensure their proper application.

(4) A person other than a beneficiary who in good faith assists a former trustee or who in good faith and for value deals with a former trustee without knowledge that the trusteeship has terminated is protected from liability as if the former trustee were still a trustee.

(5) Comparable protective provisions of other laws relating to commercial transactions or transfer of securities by fiduciaries prevail over the protection provided by this section.

**Section 130. Certification of trust.** (1) Instead of furnishing a copy of the trust instrument to a person other than a beneficiary, the trustee may furnish to the person a certification of trust containing the following information:

(a) that the trust exists and the date the trust instrument was executed;

(b) the identity of the settlor;

(c) the identity and address of the currently acting trustee;

(d) the relevant powers of the trustee;

(e) the revocability or irrevocability of the trust and the identity of any person holding a power to revoke the trust; and

(f) the authority of cotrustees to sign or otherwise authenticate and whether all or less than all are required in order to exercise powers of the trustee.

(2) A certification of trust may be signed or otherwise authenticated by any trustee. Upon request, the trustee shall acknowledge the certification in order that the certification may be recorded.

(3) A certification of trust must state that the trust has not been revoked, modified, or amended in any manner that would cause the representations contained in the certification of trust to be incorrect.

(4) A certification of trust need not contain the dispositive terms of a trust.

(5) A recipient of a certification of trust may require the trustee to furnish copies of those excerpts from the original trust instrument and later amendments that designate the trustee and confer upon the trustee the power to act in the pending transaction.

(6) A person who acts in reliance upon a certification of trust without knowledge that the representations contained therein are incorrect is not liable to any person for so acting and may assume without inquiry the existence of the facts contained in the certification. Knowledge of the terms of the trust may not be inferred solely from the fact that a copy of all or part of the trust instrument is held by the person relying upon the certification.

(7) A person who in good faith enters into a transaction in reliance upon a certification of trust may enforce the transaction against the trust property as if the representations contained in the certification were correct.

(8) A person making a demand for the trust instrument in addition to a certification of trust or excerpts is liable for damages if the court determines that the person did not act in good faith in demanding the trust instrument.

(9) This section does not limit the right of a person to obtain a copy of the trust instrument when required to be furnished by law or in a judicial proceeding concerning the trust.

**Section 131. Uniformity of application and construction.** In applying and construing [sections 1 through 132], consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

**Section 132. Electronic records and signatures.** The provisions of [sections 1 through 132] governing the legal effect, validity, or enforceability of electronic records or electronic signatures and of contracts formed or performed with the use of such records or signatures conform to the requirements of section 102 of the Electronic Signatures in Global and National Commerce Act (15 U.S.C. 7002) and supersede, modify, and limit the requirements of the Electronic Signatures in Global and National Commerce Act.

**Section 133. Petition to authorize proposed action — substituted judgment.** (1) The conservator or other interested person may file a petition under [sections 133 through 139] for an order of the court authorizing or requiring the conservator to take a proposed action for any one or more of the following purposes:

(a) benefiting the protected person or the estate;

(b) minimizing current or prospective taxes or expenses of administration of the conservatorship estate or of the estate upon the death of the protected person; or

(c) providing gifts for any purposes and to any charities, relatives (including the protected person's spouse, descendants, or ancestors), friends, or other objects of bounty as would be likely beneficiaries of gifts from the protected person.

(2) The action proposed in the petition may include but is not limited to the following:

(a) making gifts of principal or income, or both, of the estate, outright or in trust;

(b) conveying or releasing the protected person's contingent and expectant interests in property, including marital property rights and any right of survivorship incident to joint tenancy or tenancy by the entirety;

(c) exercising or releasing the protected person's powers as donee of a power of appointment;

(d) entering into contracts;

(e) creating for the benefit of the protected person or others revocable or irrevocable trusts of the property of the estate that may extend beyond the protected person's disability or life;

(f) transferring to a trust created by the conservator or protected person any property unintentionally omitted from the trust;

(g) exercising options of the protected person to purchase or exchange securities or other property;

(h) exercising the rights of the protected person to elect benefit or payment options, to terminate or to change beneficiaries or ownership, to assign rights, to borrow, or to receive cash value in return for a surrender of rights under any of the following:

(ii) annuity policies, plans, or benefits;

(iii) mutual fund and other dividend investment plans; or

(i) exercising the right of the protected person to disclaim any interest that may be disclaimed;

(j) exercising the right of the protected person to revoke or modify a revocable trust or to surrender the right to revoke or modify a revocable trust. The court may not authorize or require the conservator to exercise the right to revoke or modify a revocable trust if the instrument governing the trust:

(i) evidences an intent to reserve the right of revocation or modification exclusively to the protected person;

(ii) provides expressly that a conservator may not revoke or modify the trust; or

(iii) otherwise evidences an intent that would be inconsistent with authorizing or requiring the conservator to exercise the right to revoke or modify the trust.

(3) If an existing trust has been or is being amended, the order of the court may authorize the conservator to execute, after the trust amendment, a new "pour over" will or codicil that devises to the trustee of the amended trust other property of the protected person that had not previously been transferred to the trust.

**Section 134. Notice of hearing.** Notice of the hearing of the petition must be given, regardless of age, for the period and in the manner provided by 72-1-301 to all of the following:

(1) the persons required to be named in a petition for the appointment of a conservator;

(2) so far as is known to the petitioner, beneficiaries under any document executed by the protected person that may have testamentary effect unless the court for good cause dispenses with such notice;

(3) if the proposed action involves a trust, to all persons entitled to receive notice with respect to such an action under [sections 1 through 132];

(4) so far as is known to the petitioner, the persons who, if the protected person were to die immediately, would be the protected person's heirs under the laws of intestate succession unless the court for good cause dispenses with the notice; and

(5) other persons as the court may order.

**Section 135. Consent or lack of capacity of protected person — adequate provision for protected person and dependents.** The court may make an order authorizing or requiring the proposed action under [sections 133 through 139] only if the court determines all of the following:

(1) the protected person either:

(a) is not opposed to the proposed action; or

(b) if opposed to the proposed action, lacks legal capacity for the proposed action; and

(2) either the proposed action will have no adverse effect on the estate or the estate remaining after the proposed action is taken will be adequate to provide for the needs of the protected person and for the support of those legally entitled to support, maintenance, and education from the protected person, taking into account the age, physical condition, standards of living, and all other relevant circumstances of the protected person and of those legally entitled to support, maintenance, and education from the protected person.

**Section 136. Circumstances to be considered in determining whether to authorize or require proposed action.** In determining whether to authorize or require a proposed action under [sections 133 through 139], the court shall take into consideration all of the relevant circumstances, which may include but are not limited to the following:

(2) the past donative declarations, practices, and conduct of the protected person;

(3) the traits of the protected person;

(4) the relationship and intimacy of the prospective donees with the protected person, their standards of living, and the extent to which they would be natural objects of the protected person's bounty by any objective test based on the relationship, intimacy, and standards of living;

(d) any contract, transfer, or joint ownership arrangement with provisions for payment or transfer of benefits or interests at the protected person's death to another or others that the protected person may have originated;

(7) the manner in which the estate would devolve upon the protected person's death, giving consideration to the age and the mental and physical condition of the protected person, the prospective devisees or heirs of the protected person, and the prospective donees;

(8) the value, liquidity, and productiveness of the estate;

(9) the minimization of current or prospective income, estate, inheritance, or other taxes or expenses of administration;

(10) changes of tax laws and other laws that would likely have motivated the protected person to alter the protected person's estate plan;

(11) the likelihood from all the circumstances that the protected person as a reasonably prudent person would take the proposed action if the protected person had the capacity to do so;

(12) whether any beneficiary is the spouse of the protected person;

(13) whether a beneficiary has committed physical abuse, neglect, false imprisonment, or financial abuse against the protected person after the protected person was substantially unable to manage his or her financial resources or resist fraud or undue influence and whether the protected person's disability persisted throughout the time of the hearing on the proposed action; or

(14) the mandate of [section 135] that if the proposed action is taken, the remaining assets of the estate will be adequate to provide for the needs of the protected person and for the support, maintenance and education of those legally entitled to receive such from the protected person.

**Section 137. Order.** After hearing, the court in its discretion may approve, modify and approve, or disapprove the proposed action and may authorize or direct the conservator to transfer or dispose of assets or take other action as provided in the court's order.

**Section 138. No duty to propose action.** Nothing in [sections 133 through 139] imposes any duty on the conservator to propose any action under [sections 133 through 139], and the conservator is not liable for failure to propose any action under [sections 133 through 139].

**Section 139. Production of protected person's other relevant estate plan documents.** (1) As used in this section, "estate plan of the protected person" includes but is not limited to:

(a) the protected person's will;

(b) any trust of which the protected person is the settlor or beneficiary;

(c) any power of appointment created by or exercisable by the protected person; and

(d) any contract, transfer, or joint ownership arrangement with provisions for payment or transfer of benefits or interests at the protected person's death to another or others that the protected person may have originated.

(2) Notwithstanding 26-1-803 or any case law relating to the attorney-client privilege, the court in its discretion may order that any person having possession of any document constituting all or part of the estate plan of the protected person shall deliver the document to the court for examination by the court and, in the discretion of the court, by the attorneys for the persons who have appeared in the proceedings under [sections 133 through 139] in connection with the petition filed under [sections 133 through 139].

(3) Unless the court otherwise orders, a person who examines any document produced pursuant to an order under this section may not disclose the contents of the document to any other person. If that disclosure is made, the court may adjudge the person making the disclosure to be in contempt of court.

(4) For good cause, the court may order that a document constituting all or part of the estate plan of the protected person, whether or not produced

pursuant to an order under this section, must be delivered for safekeeping to the custodian designated by the court. The court may impose conditions that it determines are appropriate for holding and safeguarding the document. The court may authorize the conservator to take any action a depositor may take under Montana law.

**Section 140. Liability for creditor claims and statutory allowances.** A grantee beneficiary of a beneficiary deed is liable for an allowed claim against the transferor's probate estate and statutory allowances to a surviving spouse and children to the extent provided in [section 141].

**Section 141. Liability of nonprobate transferees for creditor claims and statutory allowances.** (1) As used in this section, "nonprobate transfer" means a valid transfer effective at death, other than a transfer of a survivorship interest in a joint tenancy of real estate, by a transferor whose last domicile was in this state to the extent that the transferor immediately before death had power, acting alone, to prevent the transfer by revocation or withdrawal and instead to use the property for the benefit of the transferor or apply it to discharge claims against the transferor's probate estate.

(2) Except as otherwise provided by statute, a transferee of a nonprobate transfer is subject to liability to any probate estate of the decedent for allowed claims against the decedent's probate estate and statutory allowances to the decedent's spouse and children to the extent the estate is insufficient to satisfy those claims and allowances. The liability of a nonprobate transferee may not exceed the value of nonprobate transfers received or controlled by that transferee.

(3) Nonprobate transferees are liable for the insufficiency described in subsection (2) in the following order of priority:

(a) a transferee designated in the decedent's will or any other governing instrument, as provided in the instrument;

(b) the trustee of a trust serving as the principal nonprobate instrument in the decedent's estate plan as shown by its designation as devisee of the decedent's residuary estate or by other facts or circumstances, to the extent of the value of the nonprobate transfer received or controlled;

(c) other nonprobate transferees in proportion to the values received.

(4) Unless otherwise provided by the trust instrument, interests of beneficiaries in all trusts incurring liabilities under this section abate as necessary to satisfy the liability, as if all of the trust instruments were a single will and the interests were devises under it.

(5) A provision made in one instrument may direct the apportionment of the liability among the nonprobate transferees taking under that or any other governing instrument. If a provision in one instrument conflicts with a provision in another, the later one prevails.

(6) Upon due notice to a nonprobate transferee, the liability imposed by this section is enforceable in proceedings in this state, whether or not the transferee is located in this state.

(7) A proceeding under this section may not be commenced unless the personal representative of the decedent's estate has received a written demand for the proceeding from the surviving spouse or a child, to the extent that statutory allowances are affected, or a creditor. If the personal representative declines or fails to commence a proceeding after demand, a person making demand may commence the proceeding in the name of the decedent's estate, at the expense of the person making the demand and not of the estate. A personal

representative who declines in good faith to commence a requested proceeding incurs no personal liability for declining.

(8) A proceeding under this section must be commenced within 1 year after the decedent's death, but a proceeding on behalf of a creditor whose claim was allowed after proceedings challenging disallowance of the claim may be commenced within 60 days after final allowance of the claim.

(9) Unless a written notice asserting that a decedent's probate estate is nonexistent or insufficient to pay allowed claims and statutory allowances has been received from the decedent's personal representative, the following provisions apply:

(a) Payment or delivery of assets by a financial institution, registrar, or other obligor to a nonprobate transferee in accordance with the terms of the governing instrument controlling the transfer releases the obligor from all claims for amounts paid or assets delivered.

(b) A trustee receiving or controlling a nonprobate transfer is released from liability under this section with respect to any assets distributed to the trust's beneficiaries. Each beneficiary, to the extent of the distribution received, becomes liable for the amount of the trustee's liability attributable to assets received by the beneficiary.

**Section 142.** Section 31-2-209, MCA, is amended to read:

**"31-2-209. Assignment — when void.** An assignment for the benefit of creditors is void against any creditor of the assignor not assenting to the assignment in the following cases:

(1) if the assignment gives a preference dependent upon any condition or contingency or with any power of revocation reserved;

(2) if the assignment tends to coerce any creditor to release or compromise the creditor's demand;

(3) if the assignment provides for the payment of any claim known by the assignor to be false or fraudulent or for the payment of more upon any claim than is known to be justly due from the assignor;

(4) if the assignment reserves any interest in the assigned property or in any part of the property to the assignor or for the assignor's benefit before all existing debts are paid;

(5) if the assignment confers upon the assignee any power that, if exercised, might prevent or delay the immediate conversion of the assigned property to the purposes of the trust;

(6) if the assignment exempts the assignor from liability for neglect of duty or misconduct~~;~~

~~(7) if the assignment violates 72-34-105~~."

**Section 153.** Section 72-34-424, MCA, is amended to read:

**"72-34-424. Adjustments between principal and income.** (1) Subject to subsection (2), a trustee may make an adjustment between principal and income to the extent the trustee considers necessary if all of the following conditions are satisfied:

(a) the trustee invests and manages trust assets under the prudent investor rule under ~~72-34-603~~ *[section 112]*;

(b) the trust describes the amount that must or may be distributed to a beneficiary by referring to the trust's income; and

(c) the trustee determines, after applying the rules in 72-34-423(1) and considering any power the trustee may have under the trust to invade principal or accumulate income, that the trustee is unable to comply with 72-34-423(2).

(2) A trustee may not make an adjustment between principal and income in any of the following circumstances:

(a) when it would diminish the income interest in a trust:

(i) that requires all of the income to be paid at least annually to a spouse; and

(ii) for which, if the trustee did not have the power to make the adjustment, an estate tax or gift tax marital deduction would be allowed, in whole or in part;

(b) when it would reduce the actuarial value of the income interest in a trust to which a person transfers property with the intent to qualify for a gift tax exclusion;

(c) when it would change the amount payable to a beneficiary as a fixed annuity or a fixed fraction of the value of the trust assets;

(d) when it would be made from any amount that is permanently set aside for charitable purposes under a will or trust, unless both income and principal are set aside;

(e) when possessing or exercising the power to make an adjustment would cause an individual to be treated as the owner of all or part of the trust for income tax purposes and the individual would not be treated as the owner if the trustee did not possess the power to make an adjustment;

(f) when possessing or exercising the power to make an adjustment would cause all or part of the trust assets to be included for estate tax purposes in the estate of an individual who has the power to remove a trustee or appoint a trustee, or both, and the assets would not be included in the estate of the individual if the trustee did not possess the power to make an adjustment; or

(g) when the trustee is a beneficiary of the trust.

(3) ~~Notwithstanding 72-33-611, if~~ *If* subsection (2)(e), (2)(f), or (2)(g) of this section applies to a trustee and there is more than one trustee, a cotrustee to whom the provision does not apply may make the adjustment unless the exercise of the power by the remaining trustee or trustees is not permitted by the trust.

(4) A trustee may release the entire power conferred by subsection (1) or may release only the power to adjust from income to principal or the power to adjust from principal to income in either of the following circumstances:

(a) if the trustee is uncertain about whether possessing or exercising the power will cause a result described in subsections (2)(a) through (2)(f); or

(b) if the trustee determines that possessing or exercising the power will or may deprive the trust of a tax benefit or impose a tax burden not described in subsection (2).

(5) A release under subsection (4) may be permanent or for a specified period, including a period measured by the life of an individual.

(6) A trust that limits the power of a trustee to make an adjustment between principal and income does not affect the application of this section unless it is clear from the trust that it is intended to deny the trustee the power of adjustment provided by subsection (1).

(7) In deciding whether and to what extent to exercise the power to make adjustments under this section, the trustee may consider, but is not limited to considering, any of the following:

(a) the nature, purpose, and expected duration of the trust;

(b) the intent of the ~~trustor~~ *settlor*;

(c) the identity and circumstances of the beneficiaries;

(d) the needs for liquidity, regularity of income, and preservation and appreciation of capital;

(e) the assets held in the trust, the extent to which the assets consist of financial assets, interests in closely held enterprises, tangible and intangible personal property, or real property, the extent to which an asset is used by a beneficiary, and whether an asset was purchased by the trustee or received from the ~~trustor~~ *settlor*;

(f) the net amount allocated to income under other statutes and the increase or decrease in the value of the principal assets, which the trustee may estimate as to assets for which market values are not readily available;

(g) whether and to what extent the trust gives the trustee the power to invade principal or accumulate income or prohibits the trustee from invading principal or accumulating income and the extent to which the trustee has exercised a power from time to time to invade principal or accumulate income;

(h) the actual and anticipated effect of economic conditions on principal and income and effects of inflation and deflation; or

(i) the anticipated tax consequences of an adjustment.

(8) Nothing in this part or this section is intended to create or imply a duty to make an adjustment, and a trustee is not liable for not considering whether to make an adjustment or for choosing not to make an adjustment."

**Section 154.** Section 72-34-446, MCA, is amended to read:

**"72-34-446. (2) To the extent that a trustee does not account under 72-34-435 for transactions in derivatives, the trustee shall allocate to principal receipts from and disbursements made in connection with those transactions.

(3) If a trustee grants an option to buy property from the trust, whether or not the trust owns the property when the option is granted, grants an option that permits another person to sell property to the trust, or acquires an option to buy property for the trust or an option to sell an asset owned by the trust and the trustee or other owner of the asset is required to deliver the asset if the option is exercised, an amount received for granting the option must be allocated to principal. An amount paid to acquire the option must be paid from principal. A gain or loss realized upon the exercise of an option, including an option granted to a ~~trustor~~ *settlor* of the trust for services rendered, must be allocated to principal."

**Section 155.** Section 72-36-206, MCA, is amended to read:

**"72-36-206. Effects on real property transactions.** (1) This section relates only to conveyances of real property to or from a trust and supplements but does not modify other substantive provisions of ~~Title 72, chapters 33 through 36,~~ *[sections 1 through 132]* relating to the creation or validity of trusts.

(2) Except as otherwise provided in ~~Title 72, chapters 33 through 36~~ *[sections 1 through 132]*, a conveyance of real property to a trustee designated as such in the conveyance vests the whole estate conveyed in the trustee, subject only to the trustee's duties. The beneficiaries of the trust take no estate or interest in the real property, but may determine or enforce the terms of the trust as provided in ~~chapters 33 through 36~~ *[sections 1 through 132]*.

(3) An instrument creating or amending a trust need not be recorded, but may be recorded if properly acknowledged.

(4) If there is no clear reference to or designation of a grantee as trustee in a conveyance or in a separately recorded instrument recorded in the same county as the conveyance and describing the same property as described in the conveyance, the conveyance must be considered to be absolute to the grantee, in favor of purchasers or encumbrancers from the grantee, who were without

actual knowledge and who acted for a valuable consideration, despite any valid trust that may exist.

(5) Unless limitations upon a trustee's power or authority are set forth in the recorded conveyance of real property to the trustee or in a separate trust instrument, portion of a separate trust instrument, or abstract of a separate trust instrument recorded in the same county, there are no limitations upon the trustee's power or authority to convey or encumber the real property in favor of third persons who were without actual knowledge and who acted for a valuable consideration. A separate trust instrument incorporated by reference in a conveyance to a trustee may not limit the trustee's power or authority to convey or encumber unless the limitations are set forth in the trust instrument, portion of a trust instrument, or abstract of a trust instrument that is also recorded in the county where the real property is located. An amendment to a recorded trust instrument may not affect the power or authority of a trustee to convey or encumber unless it is also recorded in the same place.

(6) A subsequent conveyance from a person designated in the original conveyance as trustee or from the successor trustee conveys the whole estate vested in the trustee, except as limited by the terms of the conveyance. The identity of a successor trustee may be established by a recorded affidavit of the successor trustee specifying the successor trustee's name and address and the date and circumstances of succession and confirming that the successor trustee is currently lawfully serving in that capacity.

(7) In an action or proceeding by a third person involving the real property granted to a trustee, the person designated as trustee in the original conveyance, or the successor trustee as established in subsection (6), or, if none, the person then actually serving as trustee, or, if none, any beneficiary designated by the court to represent the interests of the beneficiaries is considered the only necessary representative of the trust and of all persons with an interest in the trust. A judgment is binding upon and conclusive against the trust and all persons interested in the trust as to all matters finally adjudicated in the judgment.

(8) The designation of the name of a trust in a recorded conveyance vests the estate in the trustee of the trust. A subsequent conveyance may be made by the trustee. The identity of a party serving as trustee may be established by a recorded affidavit of the party or by another recorded instrument specifying the trustee's name and address and confirming that the party is currently serving as the trustee."

**Section 156.** Section 77-1-219, MCA, is amended to read:

**"77-1-219. Public school land purchases — considerations — distributions.** (1) The board may request the board of examiners to issue bonds for the purpose of purchasing interests in and appurtenances to real property selected by the board in accordance with the requirements of this section. Upon issuance of the bonds, the board shall purchase the real property and its appurtenances.

(2) Prior to requesting the issuance of bonds under subsection (1), the board shall consider the following:

(b) the opportunity for sustainable forest management activities and outcomes as described in 76-13-701 and 76-13-702; and

(c) the opportunity for recreational use of the real property and appurtenances consistent with Title 77, chapter 1, part 8.

(3) Prior to requesting the issuance of bonds, the board or the department, at the board's direction, shall complete a cost-benefit analysis of potential real property and appurtenance purchases. This cost-benefit analysis must be made available to the public upon request.

(4) Prior to purchasing any real property and appurtenances, the board shall determine that the benefits of the purchase are significant and that the financial risks are prudent. In order to reach that determination, the board shall examine the purchase of any real property and appurtenances as if the board had a fiduciary duty as a reasonably prudent trustee of a perpetual trust. For the purposes of this section, that duty requires the board to:

(a) discharge its duties with the care, skill, and diligence that a prudent person acting in a similar capacity with the same resources and familiar with similar matters should exercise in the conduct of an enterprise of similar character and aims;

(b) manage the land holdings purchased pursuant to 77-1-218 and this section in accordance with an asset management plan to minimize the risk of loss and maximize the sustained rate of return;

(c) discharge its duties and powers solely in the interest of and for the benefit of the trust; and

(d) discharge its duties subject to the fiduciary standards set forth in ~~72-34-114~~ *[section 88]*.

(5) All interests in real property and appurtenances acquired under this section must be managed pursuant to this title."

**Section 157.** Section 77-1-229, MCA, is amended to read:

Transactional costs may not exceed 7% of the purchase price of acquired property. Prior to purchasing interests in and appurtenances to real property, the board shall consider the following:

(a) the income-generating potential of the real property and appurtenances;

(b) the opportunity for sustainable forest management activities and outcomes as described in 76-13-701 and 76-13-702;

(c) the opportunity for recreational use of the real property and appurtenances consistent with Title 77, chapter 1, part 8; and

(d) the cost-benefits of potential real property and appurtenance purchases. This cost-benefit analysis must be made available to the public upon request.

(2) Prior to purchasing any real property and appurtenances, the board shall determine that the benefits of the purchase are significant and outweigh the financial risks. In order to reach that determination, the board shall examine the purchase of any real property and appurtenances as if the board had a fiduciary duty as a reasonably prudent trustee of a perpetual trust. For the purposes of this section, that duty requires the board to:

(a) discharge its duties with the care, skill, and diligence that a prudent person acting in a similar capacity with the same resources and familiar with similar matters should exercise in the conduct of an enterprise of similar character and aims;

(b) manage the land holdings purchased pursuant to this section in accordance with an asset management plan to minimize the risk of loss and maximize the sustained rate of return;

(c) discharge its duties and powers solely in the interest of and for the benefit of the public land trust;

(d) discharge its duties subject to the fiduciary standards set forth in ~~72-34-114~~ *[section 88]*; and

(e) determine the potential for job creation.

(3) All interests in real property and appurtenances acquired under this section must be managed pursuant to this title and are subject to the provisions of Article X, section 11, of the Montana constitution.

(4) After deductions for administrative costs pursuant to 77-1-109, the net interest and income earned on real property and appurtenances purchased with funds from the account established in 77-1-228 must be distributed to the guarantee account provided for in 20-9-622 for distribution to public schools."

**Section 158.** Section 77-2-364, MCA, is amended to read:

**"77-2-364. Land banking purchases.** (1) The board may select and purchase, lease, receive by donation, hold in trust, or in any manner acquire for and in the name of the state of Montana, in trust for the beneficiaries specified in sections 10 through 19 of The Enabling Act of Congress (approved February 22, 1889, 25 Stat. 676), as amended, any interest in real property and improvements, tracts, and leaseholds of land that the board considers proper in order to best provide prudent, maximum, long-term revenue for the beneficiaries.

(2) Sales of state land may be initiated only by the board, by the department, or at the request of a lessee, pursuant to 77-1-202, 77-1-301, 77-2-301, or 77-2-308. The board shall ensure that the full market value of the land sold is realized for each trust by using the appraisal, sale, advertising, and competitive bid procedures contained within 77-2-303, 77-2-321, 77-2-322, 77-2-323, and 77-2-324. The estimated fair market value must be determined by a Montana-licensed and Montana-certified appraiser.

(3) When it is not inconsistent with the purpose of the trust, the board shall purchase land possessing legal access for all legal purposes.

(4) When purchasing land, easements, or improvements for the existing trusts, the board shall develop and apply appraisal and revenue projection procedures to ensure that the land or easements proposed for purchase or that the improvements proposed to be acquired are likely to produce more net revenue for the affected trust than the revenue that was produced from the land that was sold. The board may not purchase land, easements, or improvements pursuant to 77-2-361 through 77-2-367 unless it has first prudently determined that the land, easements, or improvements are likely to produce a greater or equal annual rate of return, as may be reasonably expected over a 20-year accounting period for Class 1, 3, and 4 lands and over a 60-year accounting period for Class 2 lands, as described in 77-1-401, with an acceptable level of risk for the affected trust, than the current annual rate of return from the state land that has been sold pursuant to 77-2-363. As guidance, the board shall use generally accepted accounting standards and the Uniform Appraisal Standards for Federal Land Acquisitions published by the U.S. department of justice and the appraisal institute.

(5) Prior to purchasing any land, easements, or improvements, the board shall determine that the financial risks and benefits of the purchase are

prudent, financially productive investments that are consistent with the board's fiduciary duty as a reasonably prudent trustee of a perpetual trust. For the purposes of implementing 77-2-361 through 77-2-367, that duty requires the board to:

(a) discharge its duties with the care, skill, prudence, and diligence that a prudent person acting in a similar capacity with the same resources and familiar with similar matters should exercise in the conduct of an enterprise of similar character and aims;

(b) diversify the land holdings of each trust to minimize the risk of loss and maximize the sustained rate of return;

(c) discharge its duties and powers solely in the interest of and for the benefit of the trust managed;

(d) discharge its duties subject to the fiduciary standards set forth in ~~72-34-114~~ *[section 88]*; and

(e) maintain, as closely as possible, the existing land base of each trust, consistent with the state's fiduciary duty.

(6) Prior to purchasing a parcel of land in excess of 160 acres in any particular county, the board shall consult with the county commissioners of the county in which the parcel is located."

**Section 159.** Section 82-1-304, MCA, is amended to read:

(2) Trustee or attorney fees may not be paid from the trust proceeds.

(3) All bonuses, rental payments, royalties, and other income must be paid to the trustee until the trust is terminated and notice of its termination given to all interested parties. The trustee shall distribute all money held in the trust to the person or persons entitled to the money upon the order of the district court.

(4) A trust in favor of unlocatable owners must be kept in force until the unlocatable owners of the mineral interest in question have successfully claimed their share of the funds held in trust and have filed the notice, as provided in 82-1-306.

(5) The trustee shall invest funds in a prudent manner, as provided in ~~72-34-114~~ *[section 113]*. Fifty percent of the interest earned on each trust must be credited to the department of revenue or, if the clerk of the court is the trustee, to the general fund of the county in which the mineral interest is located to defray the costs of administration.

(6) Funds held in the trusts are subject to the provisions governing abandoned property contained in Title 70, chapter 9."

WHEREAS, the Montana Legislature adopted Montana's peer review statutes over 50 years ago, noting that peer review is in the interest of the public health; and

WHEREAS, in Sistok v. Kalispell Regional Hospital, 251 Mont. 38, 823 P.2d 251 (1991), the Montana Supreme Court held that Montana's peer review statutes confer a privilege on data created by or at the request of a medical review committee; and

WHEREAS, in Sistok v. Kalispell Regional Hospital, the Montana Supreme Court also observed that the statute providing for confidentiality was developed and the privilege was conferred by the Legislature as a matter of public policy to encourage health care providers to join medical review committees in an effort to ensure the responsive and full discourse among the professionals involved and to promote an atmosphere free of apprehension so that constructive criticism could occur; and

WHEREAS, in Huether v. District Court, 2000 MT 158, 300 Mont. 212, 4 P.3d 1193, the Montana Supreme Court found that Montana's peer review statutes are typical of the statutes adopted by various states to encourage candor in medical review committees that review and evaluate the quality of medical care provided in their hospitals; and

Results of the name-based and fingerprint-based background check must be provided to the quality assurance division of the department of public health and human services or to an authorized tribe.

(3) If the department or an authorized tribe elects to perform an initial name-based background check and a fingerprint-based background check pursuant to this section, the department or the authorized tribe may not make an emergency placement or continue an emergency placement in a home in which an adult resident has been convicted of a disqualifying criminal offense.

(4) The state repository and the federal bureau of investigation may charge a reasonable fee for processing a fingerprint-based criminal background check.

(5) If an emergency placement is denied as a result of a name-based background check of a resident and the resident contests the denial, the resident may within 15 calendar days of the denial submit to the department or

authorized tribe a complete set of fingerprints with written permission allowing the department or authorized tribe to submit the fingerprints to the state repository for processing of the state and federal background check.

The reimbursement under this section is provided by direct payment from the state treasury rather than the ad hoc system that offset certain state payments with local government collections due the state and reimbursements made by percentage splits, with a local government remitting a portion of collections to the state, retaining a portion, and in some cases sending a portion to other local governments.

(2) The sources of dedicated revenue that were relinquished by local governments in exchange for an entitlement share of the state general fund were:

(3) (a) Except as provided in subsection (3)(b), the total amount received by each local government in fiscal year 2010 as an entitlement share payment under this section is the base component for the fiscal year 2011 distribution, and in each subsequent year the prior year entitlement share payment, including any reimbursement payments received pursuant to subsection (7), is each local government's base component. The sum of all local governments' base components is the fiscal year entitlement share pool.

(b) The total amount received by each local government in fiscal year 2011 as an entitlement share payment under this section is the base component for fiscal year 2012 and 2013 distributions, and in each subsequent year the prior year entitlement share payment, including any reimbursement payments received pursuant to subsection (7), is each local government's base component. The sum of all local governments' base components is the fiscal year entitlement share pool.

(4) (a) With the exception of fiscal years 2012 and 2013, the base entitlement share pool must be increased annually by an entitlement share growth rate as provided for in this subsection (4). The amount determined through the application of annual growth rates is the entitlement share pool for each fiscal year, with the exception of fiscal years 2012 and 2013.

(b) By October 1 of each year, the department shall calculate the growth rate of the entitlement share pool for the current year in the following manner:

(i) The department shall calculate the entitlement share growth rate based on the ratio of two factors of state revenue sources for the first, second, and third most recently completed fiscal years as recorded on the statewide budgeting and accounting system. The first factor is the sum of the revenue for the first and second previous completed fiscal years received from the sources referred to in subsection (2)(b), (2)(c), and (2)(g) divided by the sum of the revenue for the second and third previous completed fiscal years received from the same sources

multiplied by 0.75. The second factor is the sum of the revenue for the first and second previous completed fiscal years received from individual income tax as provided in Title 15, chapter 30, and ~~corporation~~ *corporate* income tax as provided in Title 15, chapter 31, divided by the sum of the revenue for the second and third previous completed fiscal years received from the same sources multiplied by 0.25.

(ii) Except as provided in subsection (4)(b)(iii), the entitlement share growth rate is the lesser of:

(A) the sum of the first factor plus the second factor; or

(B) 1.03 for counties, 1.0325 for consolidated local governments, and 1.035 for cities and towns.

(iii) In no instance can the entitlement growth factor be less than 1. The entitlement share growth rate is applied to the most recently completed fiscal year entitlement payment to determine the subsequent fiscal year payment.

(5) As used in this section, "local government" means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (8). The county or consolidated local government is responsible for making an allocation from the county's or consolidated local government's share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district's loss of revenue sources for which reimbursement is provided in this section. The allocation for each special district that existed in 2002 must be based on the relative proportion of the loss of revenue in 2002.

(6) (a) The entitlement share pools calculated in this section, the amounts determined under 15-1-123(2) for local governments, the funding provided for in subsection (8) of this section, and the amounts determined under 15-1-123(4) for tax increment financing districts are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments. Except for the distribution made under 15-1-123(2)(b), the distributions must be made on a quarterly basis.

(b) (i) The growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. The growth factor in the entitlement share must be calculated separately for:

(A) counties;

(B) consolidated local governments; and

(C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county's percentage of the prior fiscal year entitlement share pool for all counties; and

(B) 50% of the growth amount must be allocated based upon the percentage that each county's population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each consolidated local government's percentage of the prior fiscal year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government's population bears to the state's total population residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each incorporated city's or town's percentage of the prior fiscal year entitlement share pool for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage that each city's or town's population bears to the state's total population residing within incorporated cities and towns as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool before the growth amount or adjustments made under subsection (7) are applied is to be distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

(7) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this section, the department shall determine the reimbursement amount as provided in the enactment and add the appropriate amount to the entitlement share distribution under this section. The total entitlement share distributions in a fiscal year, including distributions made pursuant to this subsection, equal the local fiscal year entitlement share pool. The ratio of each local government's distribution from the entitlement share pool must be recomputed to determine each local government's ratio to be used in the subsequent year's distribution determination under subsections (6)(b)(ii)(A), (6)(b)(iii)(A), and (6)(b)(iv)(A).

(8) (a) Except for a tax increment financing district entitled to a reimbursement under 15-1-123(4), if a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any funding. If a tax increment financing district referred to in subsection (8)(b) terminates, then the funding for the district provided for in subsection (8)(b) terminates.

(b) Except for the reimbursement made under 15-1-123(4)(b), one-half of the payments provided for in this subsection (8)(b) must be made by November 30 and the other half by May 31 of each year. Subject to subsection (8)(a), the entitlement share for tax increment financing districts is as follows:

| | | |
|---|---|---|
| Deer Lodge | TIF District 1 | $2,833 |
| Deer Lodge | TIF District 2 | 2,813 |
| Flathead | Kalispell - District 2 | 4,638 |
| Flathead | Kalispell - District 3 | 37,231 |
| Flathead | Whitefish District | 148,194 |
| Gallatin | Bozeman - downtown | 31,158 |
| Missoula | Missoula - 1-1C | 250,279 |

| | | |
|---|---|---|
| Missoula | Missoula - 4-1C | 30,009 |
| Silver Bow | Butte - uptown | 255,421 |

(9) The estimated fiscal year entitlement share pool and any subsequent entitlement share pool for local governments do not include revenue received from tax increment financing districts, from countywide transportation block grants, or from countywide retirement block grants.

(10) When there has been an underpayment of a local government's share of the entitlement share pool, the department shall distribute the difference between the underpayment and the correct amount of the entitlement share. When there has been an overpayment of a local government's entitlement share, the local government shall remit the overpaid amount to the department.

(11) A local government may appeal the department's estimation of the base component, the entitlement share growth rate, or a local government's allocation of the entitlement share pool, according to the uniform dispute review procedure in 15-1-211.

(12) A payment required pursuant to this section may not be offset by a debt owed to a state agency by a local government in accordance with Title 17, chapter 4, part 1."

**Section 3.** Section 15-1-205, MCA, is amended to read:

**"15-1-205. (5) (a) When reporting the data described in subsection (3)(a), the department shall identify any known purpose of the preferential treatment.

(b) Based upon the purpose of the preferential treatment, the department shall outline the available data necessary to determine the effectiveness of the preferential treatment.

(6) In reporting the data described in subsection (3), the department shall report any comparable data, if available, from Wyoming, Idaho, North Dakota, and South Dakota and from any other state the department may choose.

(7) The department shall identify in a separate section of the report any changes that have been made or that are contemplated in property appraisal or assessment.

(9) The department shall provide an internet version of the report free of charge to the public and shall charge a fee for paper copies that is commensurate with the cost of printing the report."

(l) contributions withdrawn from a family education savings account or earnings withdrawn from a family education savings account for qualified higher education expenses, as defined in 15-62-103, of a designated beneficiary;

(m) the recovery during the tax year of any amount deducted in any prior tax year to the extent that the recovered amount did not reduce the taxpayer's Montana income tax in the year deducted;

(n) if the federal taxable distribution of an estate or trust is greater than the state taxable distribution of the same estate or trust, the difference between the federal taxable distribution and the state taxable distribution of the same estate or trust for the same tax period;

(o) deposits, not exceeding the amount set forth in 15-30-3003, deposited in a Montana farm and ranch risk management account, as provided in 15-30-3001 through 15-30-3005, in any tax year for which a deduction is not provided for federal income tax purposes;

(p) income of a dependent child that is included in the taxpayer's federal adjusted gross income pursuant to the Internal Revenue Code. The child is required to file a Montana personal income tax return if the child and taxpayer meet the filing requirements in 15-30-2602.

(q) principal and income deposited in a health care expense trust account, as defined in 2-18-1303, or withdrawn from the account for payment of qualified health care expenses as defined in 2-18-1303;

(r) that part of the refundable credit provided in 33-22-2006 that reduces Montana tax below zero; and

(s) the amount of the gain recognized from the sale or exchange of a mobile home park as provided in 15-31-163.

(3) A shareholder of a DISC that is exempt from the ~~corporation license~~ *corporate income* tax under 15-31-102(1)(l) shall include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) Married taxpayers filing a joint federal return who are allowed a capital loss deduction under section 1211 of the Internal Revenue Code, 26 U.S.C. 1211, and who file separate Montana income tax returns may claim the same amount of the capital loss deduction that is allowed on the federal return. If the allowable capital loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the loss must be split equally on each return.

(7) In the case of passive and rental income losses, married taxpayers filing a joint federal return and who file separate Montana income tax returns are not required to recompute allowable passive losses according to the federal passive activity rules for married taxpayers filing separately under section 469 of the Internal Revenue Code, 26 U.S.C. 469. If the allowable passive loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the loss must be split equally on each return.

(8) Married taxpayers filing a joint federal return in which one or both of the taxpayers are allowed a deduction for an individual retirement contribution under section 219 of the Internal Revenue Code, 26 U.S.C. 219, and who file separate Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return. The deduction must be attributed to the spouse who made the contribution.

(9) (a) Married taxpayers filing a joint federal return who are allowed a deduction for interest paid for a qualified education loan under section 221 of the Internal Revenue Code, 26 U.S.C. 221, and who file separate Montana income tax returns may claim the same amount of the deduction that is allowed on the

federal return. The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted gross income.

(b) Married taxpayers filing a joint federal return who are allowed a deduction for qualified tuition and related expenses under section 222 of the Internal Revenue Code, 26 U.S.C. 222, and who file separate Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return. The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted gross income.

(10) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to $100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion exceeds $15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding $15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(11) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of $3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of $3,000, for the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

(12) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection (12)(a)(iv), not to exceed $5,000, from the taxpayer's adjusted gross income if the taxpayer:

(i) is a health care professional licensed in Montana as provided in Title 37;

(ii) is serving a significant portion of a designated geographic area, special population, or facility population in a federally designated health professional shortage area, a medically underserved area or population, or a federal nursing shortage county as determined by the secretary of health and human services or by the governor;

(iii) has had a student loan incurred as a result of health-related education; and

(iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan repayment program described in subsection (12)(b) as an incentive to practice in Montana.

(b) For the purposes of subsection (12)(a), a loan repayment program includes a federal, state, or qualified private program. A qualified private loan repayment program includes a licensed health care facility, as defined in

50-5-101, that makes student loan payments on behalf of the person who is employed by the facility as a licensed health care professional.

(13) Notwithstanding the provisions of subsection (1), adjusted gross income does not include 40% of capital gains on the sale or exchange of capital assets before December 31, 1986, as capital gains are determined under subchapter P. of Chapter 1 of the Internal Revenue Code as it read on December 31, 1986.

(14) By November 1 of each year, the department shall multiply the amount of pension and annuity income contained in subsection (2)(c)(i) and the federal adjusted gross income amounts in subsection (2)(c)(ii) by the inflation factor for that tax year, but using the year 2009 consumer price index, and rounding the results to the nearest $10. The resulting amounts are effective for that tax year and must be used as the basis for the exemption determined under subsection (2)(c). (Subsection (2)(f) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency—sec. 9, Ch. 262, L. 2001.)"

**Section 6.** Section 15-30-2328, MCA, is amended to read:

**"15-30-2328. (Temporary) Credit for contributions to qualified endowment — recapture of credit — deduction included as income.** (1) A taxpayer is allowed a tax credit against the taxes imposed by 15-30-2103 or 15-31-101 in an amount equal to 40% of the present value of the aggregate amount of the charitable gift portion of a planned gift made by the taxpayer during the year to any qualified endowment. The maximum credit that may be claimed by a taxpayer for contributions made from all sources in a year is $10,000. The credit allowed under this section may not exceed the taxpayer's income tax liability.

(2) The credit allowed under this section may not be claimed by an individual taxpayer if the taxpayer has included the full amount of the contribution upon which the amount of the credit was computed as a deduction under 15-30-2131(1) or 15-30-2152(2).

(3) There is no carryback or carryforward of the credit permitted under this section, and the credit must be applied to the tax year in which the contribution is made.

(4) If during any tax year a charitable gift is recovered by the taxpayer, the taxpayer shall:

(a) include as income the amount deducted in any prior year that is attributable to the charitable gift to the extent that the deduction reduced the taxpayer's individual income tax or ~~corporation license~~ *corporate income* tax; and

(b) increase the amount of tax due under 15-30-2103 or 15-31-101 by the amount of the credit allowed in the tax year in which the credit was taken. (Terminates December 31, 2013—sec. 7, Ch. 4, L. 2005; secs. 2, 3, 4, 7(2), Ch. 208, L. 2007.)"

**Section 7.** Section 15-30-3301, MCA, is amended to read:

**"15-30-3301. Definition of small business corporation.** (1) Except as provided in subsection (2), the term "small business corporation" is synonymous with "S. corporation" as defined in 15-30-2101 and means a corporation for which a valid election under section 1362 of the Internal Revenue Code (26 U.S.C. 1362) is in effect.

(2) A corporation that would otherwise be a small business corporation may continue to be subject to the taxes imposed by Title 15, chapter 31, if all of the following conditions are met:

(a) on December 31, 1991, the corporation was doing business in Montana and had a valid subchapter S. corporation election but had not elected to be taxed as a Montana small business corporation;

(b) after December 31, 1991, the corporation has not filed as a Montana small business corporation; and

(c) the corporation files a ~~corporate license~~ *corporate income* tax return, as required by 15-31-111, reporting all income or loss as determined under Title 15, chapter 31, and attaches a copy of the federal subchapter S. corporate tax return."

**Section 8.** Section 15-30-3312, MCA, is amended to read:

**"15-30-3312. Composite returns and tax.** (1) A partnership or S. corporation may elect to file a composite return and pay a composite tax on behalf of participants. A participant is a partner, shareholder, member, or other owner who:

(a) is a nonresident individual, a foreign C. corporation, or a pass-through entity whose only Montana source income for the tax year is from the entity and other partnerships or S. corporations electing to file the composite return and pay the composite tax on behalf of that partner, shareholder, member, or other owner; and

(b) consents to be included in the filing.

(2) (a) Each participant's composite tax liability is the product obtained by:

(i) determining the tax that would be imposed, using the rates specified in 15-30-2103, on the sum obtained by subtracting the allowable standard deduction for a single individual and one exemption allowance from the participant's share of the entity's income from all sources as determined for federal income tax purposes; and

(ii) multiplying that amount by the ratio of the entity's Montana source income to the entity's income from all sources for federal income tax purposes.

(b) A participant's share of the entity's income is the aggregate of the participant's share of the entity's income, gain, loss, or deduction or item of income, gain, loss, or deduction.

(3) The composite tax is the sum of each participant's composite tax liability.

(4) The electing entity:

(a) shall remit the composite tax to the department;

(b) must be responsible for any assessments of additional tax, penalties, and interest, which additional assessments must be based on the total liability reflected in the composite return;

(c) shall represent the participants in any appeals, claims for refund, hearing, or court proceeding in any matters relating to the filing of the composite return;

(d) shall make quarterly estimated tax payments and be subject to the underpayment interest as prescribed by 15-30-2512(5)(a) computed on the composite tax liability included in the filing of a composite return; and

(e) shall retain powers of attorney executed by each participant included in the composite return, authorizing the entity to file the composite return and to act on behalf of each participant.

(5) The composite return must be made on forms the department prescribes and filed on or before the due date, including extensions, for filing the entity information return. The composite return is in lieu of an individual income tax return required under 15-30-2602 and 15-30-2604, a ~~corporation license~~

*corporate income* tax return required under 15-31-111, and ~~a corporation~~ *an alternative corporate* income tax return required under 15-31-403.

(b) 15-31-101 and 15-31-121; and

(c) 15-31-403.

(7) The department may adopt rules that are necessary to implement and administer this section."

**Section 9.** Section 15-30-3313, MCA, is amended to read:

**"15-30-3313. Consent or withholding.** (1) A pass-through entity that is required to file an information return as provided in 15-30-3302 and that has a partner, shareholder, member, or other owner who is a nonresident individual, a foreign C. corporation, or a pass-through entity that itself has any partner, shareholder, member, or other owner that is a nonresident individual, foreign C. corporation, or pass-through entity shall, on or before the due date, including extensions, for the information return:

(i) file a composite return;

(ii) file a statement of the pass-through entity partner, shareholder, member, or other owner setting forth the name, address, and social security or federal identification number of each of that entity's partners, shareholders, members, or other owners and information that establishes that its share of Montana source income will be fully accounted in individual income *tax,* ~~or corporation license~~ *corporate income tax,* or *alternative corporate* income tax returns filed with the state; or

(iii) remit an amount equal to the highest marginal tax rate in effect under 15-30-2103 multiplied by its share of Montana source income reflected on the pass-through entity's information return.

(2) Any amount paid by a pass-through entity with respect to a nonresident individual pursuant to subsection (1)(a)(iii) must be considered as a payment on the account of the nonresident individual for the income tax imposed on the nonresident individual for the tax year pursuant to 15-30-2104. On or before the due date, including extensions, of the pass-through entity's information return provided in 15-30-3302, the pass-through entity shall furnish to the nonresident individual a record of the amount of tax paid on the individual's behalf.

(3) Any amount paid by a pass-through entity with respect to a foreign C. corporation pursuant to subsection (1)(b)(iii) must be considered as a payment on the account of the foreign C. corporation for the ~~corporation license~~ *corporate income* tax imposed on the foreign C. corporation for the tax year pursuant to 15-31-101 or the ~~corporation~~ *alternative corporate* income tax imposed on the foreign C. corporation for the tax year pursuant to 15-31-403. (4) Any amount paid by a pass-through entity with respect to a second-tier pass-through entity pursuant to subsection (1)(c)(iii) must be considered as payment on the account of the individual, trust, estate, or C. corporation to which Montana source income is directly or indirectly passed through and must be claimed as the distributable share of a refundable credit of the pass-through entity partner, shareholder, member, or other owner on behalf of which the amount was paid. On or before the due date, including extensions, of the pass-through entity's information return provided in 15-30-3302, the pass-through entity shall furnish to the second-tier pass-through entity a record of the refundable credit that may be claimed for the amount paid on its behalf.

(5) A pass-through entity is entitled to recover a payment made pursuant to subsection (1)(a)(iii), (1)(b)(iii), or (1)(c)(iii) from the partner, shareholder, member, or other owner on whose behalf the payment was made.

(6) Following the department's notice to a pass-through entity that a nonresident individual or foreign C. corporation did not file a return or timely pay all taxes as provided in subsection (1), the pass-through entity must, with respect to any tax year thereafter for which the nonresident individual or foreign C. corporation is not included in the pass-through entity's composite return, remit the amount described in subsection (1)(a)(iii) for the nonresident individual and the amount described in subsection (1)(b)(iii) for the foreign C. corporation.

(7) A publicly traded partnership described in 15-30-3302(4) that agrees to file an annual information return reporting the name, address, and taxpayer identification number for each person or entity that has an interest in the partnership that results in Montana source income or that has sold its interest in the partnership during the tax year is exempt from the composite return and

withholding requirements of Title 15, chapter 30. A publicly traded partnership shall provide the department with the information in an electronic form that is capable of being sorted and exported. Compliance with this subsection does not relieve a person or entity from its obligation to pay Montana income taxes.

(8) Nothing in this section may be construed as modifying the provisions of Article IV(18) of 15-1-601 and 15-31-312 allowing a taxpayer to petition for and the department to require methods to fairly represent the extent of the taxpayer's business activity in the state."

If a corporation has income from business activity that is taxable both within and outside of this state, the ~~license fee~~ *corporate income tax* must be measured by the net income derived from or attributable to Montana sources as determined under part 3. Except as provided in 15-31-502 and subject to the due date provision in 15-31-111(2)(b), the tax is due and payable on the 15th day of the 5th month following the close of the tax year of the corporation. The entire amount of the credit not used in the year earned must be carried first to the earliest tax year in which the credit may be applied and then to each succeeding tax year.

(2) Personal property taxes and the fee in lieu of tax on buses, trucks having a manufacturer's rated capacity of more than 1 ton, or truck tractors, as provided in 61-3-529, and the registration fee on light vehicles, as provided in 61-3-321(2) and 61-3-562, paid in Montana on any personal property or vehicle of the contractor that is used in the business of the contractor and is located within this state may be credited against the license fees required under this chapter. However, in computing the tax credit allowed by this section against the contractor's ~~corporation license tax or~~ income tax *or corporate income tax*, the tax credit against the license fees required under this chapter may not be considered as license fees paid for the purpose of the income tax or ~~corporation license~~ *corporate income* tax credit."

(2) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this section, the office of public instruction shall determine the reimbursement amount as provided in the enactment and add the appropriate amount to block grant distributions under this section. Except for the reimbursement made under 15-1-123(3)(b), the total of reimbursement distributions made pursuant to this subsection in a fiscal year must be added to all other distributions to the school district in the fiscal year to determine the distribution for the subsequent fiscal year.

(3) Each year, 70% of each district's block grant must be distributed in November and 30% of each district's block grant must be distributed in May at the same time that guaranteed tax base aid is distributed.

**Section 2.** Section 5-2-402, MCA, is amended to read:

**"5-2-402. Appointment by board of county commissioners — county central committee role — timeframes.** (1) Except as provided in subsection (5) or as otherwise provided by law, whenever a vacancy occurs in the legislature, the vacancy must be filled by appointment by the board of county commissioners or, in the event of a multicounty district, the boards of county commissioners of the counties comprising the district sitting as one appointing board.

(2) (a) Whenever a vacancy is within a single county, the board of county commissioners shall make the appointment as described in 5-2-403, 5-2-404, or 5-2-406.

(b) Whenever a vacancy is within a multicounty district, the boards of county commissioners shall sit as one appointing board. The selection of an individual to fill the vacancy must be as follows:

(i) The presiding officer of the board of county commissioners of the county in which the person resided whose vacancy is to be filled shall call a meeting for the purpose of appointing the member of the legislature and shall preside at the meeting.

(ii) Each commissioner's vote is determined by the following formula: 100 multiplied by (A divided by B) multiplied by (1 divided by C), where:

Only the number of votes cast by electors residing in the new senate district ~~for senate candidates of the party to which the person vacating the seat belonged~~ may be counted. The secretary of state shall provide an estimate of the number of votes cast ~~for each party~~ by county or portion of a county. The selection process is the same as provided in subsection (2)(b)(iii).

The county central committee or the county central committees, acting together, shall forward the list of names to the appointing board within the 45-day period.

(c) The appointing board shall make and confirm an appointment and notify the secretary of state within 15 days:

(iii) after notification of a vacancy if the legislator vacating the seat is an independent.

(4) If the legislature is in session, the notification process in subsection (3)(a) must be followed within 5 days. The process described in subsection (3)(b) must take place in 5 days. The process described in subsection (3)(c) must take place in 5 days.

(5) Notwithstanding subsection (6), if a vacancy occurs prior to a primary election, 13-10-326 applies. If a vacancy occurs after a primary and prior to a general election, 13-10-327 applies.

(b) by the county central committees, acting together, in a multicounty district, as described in 5-2-402.

(2) Whenever the appointing board is unable to elect an appointee from the submitted list, the appointing board shall request a second list of three names from the county central committee or committees. The second list may not contain any of the names submitted on the first list. The appointing board shall then select an appointee from the individuals named on both lists.

**Section 85.** Section 13-36-102, MCA, is amended to read:

**"13-36-102. Time for commencing contest.** (1) Five days or less after a candidate has been certified as ~~nominated~~ *selected to advance*, a person wishing to contest the ~~nomination to~~ *selection to advance for* any public office shall give notice in writing to the candidate whose ~~nomination~~ *selection* the person intends to contest, briefly stating the cause for the contest. The contestant shall make application to the district court in the county where the contest is to be had. The judge shall then set the time for the hearing. **Section 87.** Section 13-36-104, MCA, is amended to read:

**"13-36-104. ~~Nomination~~ *Primary election* contests.** In the case of ~~nomination~~ *primary election* contests, the judge of the district court shall hear and determine the case and make all necessary orders for the trial of the case and carrying the judgment into effect. The order of the judge must express the

The certificate is conclusive evidence of the right of the person to hold the nomination."

**Section 88.** Section 13-36-201, MCA, is amended to read:

**"13-36-201. Contents of contest petition.** Any petition contesting the right of any person to ~~a nomination~~ *a selection to advance* or *to* election must set forth the name of every person whose election is contested and the grounds of the contest. Testimony may not be received of any illegal votes unless the party contesting the election delivers to the opposite party, at least 3 days before trial, a written list of the number of illegal votes and by whom given that the party intends to prove at trial. This provision may not prevent the contestant from offering evidence of illegal votes not included in the statement if the contestant did not know and by reasonable diligence was unable to learn of the additional illegal votes and by whom they were given before delivering the written list."

**Section 90.** Section 13-36-203, MCA, is amended to read:

**"13-36-203. Form of complaint.** (1) A petition or complaint filed under the provisions of this chapter is sufficient if it is in substantially the following form:

That an election was held (in the state, district, county, or city of ....), on the .... day of ...., 20..., for the (nomination of a candidate for) (or election of a) (state the office).

That .... and .... were candidates at the election and the board of canvassers has returned .... as being ~~nominated~~ *selected to advance to the general election* (or elected) ~~at the election~~.

That contestant A B voted (or had a right to vote, as the case may be) at the election (or claims to have had a right to be returned as ~~the nominee~~ *selected to advance* or *as the* officer elected ~~or nominated at the election~~ or was a candidate at the election, as the case may be) and that contestant C D (here state in a similar manner the right of each contestant).

The contestant (or contestants) further allege (here state the facts and grounds on which the contestants rely).

The contestants ask that it be determined by the court that.... was not ~~nominated~~ *selected to advance* (or elected) and that the election was void or that A B or C D, as the case may be, was ~~nominated~~ *selected to advance* (or elected) and ask for other relief that the court may find appropriate.

(2) The complaint must be verified by the affidavit of one of the petitioners in the manner required by law for the verification of complaints in civil cases."

**"13-36-206. Notice of filing — prompt hearing.** On the filing of a petition under this part, the clerk shall immediately notify the judge of the court and issue a citation to the person whose ~~nomination~~ *selection to advance* or office is contested, citing the person to appear and answer not less than 3 or more than 7 days after the date of filing the petition. The court shall hear the cause, and the contest must take precedence over all other business on the court docket and must be tried and disposed of with all convenient dispatch. The court is always considered to be in session for the trial of contest cases."

**Section 92.** Section 13-36-207, MCA, is amended to read:

**"13-36-207. Hearing of contest.** The petitioner (contestant) and the contestee may appear and produce evidence at the hearing, but ~~no~~ *a* person other than the petitioner and contestee may *not* be made a party to the proceedings on the petition and ~~no~~ *a* person other than the parties and their attorneys may *not* be heard except by order of the court. If more than one petition is pending or the election of more than one person is contested, the court may in its discretion order the cases to be heard together and may apportion the costs, disbursements, and attorney fees between the parties and shall finally determine all questions of law and fact, except that the judge may impanel a jury to decide on questions of fact. In the case of ~~nominations or~~ elections *or selections to advance* other than for federal congressional offices, the court shall immediately certify its decision to the governing body or official issuing certificates of ~~nomination~~ *selection* or election and the governing body or official shall issue certificates of ~~nomination~~ *selection* or election to the person or persons entitled to the certificates by the court's decision. If judgment of ouster against a defendant is rendered, the ~~nomination~~ *selection to advance* or office must be declared vacant by the judgment, except as provided in 13-36-212, and must be filled by a new election or by appointment as may be provided by law regarding vacancies in the ~~nomination~~ *candidacy* or office."

**Section 93.** Section 13-36-209, MCA, is amended to read:

**"13-36-209. Forfeiture of ~~nomination~~ *election* or office for violation of law — when inappropriate.** Upon the trial of any action or proceeding under the provisions of this title to contest the right of any person to be declared ~~nominated~~ *selected to advance* or elected to any office or to annul or set aside ~~a nomination or~~ *a primary or general* election *result* or to remove a person from office, the ~~nomination or~~ *selection to advance or* election of the candidate is not *void* by reason of the offense or omission complained of ~~void~~ and the candidate may not be removed from or deprived of office if under the circumstances it seems to the court to be unjust that the candidate forfeit ~~a nomination~~ *the selection to advance* or office or be deprived of any office of which the candidate is the incumbent. The decision of the court must be based upon the following:

(1) it appears from the evidence that the offense complained of was not committed by the candidate or with the candidate's knowledge or consent or was committed without the candidate's sanction or connivance and that all reasonable means for preventing the commission of the offense at the election were taken by and on behalf of the candidate;

(2) the offense or offenses complained of were trivial, unimportant, and limited in character and in all other respects the candidate's participation in the election was free from offenses or illegal acts; or

(3) any act or omission of the candidate arose from inadvertence or from accidental miscalculation or from some other reasonable cause of a like nature and in any case did not arise from any lack of good faith."

**Section 94.** Section 13-36-210, MCA, is amended to read:

**"13-36-210. Punishment.** If, upon the trial of any action or proceeding under the provisions of this title to contest the right of any person to be declared to be ~~nominated to an office or~~ *selected to advance or* elected to an office or to annul and set aside the election or to remove any person from office, it appears that the person was guilty of any corrupt practice, illegal act, or undue influence ~~in or about the nomination~~ *regarding the selection to advance* or election, the person must be punished by being deprived of the ~~nomination~~ *selection to advance* or office and the vacancy must be filled in the manner provided by law. The only exceptions to this judgment are those provided in 13-36-209. The judgment does not prevent the candidate or officer from being proceeded against by indictment or criminal information for any act or acts."

**Section 95.** Section 13-36-211, MCA, is amended to read:

**"13-36-211. When ~~nomination or~~ *selection to advance or* election not to be vacated.** The ground of contest specified in 13-36-101(3) may not be construed to authorize ~~a nomination or~~ *the results of a primary or general* election to be set aside on account of illegal votes unless it appears:

(1) that the candidate ~~or nominee~~ whose right is contested had knowledge of or connived in the illegal votes; or

(2) that the number of illegal votes given to the ~~person whose right to the nomination or office~~ *candidate whose right* is contested, if taken from the person, would reduce the number of legal votes for the ~~person~~ *candidate* below the number of votes given to some other person for the same ~~nomination~~ *selection to advance* or office, after deducting the illegal votes that may be shown to have been given to the other person."

**Section 96.** Section 13-36-212, MCA, is amended to read:

**"13-36-212. Declaration of result of election after rejection of illegal votes.** If, in any case of a contest on the ~~ground~~ *grounds* of illegal votes, it appears that a person other than the one returned has the highest number of legal votes after the illegal votes have been eliminated, the court ~~must~~ *shall* declare ~~such~~ *the* person ~~nominated or~~ *selected to advance or* elected, as the case may be."

**Section 97.** Section 13-37-127, MCA, is amended to read:

**"13-37-127. Withholding of certificates of ~~nomination or~~ election.** (1) A certificate of election may not be granted to any candidate until the candidate or the candidate's treasurer has filed the reports and statements that must be filed pursuant to the provisions of this chapter. A candidate for an elective office may not assume the powers and duties of that office until the candidate has received a certificate of election as provided by law. A certificate of election may only be issued by the public official responsible for issuing a certificate or commission of election.

(2) In carrying out the mandate of this section, the commissioner must, by written statement, notify the public official responsible for issuing a certificate of ~~nomination~~ *selection* or election that a candidate or the candidate's treasurer

has complied with the provisions of this chapter as described in subsection (1) and that a certificate of ~~nomination~~ *selection* or election may be issued."

**Section 98.** Section 13-37-216, MCA, is amended to read:

**"13-37-216. Limitations on contributions — adjustment.** (1) (a) Subject to adjustment as provided for in subsection (4), aggregate contributions for each election in a campaign by a political committee or by an individual, other than the candidate, to a candidate are limited as follows:

(b) A contribution to a candidate includes contributions made to the candidate's committee and to any political committee organized on the candidate's behalf.

(b) A leadership political committee maintained by a political officeholder is considered to be organized on the political officeholder's behalf.

(3) All political committees except those of political party organizations are subject to the provisions of subsections (1) and (2). For purposes of this subsection, "political party organization" means any political organization that was represented on the official ballot at the most recent ~~gubernatorial~~ *presidential* election. Political party organizations may form political committees that are subject to the following aggregate limitations, adjusted as provided for in subsection (4), from all political party committees:

(a) for candidates filed jointly for the offices of governor and lieutenant governor, not to exceed $18,000;

(b) for a candidate to be elected for state office in a statewide election, other than the candidates for governor and lieutenant governor, not to exceed $6,500;

(c) for a candidate for public service commissioner, not to exceed $2,600;

(d) for a candidate for the state senate, not to exceed $1,050;

(e) for a candidate for any other public office, not to exceed $650.

(4) (a) The commissioner shall adjust the limitations in subsections (1) and (3) by multiplying each limit by an inflation factor, which is determined by dividing the consumer price index for June of the year prior to the year in which a general election is held by the consumer price index for June 2002.

(b) The resulting figure must be rounded up or down to the nearest:

(i) $10 increment for the limits established in subsection (1); and

(ii) $50 increment for the limits established in subsection (3).

(c) The commissioner shall publish the revised limitations as a rule.

(5) A candidate may not accept any contributions, including in-kind contributions, in excess of the limits in this section.

(6) For purposes of this section, "election" means the general election or a primary election that involves two or more candidates for the same ~~nomination~~ *office*. If there is not a contested primary, there is only one election to which the contribution limits apply. If there is a contested primary, then there are two elections to which the contribution limits apply."

**Section 99.** Section 13-37-218, MCA, is amended to read:

**"13-37-218. Limitations on receipts from political committees.** A candidate for the state senate may receive no more than $2,150 in total combined monetary contributions from all political committees contributing to the candidate's campaign, and a candidate for the state house of representatives may receive no more than $1,300 in total combined monetary contributions from all political committees contributing to the candidate's campaign. The limitations in this section must be multiplied by an inflation factor, which is determined by dividing the consumer price index for June of the year prior to the year in which a general election is held by the consumer price index for June 2003. The resulting figure must be rounded up or down to the nearest $50 increment. The commissioner shall publish the revised limitations as a rule. In-kind contributions must be included in computing these limitation totals. The limitation provided in this section does not apply to contributions made by a political party ~~eligible for~~ *that held* a *presidential* primary ~~election under 13-10-601~~ *during the last presidential primary cycle*."

**Section 100.** Section 13-38-101, MCA, is amended to read:

**Section 103. Codification instruction.** [Section 31] is intended to be codified as an integral part of Title 13, chapter 10, part 1, and the provisions of Title 13, chapter 10, part 1, apply to [section 31].

**Section 104. Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

**Section 105. Coordination instruction.** If House Bill No. 120 is passed and approved and if [this act] is passed by the legislature and approved by the electorate and both contain a section amending 5-2-402, then section 5-2-402 must be amended as follows:

**"5-2-402. Appointment by board of county commissioners — county central committee role — timeframes.** (1) Except as provided in subsection (5) or as otherwise provided by law, whenever a vacancy occurs in the

legislature, the vacancy must be filled by appointment by the board of county commissioners or, in the event of a multicounty district, the boards of county commissioners of the counties comprising the district sitting as one appointing board.

(2) (a) Whenever a vacancy is within a single county, the board of county commissioners shall make the appointment as described in 5-2-403, 5-2-404, or 5-2-406.

(b) Whenever a vacancy is within a multicounty district, the boards of county commissioners shall sit as one appointing board. The selection of an individual to fill the vacancy must be as follows:

(i) The presiding officer of the board of county commissioners of the county in which the person resided whose vacancy is to be filled shall call a meeting for the purpose of appointing the member of the legislature and shall preside at the meeting.

(ii) Each commissioner's vote is determined by the following formula: 100 multiplied by (A divided by B) multiplied by (1 divided by C), where:

(A) A is the total votes cast in the respective county for the person vacating the legislative seat or, if the vacating person was not elected, the votes cast for the last person to be elected for the current term;

(B) B is the total votes cast for that person in the legislative district; and

(C) C is the number of authorized commissioners on the board of the commissioner whose vote is being determined.

(iii) The person selected to fill the vacancy is the one who receives the highest number above 50 that results from the calculation in subsection (2)(b)(ii). If none of the candidates receives a number higher than 50 from that calculation, the selection board shall cast its votes again in the same manner for the persons receiving the two highest numbers. If neither vote results in a candidate receiving a number higher than 50 from the calculation provided in subsection (2)(b)(ii), then 5-2-404 applies.

(c) If a vacancy occurs in a holdover senate seat after holdover senators have been assigned to new districts under each reapportionment, the formula in subsection (2)(b)(ii) must be applied using the votes cast for the senatorial candidates at the last election in which votes were cast for a senate candidate. Only the number of votes cast by electors residing in the new senate district ~~for senate candidates of the party to which the person vacating the seat belonged~~ may be counted. The secretary of state shall provide an estimate of the number of votes cast ~~for each party~~ by county or portion of a county. The selection process is the same as provided in subsection (2)(b)(iii).

(3) The appointment process to fill a vacant legislative seat under this section is as follows:

(a) Within 7 days of being notified of a vacancy as described in 2-16-501, the secretary of state shall notify the board of county commissioners. ~~and~~ *If the vacating legislator marked a party preference on the legislator's most recent declaration of candidacy filed with the secretary of state or election administrator, the secretary of state shall notify the relevant state party that is responsible for notifying* the county central committee of the county where the vacating legislator is a resident, if the legislative seat is within one county, or the boards of county commissioners and the corresponding county central committees if the legislative seat is in a multicounty district. If the legislator ~~is an~~ *did not mark a party preference, marked "independent", or marked a party preference for a party that does not have a county central committee as the party*

*preference on the legislator's most recent declaration of candidacy filed with the secretary of state or election administrator,* ~~independent or belongs to a party for which there is no county central committee,~~ the notification of county commissioners suffices.

(b) The county central committee or committees, upon receipt of notification of a vacancy, have 45 days to propose a list of prospective appointees, pursuant to 5-2-403(1). The county central committee or the county central committees, acting together, shall forward the list of names to the appointing board within the 45-day period.

(c) The appointing board shall make and confirm an appointment and notify the secretary of state within 15 days:

(i) after receiving the list of prospective appointees from the county central committee or committees;

(ii) after 45 days have expired after the notification of vacancy if the county central committee or committees have not provided a list of prospective appointees; or

(iii) after notification of a vacancy if the legislator vacating the seat is an independent.

(4) If the legislature is in session, the notification process in subsection (3)(a) must be followed within 5 days. The process described in subsection (3)(b) must take place in 5 days. The process described in subsection (3)(c) must take place in 5 days.

(5) Notwithstanding subsection (6), if a vacancy occurs prior to a primary election, 13-10-326 applies. If a vacancy occurs after a primary and prior to a general election, 13-10-327 applies.

(6) If the legislature is called into special session within 85 days of a general election, a person must be appointed to fill a legislative vacancy pursuant to subsections (1) through (4)."

**Section 106. Coordination instruction.** If [this act] is passed by the legislature and approved by the electorate and if House Bill No. 120 is passed and approved:

(1) the reference to "declaration for nomination" in 13-10-201 must be changed to "declaration of candidacy"; and

(2) the reference to "declaration for nomination" in 13-14-113 must be changed to "declaration of candidacy".

**Section 107. Coordination instruction.** If [this act] is passed by the legislature and approved by the electorate and if Senate Bill No. 375 is passed and approved, then the section that amends 13-37-216 in [this act] is void and the reference to "gubernatorial" in the definition of "political party organization" in section 13-1-101 in Senate Bill No. 375 must be changed to "presidential".

**Section 108. Effective date.** [This act] is effective upon approval by the electorate.

**Section 109. Applicability.** [This act] applies to elections held on by after January 1, 2015.

**Section 110. Submission to electorate.** [This act] shall be submitted to the qualified electors of Montana at the general election to be held in November 2014 by printing on the ballot the full title of [this act] and the following:

## CHAPTER NO. 272

[HB 336]

AN ACT GENERALLY REVISING THE HIGHWAY PATROL OFFICERS' RETIREMENT SYSTEM; DECREASING THE GUARANTEED ANNUAL BENEFIT ADJUSTMENT FOR NEW MEMBERS; REQUIRING NEW MEMBERS TO WAIT 3 YEARS BEFORE RECEIVING THE GUARANTEED ANNUAL BENEFIT ADJUSTMENT; INCREASING THE YEARS OF MEMBERSHIP SERVICE NEEDED FOR A NEW MEMBER TO PURCHASE SERVICE CREDIT AND TO RECEIVE A RETIREMENT BENEFIT; INCREASING EMPLOYEE CONTRIBUTIONS FOR EXISTING MEMBERS AND NEW HIRES; INCREASING THE STATE EMPLOYER CONTRIBUTION; INCREASING THE BENEFIT MULTIPLIER FOR ALL MEMBERS; RESTRICTING THE USES OF THE SPECIAL STATE REVENUE FUND TO FUND THE HIGHWAY PATROL OFFICERS' SALARIES; AMENDING SECTIONS 19-2-303, 19-6-301, 19-6-402, 19-6-404, 19-6-502, 19-6-503, 19-6-601, 19-6-707, 19-6-710, 19-6-711, 19-6-801, 19-6-803, AND 19-6-804, MCA; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Article VIII, section 15, of the Montana Constitution requires that "Public retirement systems shall be funded on an actuarially sound basis"; and

WHEREAS, Article VIII, section 15, of the Montana Constitution also requires that "Public retirement system assets, including income and actuarially required contributions, shall not be encumbered, diverted, reduced,

or terminated and shall be held in trust to provide benefits to participants and their beneficiaries and to defray administrative expenses"; and

WHEREAS, the unprecedented collapse of the financial markets in 2008 and 2009 and the subsequent slow rate of economic recovery has resulted in little or no prospect that current statutory contribution rates together with future market returns will be sufficient to fund the Highway Patrol Officers' Retirement System on an actuarially sound basis, and current contributions remain insufficient to pay the past and future accruals of retirement benefits for current members of the system; and

WHEREAS, failure to return the system to a position of actuarially sound funding places the benefits to be paid to the current system members in jeopardy and results in collection of employee contributions for which future benefits may not be guaranteed; and

WHEREAS, because reasonable increases in employer contributions and future employee contributions and reasonable reductions in benefits for future members alone will not be sufficient to return the system to a position of actuarially sound funding, increased contributions for current and future members and reduced benefits for future members are necessary to return the system to a position of actuarially sound funding; and

WHEREAS, during the past two legislative sessions and interims, the Legislature, interim committees, the retirement system board and staff, and the Governor's office have analyzed a range of alternatives for returning all public employee retirement systems to a position of actuarially sound funding without raising contract impairment issues for current members, but recent actuarial analysis continues to show that several of the systems, including the Highway Patrol Officers' Retirement System remain actuarially unsound; and

WHEREAS, due to significant strains on the Montana economy and taxpayers, a modest supplemental contribution rate increase applied to current Highway Patrol Officers' Retirement System members, phased in over a 4-year period, in conjunction with additional employer and state contributions, is reasonable and necessary pursuant to the language of U.S. Trust Company of New York v. New Jersey, 431 U.S. 1 (1977), concerning contract impairment and is the least impairing alternative available to the Legislature as it seeks to fulfill its constitutional obligation to ensure the Highway Patrol Officers' Retirement System is funded in an actuarially sound manner; and

WHEREAS, the defined benefit Highway Patrol Officers' Retirement System is integral to the successful recruitment and retention of qualified Montana highway patrol officers.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Guaranteed annual benefit adjustment for employees hired after July 1, 2013.** (1) Subject to subsection (2), for employees hired on or after July 1, 2013, on January 1 of each year, the permanent monthly benefit payable during the preceding January to each recipient who is eligible under subsection (3) must be increased by 1.5%.

(2) (a) If the recipient's benefit payable during the preceding January has been increased by one or more adjustments not provided for in this section and the adjustments amount to less than a 1.5% annualized increase, then the recipient's benefit must be adjusted by an amount that will provide a total annualized increase of 1.5% in the benefit paid since the preceding January.

(b) If a recipient's benefit payable during the preceding January has been increased by one or more adjustments not provided for in this section and the

adjustments amount to more than a 1.5% annualized increase, then the benefit increase provided for under this section must be 0%.

(3) Except as provided for in subsection (2)(b), a benefit recipient is eligible for and must receive the minimum annual benefit adjustment provided for in this section if:

(a) the benefit's commencement date is at least 36 months prior to January 1 of the year in which the adjustment is to be made; and

(b) the member first became an active member on or after July 1, 2013.

(4) The board shall adopt rules to administer the provisions of this section.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Short title.** [Sections 1 through 11] may be cited as the "Parental Consent for Abortion Act of 2013".

**Section 2. Legislative purpose and findings.** (1) The legislature finds that:

(a) immature minors often lack the ability to make fully informed choices that take into account both immediate and long-range consequences;

(b) the medical, emotional, and psychological consequences of abortion are sometimes serious and can be lasting, particularly when the patient is immature;

(c) the capacity to become pregnant and the capacity for mature judgment concerning the wisdom of an abortion are not necessarily related;

(d) parents ordinarily possess information essential to a physician in the exercise of the physician's best medical judgment concerning the minor;

(e) parents who are aware that their minor daughter has had an abortion may better ensure that the daughter receives adequate medical care after the abortion; and

(f) parental consultation is usually desirable and in the best interests of the minor.

(2) The purpose of [sections 1 through 11] is to further the important and compelling state interests of:

(a) protecting minors against their own immaturity;

(b) fostering family unity and preserving the family as a viable social unit;

(c) protecting the constitutional rights of parents to rear children who are members of their household; and

(d) reducing teenage pregnancy and unnecessary abortion.

**Section 3. Definitions.** As used in [sections 1 through 11], unless the context requires otherwise, the following definitions apply:

(1) "Coerce" means to restrain or dominate the choice of a minor by force, threat of force, or deprivation of food and shelter.

(2) "Consent" means a notarized written statement obtained on a form and executed in the manner prescribed by [section 5] that is signed by a parent or legal guardian of a minor and that declares that the minor intends to seek an abortion and that the parent or legal guardian of the minor consents to the abortion.

(3) "Emancipated minor" means a person under 18 years of age who is or has been married or who has been granted an order of limited emancipation by a court as provided in 41-3-438.

(4) "Medical emergency" means a condition that, on the basis of the good faith clinical judgment of a physician or physician assistant, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of the woman's pregnancy to avert the woman's death or a condition for which a delay in treatment will create serious risk of substantial and irreversible impairment of a major bodily function.

(5) "Minor" means a pregnant female under 18 years of age who is not an emancipated minor.

(6) "Physical abuse" means any physical injury intentionally inflicted by a parent or legal guardian on a minor.

(7) "Physician" means a person licensed to practice medicine under Title 37, chapter 3.

(8) "Physician assistant" means a person licensed pursuant to Title 37, chapter 20, who provides medical services under the supervision of a physician.

(9) "Sexual abuse" has the meaning provided in 41-3-102.

**Section 4. Consent of parent or legal guardian required.** (1) Except as provided in [section 7], a physician or physician assistant may not perform an abortion on a minor unless the physician or physician assistant or the agent of the physician or physician assistant first obtains the notarized written consent of a parent or legal guardian of the minor.

(2) The consent of a parent or legal guardian of the minor is invalid unless it is obtained in the manner and on the form prescribed by [section 5].

**Section 5. Consent form — disclosure — requirements for validity.** (1) The department shall create a consent form to be used by physicians, physician assistants, or their agents in obtaining the consent of a parent or legal guardian as required under [section 4] or in obtaining the waiver of the consent of a parent or legal guardian as provided for in [section 7].

(2) The form must disclose but is not limited to the following:

(a) any information that a physician or physician assistant is required by law to provide to the minor and the rights of the minor;

(b) the rights of the parent or legal guardian;

(c) the surgical or medical procedures that may be performed on the minor;

(d) the risks and hazards related to the procedures planned for the minor, including but not limited to the risks and hazards associated with:

(i) any surgical, medical, or diagnostic procedure, including the potential for infection, blood clots in veins and lungs, hemorrhage, and allergic reactions;

(ii) a surgical abortion, including hemorrhage, uterine perforation or other damage to the uterus, sterility, injury to the bowel or bladder, a potential hysterectomy caused by a complication or injury during the procedure, and the possibility of additional procedures being required because of failure to remove all products of conception;

(iii) a medical or nonsurgical abortion, including hemorrhage, sterility, the continuation of the pregnancy, and the possibility of additional procedures being required because of failure to remove all products of conception; and

(iv) the particular procedure that is planned for the minor, including cramping of the uterus, pelvic pain, infection of the female reproductive organs, cervical laceration, incompetent cervix, and the requirement of emergency treatment for any complications.

(3) The form must include:

(a) a minor consent statement that the minor must sign. The minor consent statement must include but is not limited to the following points, each of which must be initialed by the minor:

(i) the minor understands that the physician or physician assistant is going to perform an abortion on the minor and that the abortion will end the minor's pregnancy;

(ii) the minor is not being coerced into having an abortion, the minor has the choice not to have the abortion, and the minor may withdraw consent at any time prior to the abortion;

(iii) the minor consents to the procedure;

(iv) the minor understands the risks and hazards associated with the surgical or medical procedures planned for the minor;

(v) the minor has been provided the opportunity to ask questions about the pregnancy, alternative forms of treatment, the risk of nontreatment, the procedures to be used, and the risks and hazards involved; and

(vi) the minor has sufficient information to give informed consent.

(b) a parental consent statement that a parent or legal guardian must sign. The parental consent statement must include but is not limited to the following points, each of which must be initialed by a parent or legal guardian:

(i) the parent or legal guardian understands that the physician or physician assistant who signed the physician declaration statement provided for in subsection (3)(c) is going to perform an abortion on the minor that will end the minor's pregnancy;

(ii) the parent or legal guardian had the opportunity to read the consent form or had the opportunity to have the consent form read to the parent or legal guardian;

(iii) the parent or legal guardian had the opportunity to ask questions of the physician or physician assistant or the agent of the physician or physician assistant regarding the information contained in the consent form and the surgical and medical procedures to be performed on the minor;

(iv) the parent or legal guardian has been provided sufficient information to give informed consent.

(c) a physician declaration that the physician or physician assistant must sign, declaring that:

(i) the physician or physician assistant or the agent of the physician or physician assistant explained the procedure and contents of the consent form to the minor and a parent or legal guardian of the minor and answered any questions; and

(ii) to the best of the physician's or physician assistant's knowledge, the minor and a parent or legal guardian of the minor have been adequately informed and have consented to the abortion; and

(d) a signature page for a parent or legal guardian of the minor that must be notarized and that includes an acknowledgment by the parent or legal guardian affirming that the parent or legal guardian is the minor's parent or legal guardian.

**Section 6. Proof of identification and relationship to minor — retention of records.** (1) A parent or legal guardian of a minor who is consenting to the performance of an abortion on the minor shall provide the attending physician or physician assistant or the agent of the physician or physician assistant with government-issued proof of identity and written documentation that establishes that the parent or legal guardian is the lawful parent or legal guardian of the minor.

(2) A physician or physician assistant shall retain the completed consent form and the documentation provided pursuant to subsection (1) in the minor's medical file for 5 years after the minor reaches 18 years of age, but in no event less than 7 years.

(3) A physician or physician assistant receiving documentation under this section shall execute for inclusion in the minor's medical record an affidavit stating: "I, (insert name of physician or physician assistant), certify that according to my best information and belief, a reasonable person under similar circumstances would rely on the information presented by both the minor and the minor's parent or legal guardian as sufficient evidence of identity and relationship."

**Section 7. Exceptions.** Consent is not required under [section 4] if:

(1) the attending physician or physician assistant certifies in the minor's medical record that a medical emergency exists and there is insufficient time to provide consent;

(2) consent is waived, in a notarized writing, by the person entitled to give consent; or

(3) consent is waived under [section 9].

**Section 8. Coercion prohibited.** A parent, a legal guardian, or any other person may not coerce a minor to have an abortion. If a minor is denied financial support by the minor's parents, legal guardian, or custodian because of the minor's refusal to have an abortion, the minor must be considered an emancipated minor for the purposes of eligibility for public assistance benefits. The public assistance benefits may not be used to obtain an abortion.

**Section 9. Procedure for judicial waiver of consent.** (1) The requirements and procedures under this section are available to minors whether or not they are residents of this state.

(2) A minor may petition the youth court for a waiver of the requirement for consent and may participate in the proceedings on the minor's own behalf. The petition must include a statement that the minor is pregnant and is not emancipated. The court may appoint a guardian ad litem for the minor. A guardian ad litem is required to maintain the confidentiality of the proceedings. The youth court shall advise the minor of the right to assigned counsel and shall order the office of state public defender, provided for in 47-1-201, to assign counsel upon request.

(3) Proceedings under this section are confidential and must ensure the anonymity of the minor. All proceedings under this section must be sealed. The minor may file the petition using a pseudonym or using the minor's initials. All documents related to the petition and the proceedings on the petition are confidential and are not available to the public. The proceedings on the petition must be given preference over other pending matters to the extent necessary to ensure that the court reaches a prompt decision. The court shall issue written findings of fact and conclusions of law and rule within 48 hours of the time that the petition is filed unless the time is extended at the request of the minor. If the court fails to rule within 48 hours and the time is not extended, the petition is granted and the requirement for consent is waived.

(4) If the court finds that the minor is competent to decide whether to have an abortion, the court shall issue an order authorizing the minor to consent to the performance or inducement of an abortion without the consent of a parent or legal guardian.

(5) The court shall issue an order authorizing the minor to consent to an abortion without the consent of a parent or legal guardian if the court finds that:

(a) there is evidence of physical abuse, sexual abuse, or emotional abuse of the minor by one or both parents, a legal guardian, or a custodian; or

(b) the consent of a parent or legal guardian is not in the best interests of the minor.

(6) If the court does not make a finding specified in subsection (4) or (5), the court shall dismiss the petition.

(7) A court that conducts proceedings under this section shall issue written and specific findings of fact and conclusions of law supporting its decision and shall order that a confidential record of the evidence, findings, and conclusions be maintained.

(8) The supreme court may adopt rules providing an expedited confidential appeal by a minor if the youth court denies a petition. An order authorizing an abortion without the consent of a parent or legal guardian is not subject to appeal.

(9) Filing fees may not be required of a minor who petitions a court for a waiver of the requirement for consent or who appeals a denial of a petition.

**Section 10. Criminal and civil penalties.** (1) A person convicted of performing an abortion in violation of [section 4] shall be fined an amount not to exceed $1,000 or be imprisoned in the county jail for a term not to exceed 1 year, or both. On a second or subsequent conviction, the person shall be fined an amount not less than $500 or more than $50,000 and be imprisoned in the state prison for a term of not less than 10 days or more than 5 years, or both.

(2) Failure to obtain the consent required under [section 4] is prima facie evidence in an appropriate civil action for a violation of a professional obligation. The evidence does not apply to issues other than failure to obtain the consent of a parent or legal guardian. A civil action may be based on a claim that the failure to obtain consent was the result of a violation of the appropriate legal standard of care. Failure to obtain consent is presumed to be actual malice pursuant to the provisions of 27-1-221. [Sections 1 through 11] do not limit the common-law rights of parents.

(3) A person who coerces a minor to have an abortion is guilty of a misdemeanor and upon conviction shall be fined an amount not to exceed $1,000 or be imprisoned in the county jail for a term not to exceed 1 year, or both. On a second or subsequent conviction, the person shall be fined an amount not less than $500 or more than $50,000 and be imprisoned in the state prison for a term of not less than 10 days or more than 5 years, or both.

(4) A person not authorized to grant consent under [section 4] who signs a consent form provided for in [section 5] is guilty of a misdemeanor.

**Section 11. Construction.** Nothing in [sections 1 through 11] may be construed as creating or recognizing a right to abortion. It is not the intention of [sections 1 through 11] to make lawful an abortion that is currently unlawful.

**Section 12.** Section 41-1-405, MCA, is amended to read:

**"41-1-405. Emergencies and special situations.** (1) A health professional may render or attempt to render emergency service or first aid, medical, surgical, dental, or psychiatric treatment, without compensation, to any injured person or any person regardless of age who is in need of immediate health care when, in good faith, the professional believes that the giving of aid is the only alternative to probable death or serious physical or mental damage.

(2) A health professional may render nonemergency services to minors for conditions that will endanger the health or life of the minor if services would be delayed by obtaining consent from spouse, parent, parents, or legal guardian.

(3) Consent may not be required of a minor who does not possess the mental capacity or who has a physical disability that renders the minor incapable of giving consent and who has no known relatives or legal guardians, if a physician determines that the health service should be given.

(4) Self-consent of minors does not apply to sterilization or abortion, except as provided in ~~Title 50, chapter 20, part 2~~ *[sections 1 through 11]*."

**Section 13.** Section 47-1-104, MCA, is amended to read:

The system is supervised by the commission and administered by the office.

(2) The commission shall approve a strategic plan for service delivery and divide the state into not more than 11 public defender regions. The commission may establish a regional office to provide public defender services in each region, as provided in 47-1-215, establish a contracted services program to provide

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Noncompliance with weed control requirements — general notice.** (1) (a) If a complaint is made against a landowner or the board has reason to believe that noxious weeds are present on a landowner's property, the board shall notify the landowner by certified mail of the complaint and shall request permission for the board's agent to enter the property to conduct an inspection.

(b) If the landowner has an agent for service on file with the secretary of state, the notice must be given by certified mail to the registered agent.

(c) The landowner or the landowner's representative shall respond within 10 days of receipt of the notice.

(2) (a) If the board's agent and the landowner or landowner's representative agree to an inspection, the agent and the landowner or representative shall inspect the land at an agreed-upon time.

(b) The board or the board's agent may seek a court order to enter and inspect the land to determine if noxious weeds are present on the property if:

(i) within 10 days of sending the certified letter to the address on the tax records or to the agent for service, the board is unable to determine the owner of the property; or

(ii) the letter cannot be delivered because the landowner or the landowner's representative refuses to sign the receipt or does not reside on the property.

(3) If the board finds noxious weeds on the property during the inspection, the board shall:

(a) seek the landowner's or representative's voluntary compliance with the district weed management program in accordance with [section 2]; or

(b) if voluntary compliance is not obtained, notify the landowner or the landowner's representative by certified mail that noxious weeds were found on the property.

(4) The notice must contain the language specified in this section.

(5) If the board believes it is advisable, the board may post a dated order in a conspicuous place on the property, providing notice that noxious weeds have been found on the property and informing the landowner or landowner's representative of the options for complying with the weed management program pursuant to [section 2] and the actions that may be taken under [section 4] if the landowner fails to comply with the weed management program.

(6) All correspondence with a landowner or the landowner's representative concerning notifications of weed infestations, including requests made pursuant to subsection (1) to inspect property and notifications of noncompliance, must be made on the uniform notification material provided by the department and must:

(2) In accepting or rejecting a weed management proposal, the board shall consider the economic impact on the landowner and neighboring landowners, practical biological and environmental limitations, and alternative control methods to be used.

**Section 3. Noncompliance — actions for landowners.** (1) If the board is unable to obtain the landowner's voluntary compliance with the weed management program within 10 days of the landowner's receipt of the notification, the landowner is considered to be in noncompliance and is subject to appropriate control measures pursuant to [section 4].

(2) (a) Within 10 days after receiving notice to comply with the weed management program, the landowner may request a hearing before the commissioners if the landowner disagrees with the weed control measures proposed by the board.

(3) If the landowner has requested a hearing pursuant to subsection (2)(a) or has appealed a hearing decision pursuant to subsection (2)(b), the board may not take any action to control the noxious weeds until after the hearing and authorization is provided from the commissioners or the court.

**Section 4. (ii) the board does not receive a formal objection or the board of county commissioners does not receive a request for a hearing.

(2) A commercial applicator hired under this section shall carry all insurance required by the board.

(a) until the actions specified in the weed management plan or court order are complete;

(b) for the length of time specified in the order; or

(c) for 3 years if the order does not specify a time limit.

(4) After instituting appropriate noxious weed control measures, the board shall submit a copy of the bill, including the penalty provided for in subsection

(6) If the board declares an emergency and institutes appropriate measures to control the noxious weeds, the landowner who received the order is liable for costs as provided in subsection (4) only to the extent determined appropriate by the board, the board of county commissioners, or the court that finally resolves the matter.

**Section 5. Direction to department — notification of landowners.** The department shall distribute informational material about the changes provided for in [this act] within 30 days of [the effective date of this act]. The department may select the manner in which the information may be distributed, including distribution by electronic means. The cost of controlling weeds growing along the right-of-way of a state or federal highway must, upon the presentation by the board of a verified account of the expenses incurred, be paid from the state highway fund in compliance with 7-14-2132 and any agreement between the board and the department of transportation. Costs attributed to other lands within the district must be assessed to and collected from the responsible person as set forth in ~~7-22-2124~~ *[section 4]*."

The bill must specify and order a payment due date not less than 30 days from the date the bill is sent.

(b) A copy of the bill must be submitted by the board to the county clerk and recorder. *Be it enacted by the Legislature of the State of Montana:*

**Section 1. Short title.** [Sections 1 through 11] may be cited as the "Parental Consent for Abortion Act of 2013".

**Section 2. Legislative purpose and findings.** (1) The legislature finds that:

(a) immature minors often lack the ability to make fully informed choices that take into account both immediate and long-range consequences;

(b) the medical, emotional, and psychological consequences of abortion are sometimes serious and can be lasting, particularly when the patient is immature;

(c) the capacity to become pregnant and the capacity for mature judgment concerning the wisdom of an abortion are not necessarily related;

(d) parents ordinarily possess information essential to a physician in the exercise of the physician's best medical judgment concerning the minor;

(e) parents who are aware that their minor daughter has had an abortion may better ensure that the daughter receives adequate medical care after the abortion; and

(f) parental consultation is usually desirable and in the best interests of the minor.

(2) The purpose of [sections 1 through 11] is to further the important and compelling state interests of:

(a) protecting minors against their own immaturity;

(b) fostering family unity and preserving the family as a viable social unit;

(c) protecting the constitutional rights of parents to rear children who are members of their household; and

(5) "Minor" means a pregnant female under 18 years of age who is not an emancipated minor.

(6) "Physical abuse" means any physical injury intentionally inflicted by a parent or legal guardian on a minor.

**Section 5. Consent form — disclosure — requirements for validity.** (1) The department of public health and human services shall create a consent form to be used by physicians, physician assistants, or their agents in obtaining the consent of a parent or legal guardian as required under [section 4] or in obtaining the waiver of the consent of a parent or legal guardian as provided for in [section 7].

(3) consent is waived under [section 9].

**Section 8. Coercion prohibited.** A parent, a legal guardian, or any other person may not coerce a minor to have an abortion. If a minor is denied financial support by the minor's parents, legal guardian, or custodian because of the minor's refusal to have an abortion, the minor must be considered an emancipated minor for the purposes of eligibility for public assistance benefits. The public assistance benefits may not be used to obtain an abortion.

**Section 9. Procedure for judicial waiver of consent.** (1) The requirements and procedures under this section are available to minors whether or not they are residents of this state.

The petition must include a statement that the minor is pregnant and is not emancipated. The court may appoint a guardian ad litem for the minor. A guardian ad litem is required to maintain the confidentiality of the proceedings. The youth court shall advise the minor of the right to assigned counsel and shall order the office of state public defender, provided for in 47-1-201, to assign counsel upon request.

(3) Proceedings under this section are confidential and must ensure the anonymity of the minor. All proceedings under this section must be sealed. The minor may file the petition using a pseudonym or using the minor's initials. All documents related to the petition and the proceedings on the petition are confidential and are not available to the public. The proceedings on the petition must be given preference over other pending matters to the extent necessary to ensure that the court reaches a prompt decision. The court shall issue written findings of fact and conclusions of law and rule within 48 hours of the time that the petition is filed unless the time is extended at the request of the minor. If the court fails to rule within 48 hours and the time is not extended, the petition is granted and the requirement for consent is waived.

(4) If the court finds that the minor is competent to decide whether to have an abortion, the court shall issue an order authorizing the minor to consent to the performance or inducement of an abortion without the consent of a parent or legal guardian.

(5) The court shall issue an order authorizing the minor to consent to an abortion without the consent of a parent or legal guardian if the court finds that:

(a) there is evidence of physical abuse, sexual abuse, or emotional abuse of the minor by one or both parents, a legal guardian, or a custodian; or

(b) the consent of a parent or legal guardian is not in the best interests of the minor.

(6) If the court does not make a finding specified in subsection (4) or (5), the court shall dismiss the petition.

(7) A court that conducts proceedings under this section shall issue written and specific findings of fact and conclusions of law supporting its decision and shall order that a confidential record of the evidence, findings, and conclusions be maintained.

(8) The supreme court may adopt rules providing an expedited confidential appeal by a minor if the youth court denies a petition. An order authorizing an abortion without the consent of a parent or legal guardian is not subject to appeal.

(9) Filing fees may not be required of a minor who petitions a court for a waiver of the requirement for consent or who appeals a denial of a petition.

**Section 10. Criminal and civil penalties.** (1) A person convicted of performing an abortion in violation of [section 4] shall be fined an amount not to exceed $1,000 or be imprisoned in the county jail for a term not to exceed 1 year, or both. (2) Failure to obtain the consent required under [section 4] is prima facie evidence in an appropriate civil action for a violation of a professional obligation. The evidence does not apply to issues other than failure to obtain the consent of a parent or legal guardian. A civil action may be based on a claim that the failure to obtain consent was the result of a violation of the appropriate legal standard of care. Failure to obtain consent is presumed to be actual malice pursuant to the provisions of 27-1-221. [Sections 1 through 11] do not limit the common-law rights of parents.

(4) A person not authorized to grant consent under [section 4] who signs a consent form provided for in [section 5] is guilty of a misdemeanor.

**Section 11. Construction.** Nothing in [sections 1 through 11] may be construed as creating or recognizing a right to abortion. It is not the intention of [sections 1 through 11] to make lawful an abortion that is currently unlawful.

**Section 12.** Section 41-1-405, MCA, is amended to read:

**"41-1-405. Emergencies and special situations.** (1) A health professional may render or attempt to render emergency service or first aid, medical, surgical, dental, or psychiatric treatment, without compensation, to any injured person or any person regardless of age who is in need of immediate health care when, in good faith, the professional believes that the giving of aid is the only alternative to probable death or serious physical or mental damage.

(2) A health professional may render nonemergency services to minors for conditions that will endanger the health or life of the minor if services would be delayed by obtaining consent from spouse, parent, parents, or legal guardian.

(3) Consent may not be required of a minor who does not possess the mental capacity or who has a physical disability that renders the minor incapable of giving consent and who has no known relatives or legal guardians, if a physician determines that the health service should be given.

(4) Self-consent of minors does not apply to sterilization or abortion, except as provided in ~~Title 50, chapter 20, part 2~~ *[sections 1 through 11]*."
